

and subject to competition.¹⁷ Nasdaq, as the Business Member, proposes this rule change to strengthen the competitive position of the FINRA/Nasdaq TRF with respect to retail trade reporting. Nasdaq believes its proposal will support increased competition in the market.

Nasdaq, as the Business Member, believes that the elimination of trade reporting fees for Retail Participants will be necessary for the FINRA/Nasdaq TRF to retain existing retail business and to compete for new such business, particularly in light of recent moves by large retail brokers to eliminate their own retail transaction fees and to reduce their operating costs accordingly. The competition, in turn, is free to modify its own fees and credits in response to this proposed rule change to maintain or increase its attractiveness to participants. Accordingly, Nasdaq believes that the risk that this proposed rule change will impose an undue burden on intermarket competition is extremely limited.

If market participants determine that the changes proposed herein are inadequate or unattractive, it is likely that the FINRA/Nasdaq TRF will lose market share as a result. Accordingly, the proposed rule change will not impair the ability of the other FINRA TRF to maintain its competitive standing.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁸ and paragraph (f)(2) of Rule 19b-4 thereunder.¹⁹ At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings

to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-88134; File No. SR-IEX-2020-02]

Self-Regulatory Organizations; Investors Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Fees Pursuant to Rule 15.110

February 6, 2020.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 (“Act”)² and Rule 19b-4 thereunder,³ notice is hereby given that, on February 4, 2020, the Investors Exchange LLC (“IEX” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II and III below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Pursuant to the provisions of Section 19(b)(1) under the Act,⁴ and Rule 19b-4 thereunder,⁵ IEX is filing with the Commission proposed changes to eliminate the IEX Enhanced Market Maker (“IEMM”) program set forth in IEX Rule 11.170 and make conforming changes to its Fee Schedule, pursuant to IEX Rule 15.110(a) and (c), to eliminate the IEMM fee discounts.

The text of the proposed rule change is available at the Exchange’s website at www.iextrading.com, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change

and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to eliminate the IEX Enhanced Market Maker (“IEMM”) program set forth in IEX Rule 11.170 and to make conforming changes to its Fee Schedule, pursuant to IEX Rule 15.110(a) and (c), to eliminate the IEMM fee discounts.

Background

IEX launched the IEMM program on February 1, 2018.⁶ The IEMM program provides a fee discount to incentivize Members⁷ to quote at and/or near the NBBO⁸ in IEX Listed Securities⁹ for a significant portion of the day. As specified in IEX Rule 11.170, a Member registered as an IEX Market Maker pursuant to Rule 11.150 in all securities listed on IEX¹⁰ may be designated as an IEMM by meeting the monthly quoting criteria for the Inside Tier, the Depth Tier, or both.¹¹ Members designated as IEMMs qualify for a lower per-share rate charged for both displayed and non-displayed executions subject to either the Reduced or Standard Match Fees on the Exchange in securities priced at or above \$1.00, as set forth in IEX Rule 11.170(a)(3) and the IEX Fee Schedule.

There are no longer any IEX Listed Securities, and it is thus not possible for any Member to qualify for designation as an IEMM and the applicable

transaction fee discount.¹² Therefore, the Exchange is proposing to eliminate the IEMM program and delete IEX Rule 11.170 (designating it as “Reserved”) and remove all references to the IEMM fee discounts from the IEX Fee Schedule. IEX believes this proposed rule change will eliminate any possible confusion about whether Members can qualify for the IEMM discounts.

2. Statutory Basis

IEX believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act¹³ in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,¹⁴ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees and other charges among its Members and other persons using the Exchange’s facilities; and to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system.

The Exchange believes that the proposed rule change is consistent with these principles because it will remove obsolete rule text and fee provisions, thereby avoiding any potential confusion among Members. As noted in the Purpose section, there are no longer any IEX Listed Securities, and it is thus not possible for any Member to qualify for designation as an IEMM and the applicable transaction fee discount. The Exchange further believes that the proposed rule change is reasonable, equitable, and not unfairly discriminatory because the changes will apply equally to all Members.

B. Self-Regulatory Organization’s Statement on Burden on Competition

IEX does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues but simply to remove obsolete rule text and fee provisions to avoid any potential confusion among Members.

¹² IEX announced its listing business exit on September 23, 2019, which was effective on October 7, 2019. See IEX Trading Alert #2019-029 available at: <https://iextrading.com/alerts/#/85>.
