The Justice Programs Office (JPO) at American University (AU), on behalf of the Bureau of Justice Assistance (BJA), is conducting its first Tribal Healing to Wellness Court Survey as part of the Annual Treatment Court Survey Series. The information you provide in this survey will contribute to a better understanding of Wellness Courts throughout the country.

### **Your Participation**

You will be asked a series of questions about your Wellness Court and your role in it. Questions address your court's structure, operation, and target and participant populations, as well as perceived successes and challenges. The survey takes approximately 45 minutes to complete, depending on the information available and responses you provide.

If you are part of multiple Wellness Courts, please complete the survey for only one court and then contact JPO at 202-885-1580 or send an email to [zfrancis@american.edu](mailto:zfrancis@american.edu).

### **Risks and Benefits**

Your participation is completely voluntary and poses little risk to you. Your responses will be separated from any identifying information, like your name, name of court, or name of tribe. Further, results will only be reported in aggregate for the entire group as a whole (e.g., 90% of Wellness Courts received federal funding).

For your participation, you will receive the final survey report. The survey report will be used to inform resources, best practices, and future funding for Wellness Courts. Therefore, your participation will be directly contributing to the learning and improvement of the Wellness Court field. Additionally, participants who complete the survey will be entered to win a raffle prize.

### **Contact Information**

If you have questions about the survey, please contact JPO at 202-885-1580, Dr. Julie Baldwin at [jbaldwin@american.edu](mailto:jbaldwin@american.edu), or Mr. Zephi Francis at [zfrancis@american.edu](mailto:zfrancis@american.edu). You may also contact the AU Research Compliance Manager at 202-885-3447.
