

## Federal Communications Commission

### Explanation of Non-Substantive Changes to OMB Control Number: 3060-1222:

---

**Purpose of this Submission:** This submission is being made for proposed non-substantive changes to an existing information collection pursuant to 44 U.S.C. § 3507. This submission seeks to correct two inadvertent errors.

#### Summary of Proposed Changes

- **Form 2301(a) Excel template, final page:** The first sentence of the last paragraph previously read: “We have estimated that each response to this collection of information will take 60 hours.” This sentence is corrected to read: “We have estimated that each response to this collection of information will take 80 hours.”
- **Instructions for Completing the Inmate Calling Services Annual Reporting Form (FCC Form 2301), page 9:** The first sentence of the last paragraph on page 9 previously read, “We have estimated that each response to this collection of information will take 5 hours.” This sentence is corrected to read, “We have estimated that each response to this collection of information will take 80 hours.”
- Neither error affected the Commission’s previous burden estimates or the reporting requirements in this collection. Also, there are no costs associated with this information collection.
