

Survey:

OMB No.: 0925-0642

Expiration Date: 03-31-2023

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted on-line to complete this instrument so that we can improve the website.

Public reporting burden for this collection of information is estimated to average no more than 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

Updated: June 18, 2020

Which of the following best describes your position at NCI? (Check all that apply.)

- Pre-Baccalaureate Fellow
- Post-Baccalaureate Fellow
- Graduate Student
- Postdoctoral Fellow
- Visiting Fellow
- Research Fellow
- Clinical Fellow
- Other (please specify)

Next

Please indicate which NCI Division or Center you work for:

- Center for Cancer Research (CCR) (Bethesda)
- Center for Cancer Research (CCR) (Frederick)
- Division of Cancer Control and Population Sciences (DCCPS)
- Division of Cancer Epidemiology and Genetics (DCEG)
- Division of Cancer Prevention (DCP)
- Other (please specify)

What are the most valuable components of your trainee experience? Please indicate your top three choices.

- Identifying focus for future research
- Opportunity to publish
- Developing specialized expertise in a clinical area or research methods
- Receiving training to improve skills/develop new skills
- Opportunity for career development
- Engaging in mentored research
- Collaborating with NCI researchers
- Understanding the grants process
- Other (please specify)

What type of career do you plan to pursue?

- Academia
- Government
- Industry/For Profit
- Not for Profit
- I don't know yet
- Other (please specify)
