

NINDS Strategic Plan 2021-2026: Training & Diversity Taskforce
Faculty Discussion Panel Meeting Registration

Topic: NINDS Strategic Planning Panel regarding Training and Diversity

Description: The National Institute of Neurological Disorders and Stroke (NINDS) discussion panel on the topic of Training and Diversity. The discussion will be moderated by Dr. Michelle Jones-London, the Director of the NINDS Office of Programs to Enhance Neuroscience Workforce Diversity, and Dr. Stephen Korn, the Director of the NINDS Office of Training and Workforce Development. This panel, together with several others, is being held to help inform the new NINDS Strategic Plan which is currently under development. Attendees will provide important input on approaches by which NINDS can enhance training, mentorship and diversity of the workforce. Information regarding the overall strategic planning process and the discussion panels can be found on our website: <https://www.ninds.nih.gov/About-NINDS/Strategic-Plans-Evaluations/Strategic-Plans/NINDS-Strategic-Planning>.

OMB#: 0925-0740 Exp Date: 07/2022

Public reporting burden for this collection of information is estimated to be 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 29892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Required fields are marked with an asterisk (*)
