

## E. EXPORT/RE-IMPORT/TRANSPORT of BALD and GOLDEN EAGLE FOR INDIAN RELIGIOUS PURPOSES (CITES)

This application is for a permit under the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) and the Bald and Golden Eagle Protection Act (BGEPA) for transport of bald eagle (*Haliaeetus leucocephalus*) or golden eagle (*Aquila chrysaetos*) parts from or to the United States for Indian religious purposes. BGEPA regulations provide that bald and golden eagle items may be temporarily transported out of the United States; the same items, unchanged, must be re-imported. A permit, if issued, allows for one-time travel to a specific location noted in the permit.

If you will be transporting any other species listed under CITES (e.g., river otter), or other species listed under the Migratory Bird Treaty Act (e.g., songbird, hawk), in addition to bald or golden eagle parts, you may include them in this application.

Complete all questions on the application. Mark questions that are not applicable with "N/A". If needed, use separate sheets of paper. On all attachments or separate sheets you submit, indicate the application question number you are addressing.

**NOTE: A CITES permit is only required if the feathers are leaving and re-entering the United States from a foreign nation that is not Mexico or Canada.**

1. Name and address where you wish the permit to be mailed, **if different from page 1**. If you would like expedited shipping, please enclose a self-addressed, pre-paid, computer-generated, courier service airway bill.
