Partnerships to Advance Cancer Health Equity (PACHE) Program Meeting

Registration Is Now Open!

On behalf of the National Cancer Institute (NCI) Center to Reduce Cancer Health Disparities (CRCHD), we are pleased to announce that registration for the **2020 Partnerships to Advance Cancer Health Equity (PACHE) Program Meeting** is open. The PACHE Meeting will be held on Wednesday, July 15, and Thursday, July 16, 2020, at the Bethesda North Marriott Hotel and Conference Center in Rockville, Maryland.

The theme for the Meeting is Developing Competitive and Sustainable Partnerships. During the Meeting, PACHE investigators, program managers and administrators, CRCHD staff, and invited speakers will discuss relevant topics that are important for the continued growth of the program. The Meeting will help support the immediate and long-term goals of the PACHE program and highlight ideas and strategies that will benefit each of the partnerships.

For additional information and to register for the upcoming Meeting, please [click here](#).

Here are a few deadlines to consider:

Abstract Submission: **Friday, May 1, 2020**

Registration: **Thursday, June 11, 2020**

Hotel Reservations: **Thursday, June 11, 2020**

Call for Abstracts

I. Scientific Abstract: Each partnership (U54 and P20) is required to submit a **Scientific Abstract** describing one (1) original research project. The Scientific Abstract should highlight novel scientific findings from trainees, career development awardees, and PACHE investigators. Topics may be from basic, translational, behavioral, population, and/or clinical research. Those with selected Scientific Abstracts will present a poster during the **Poster Session on July 15, 2020**. More than one abstract for a scientific poster may be submitted. Please [visit the website](#) for submission instructions.

II. Program Abstract: Each partnership (U54 and P20) is required to submit a Program Abstract, which will be printed in the program meeting book to be shared with all attendees for dissemination of information about the partnerships. These abstracts will not be presented as posters. The Program Abstracts will provide more information about the goals and objectives of each partnership. For instructions about **Program Abstracts**, please [click here](#).

If you require additional information about the logistics of the Meeting, please contact Michelle Murray of NOVA Research Company at 240-752-7237. You also may email your questions or comments to conferences@novaresearch.com.

We look forward to seeing you in July.
