

Pre-EXPOSE Survey

Thank you for participating in the NCI Explore on Site (EXPOSE) program and our pre-program survey!

**OMB No. 0925-0642
Expiration Date: 03/31/2023**

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

Please reflect on your current skills and knowledge as you respond to the following questions. Later this summer after completing the EXPOSE program, you will be asked to assess changes in these skills and knowledge as a result of the program. Your responses will be kept private, to the extent provided by law, and will be reported in aggregate.

This survey should take less than 10 minutes to complete.
