

## CMS Response to Public Comments Received for CMS-3427

The Centers for Medicare and Medicaid Services (CMS) received a comment from a university. This is a reconciliation of the comment.

### **Comment:**

The Centers for Medicare and Medicaid Services (CMS) received a comment from a university that *“The way the process is handled between the physician’s office, pharmacy, and by CMS, can frequently delay patient’s prescriptions and approval for their diabetes supplies through Medicare and the process of regulating CMS forms between doctors, pharmacies and patient care can be frustrating.”*

### **Response:**

CMS thanks the commenter and appreciates the concerns expressed. However, this comment is unrelated to the process or information collection specific to the CMS form- 3427.
