

E. IMPORT OF WILD-COLLECTED APPENDIX-I PLANTS (CITES)

Complete all questions on the application on separate sheets of paper or electronic document. Mark questions that are not applicable with "N/A". On all attachments or separate sheets you submit, indicate the application question number that you are addressing. If applying for more than one species, answer questions 1-7 for **each** species requested for import in this application. For species that are protected by the U.S. Endangered Species Act, please use form 3-200-36 instead of this form since additional questions related to the Endangered Species Act must be addressed.

NOTE: Import of wild-collected specimens of Appendix-I plants cannot be for primarily commercial purposes, as outlined in [Resolution Conf. 5.10](#) (Rev. CoP15) on *Definition of 'primarily commercial purposes'*.

Electronic submission of inventories, photographs, and receipts/invoices: If you wish to provide information electronically, please include a flash drive containing this information with your physical application.

1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill. If unspecified, all documents will be mailed via regular mail through the U.S. Postal Service.

2. Who should we contact if we have questions about the application (name, phone number, and e-mail)?

3. Have you or any of the owners of the business (if applying as a business, corporation, or institution), been assessed a civil penalty or convicted of any criminal provision of any statute or regulation relating to the activity for which the application is filed; been convicted, or entered a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act; forfeited collateral; OR are currently under charges for any violation of the laws mentioned above?

___ No ___ Yes

If you answered "Yes" to Question 3, provide: a) the individual's name; b) date of charge; c) charge(s); d) location of incident; e) court, and f) action taken for each violation. Please be aware that a "Yes" response does not automatically disqualify you from getting a permit.

6. For each species provide:
 - a. number of specimens collected/harvested (since the number of specimens harvested may differ than the number actually imported, this number may be different than the quantity identified in question 4b above);
 - b. specific harvest location(s)(including land ownership);
 - c. who will/did collect/harvest the specimens (name, address, phone number, and applicable e-mail);
 - d. approximate density, such as number of plants per acre/hectare, and distribution of the species at the harvest location(s);
 - e. harvest methodology (e.g., whether specimens will be removed from one or several locations; and
 - f. ratio of the number of specimens collected to the number of plants remaining at the collection site.
7. Provide copies of any required foreign permits, licenses or other documents from the foreign country to export the requested specimens (e.g., collection permits, landowner permission, harvesting license).
8. Provide details on the intended use of the specimens (e.g., scientific research, cooperative propagation program) and documentation to support that use.
9. Describe your experience maintaining and/or cultivating this species and attach photographs and a complete description of the facilities where plants/specimens will be held within the United States.

10. If the purpose is for propagation for conservation purposes, describe how the species will be propagated, disposition of progeny, and cooperative agreements that are or will be established for re-introduction.

11. Provide a statement on the final disposition of the imported specimens. Note that wild specimens of Appendix I species cannot be imported for purposes that are primarily commercial.

12. Attach a description of the type, size and construction of shipping containers and the arrangements for care of any live specimens during transportation to the United States.

13. Provide copies of your current U.S. State nursery license, if applicable, United States Department of Agriculture Protected Plant Permit, and State permits related to this import of plants or plant products and subsequent propagation (if applicable).

NOTICES

PRIVACY ACT STATEMENT

Authority: The information requested is authorized by the following: the Bald and Golden Eagle Protection Act (16 U.S.C. 668), 50 CFR 22; the Endangered Species Act (16 U.S.C. 1531-1544), 50 CFR 17; the Migratory Bird Treaty Act (16 U.S.C. 703-712), 50 CFR 21; the Marine Mammal Protection Act (16 U.S.C. 1361, et seq.), 50 CFR 18; the Wild Bird Conservation Act (16 U.S.C. 4901-4916), 50 CFR 15; the Lacey Act: Injurious Wildlife (18 U.S.C. 42), 50 CFR 16; Convention on International Trade in Endangered Species of Wild Fauna and Flora (TIAS 8249), 50 CFR 23; General Provisions, 50 CFR 10; General Permit Procedures, 50 CFR 13; and Wildlife Provisions (Import/export/transport), 50 CFR 14.

Purpose: The collection of contact information is to verify the individual has an eligible permit to conduct activities which affect protected species. This helps FWS monitor and report on protected species and assess the impact of permitted activities on the conservation and management of species and their habitats.

Routine Uses: The collected information may be used to verify an applicant's eligibility for a permit to conduct activities with protected wildlife; to provide the public and the permittees with permit related information; to monitor activities under a permit; to analyze data and produce reports to monitor the use of protected wildlife; to assess the impact of permitted activities on the conservation and management of protected species and their habitats; and to evaluate the effectiveness of the permit programs. More information about routine uses can be found in the System of Records Notice, Permits System, FWS-21.

Disclosure: The information requested in this form is voluntary. However, submission of requested information is required to process applications for permits authorized under the listed authorities. Failure to provide the requested information may be sufficient cause for the U.S. Fish & Wildlife Service to deny the request.

PAPERWORK REDUCTION ACT STATEMENT

We are collecting this information subject to the Paperwork Reduction Act (44 U.S.C. 3501) in order provide the U.S. Fish and Wildlife Service the information necessary, under the applicable laws governing the requested activity, for which a permit is requested. Information requested in this form is purely voluntary. However, submission of requested information is required in order to process applications for permits authorized under the applicable laws. Failure to provide all requested information may be sufficient cause for the U.S. Fish and Wildlife Service to deny the request. According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. OMB has approved this collection of information and assigned Control No. 1018-0093.

ESTIMATED BURDEN STATEMENT

We estimate public reporting for this collection of information averages 45 minutes (electronically) to 1 hour (paper-based), including time for reviewing instructions, gathering and maintaining data and completing and reviewing the form. Direct comments regarding the burden estimate or any other aspect of the form to the Service Information Clearance Officer, Fish and Wildlife Service, U.S. Department of the Interior, 5275 Leesburg Pike, MS: PRB/PERMA (JAO), Falls Church, VA 22041-3803, or via email at Info_Coll@fws.gov. Please do not send your completed form to this address.
