**HRSA Evaluation of the Maternal and Child Health Bureau Pediatric Mental
Health Care Access and Screening and Treatment for Maternal Depression
and Related Behavioral Disorders Programs Project**

October 2019

**Attachment A3: Screening and Treatment for Maternal Depression and
Related Behavioral Disorders Program Health Care Provider Survey
Notification Email**

Thank you for your participation in the Health Resources and Services Administration's (HRSA) Maternal and Child Health Bureau (MCHB) Screening and Treatment for Maternal Depression and Related Behavioral Disorders (MDRBD) program—[insert program name]. HRSA funded JBS International, Inc. (JBS) to conduct an evaluation of the MCHB MDRBD program (hereafter referred to as the HRSA MCHB evaluation). JBS is an independent evaluator of the program and is not part of HRSA or any other federal agency.

As part of the HRSA MCHB evaluation, a survey of maternal health care providers who are participating in [insert state name]'s HRSA MDRBD program is being conducted by JBS. The survey is designed to collect information on your experiences with the MDRBD program (e.g., assessing and treating behavioral health conditions, accessing behavioral health care services for your patients, capacity to address behavioral health conditions).

This email is to notify you that JBS will be sending you the online Health Care Provider Survey within the next 2 weeks. Your participation in this survey is important to the HRSA MCHB evaluation. This online survey will be available for 31 days, and will take you less than 10 minutes to complete.

If you have any questions, please contact [insert email address].

Kind regards,

The HRSA MCHB Evaluation Team
