ARTICLE 1 – PURPOSE

The purpose of this Grant is to provide the National Institute for Animal Agriculture with support for disseminating cattle, sheep, swine, equine and avian program information to industry groups nationwide; and engaging in public educational activities to keep industry groups nationwide informed about control/eradication programs and implementing control/eradication plans for the National Disease Eradication Program and the National Scrapie Education Initiative.

ARTICLE 2 - AUTHORITIES

Under the Farm Security and Rural Investment Act of 2002, PL 107-171, Subtitle E, Animal Health Protection, Section 10401-10418, the Secretary of Agriculture, in order to protect the agriculture, environment, economy, and health and welfare of the people of the United States by preventing, detecting, controlling, and eradicating diseases and pests of animals, is authorized to cooperate with foreign countries, States, and other jurisdictions, or other persons, to prevent and eliminate burdens on interstate commerce and foreign commerce, and to regulate effectively interstate commerce and foreign commerce.

ARTICLE 3 – MUTUAL UNDERSTANDINGS AND RESPONSIBILITIES

The cooperating parties agree to/that:

a. A mutually satisfactory annual **Work Plan** and **Financial Plan** developed by the **Cooperator** and APHIS are incorporated into this **Agreement** by reference. If APHIS initially awards a reduced level of funding during a Continuing Resolution (CR), there will be a corresponding decrease in the projected accomplishments for the funding period. Upon extension of the CR or passage of an appropriation by Congress, revisions will be executed to increase the federal share, based on available funds, not to exceed the level reflected in the annual Financial Plan.

b. The provisions of this **Agreement** will not replace functions that are being conducted by the **Cooperator** but will supplement those activities and increase program benefits to all parties.

c. The employee(s) responsible for this work will be under the general program direction of the **Cooperator and APHIS**. Supervision of personnel will be provided by their employing organization, and they will be subject to their employing organizations rules and regulations.

ARTICLE 4 – GRANTEE RESPONSIBILITIES

The **Cooperator** understands and agrees to/that:

a. Designate in writing to APHIS the **Grantee's** authorized representative who shall be responsible for collaboratively administering the activities conducted under this **Agreement**.

b. Furnish personnel, as required, to accomplish the activities outlined in the **Work Plan and Financial Plan**.

c. Submit to APHIS' authorized representative properly certified **quarterly** accomplishment reports on activities outlined in the **Work Plan and Financial Plan**. The reports will be used by APHIS to verify compliance with provisions of this **Agreement**. Interim quarterly reports are due **no later than 30 days** after the end of each quarter and the final report is due **no later than 90 days** after the **Agreement** expires or terminates. For a program starting more than 45 days into a quarter, the first report will be due at the end of the next quarter. Any requests for an extension of time to submit the reports must be justified and made in writing to APHIS' authorized representative before expiration of the initial 30 or 90 day period allowed for submitting the report. Extensions of time to submit the reports are subject to the discretion of APHIS' authorized representative and, if allowed, shall be provided by the authorized representative in writing. When an agreement includes multiple projects covered by multiple **Work Plans and Financial Plans**, each project must be reported separately.

d. Submit to APHIS' authorized representative properly certified **quarterly** Federal Financial Reports (FFR), **no later than 30 days** after the end of each quarter and a final FFR **no later than 90 days** after the **Agreement** expires or terminates. For a program starting more than 45 days into a quarter, the first report will be due at the end of the next quarter. Any requests for an extension of time to submit the FFR must be justified and made in writing to APHIS' authorized representative before expiration of the initial 30 or 90 day period allowed for submitting the report. Extensions of time to submit the FFR are subject to the discretion of APHIS' authorized representative and, if allowed, shall be provided by the authorized representative in writing. When an agreement includes multiple projects covered by multiple **Work Plans and Financial Plans**, each project must be reported on a separate FFR. **Further, all federal funds reflected as unobligated on the final FFR will no longer be available for obligation by the Cooperator.**

e. Treat any program income derived under this **Agreement** using the Deduction Alternative in accordance with the provisions of 7 CFR 3019.24(b)(3) which provides for a decrease in the financial contributions of each cooperating party to this project.

f. Submit to APHIS a properly certified Request for Advance or Reimbursement, SF-270, when requesting payment for expenditures. A payment request may be submitted quarterly or more frequently; however, advance of funds will be made by APHIS in increments as indicated under 11.j of the SF-270 to cover monthly disbursement needs.

g. Obtain a Dun and Bradstreet (D&B) Data Universal Numbering System (DUNS) number by calling D&B at (800) 333-0505 (most expeditious) or visiting their website at <http://www.dnb.com/us>. This

requirement does not apply to individuals applying for assistance, unless it supports a business or non-profit organization they operate. Upon obtaining the DUNS number, the Grantee further agrees to register in the Central Contractor Registry (CCR) by visiting their website at <http://www.ccr.gov> (most expeditious) or calling 888-227-2423. The Grantee also agrees to update the CCR information as necessary and to **renew the registration annually prior to its expiration date**. This registration will provide a means to receive electronic funds transfers of all payments requested on the SF-270. Grantees without accounts at financial institutions can request waivers due to hardship because of physical or geographical barrier.

h. APHIS may withhold payments called for in Article 5.b under the conditions outlined in 7 CFR 3019.22(h).

i. Comply with 7 CFR 3017, Subpart C to ensure that any subrecipients that carry out the provisions of this Agreement are not debarred or suspended. Subrecipients are required to disclose if they, or any of their principals, are presently excluded or disqualified.

Such certifications and disclosures apply to the Cooperator and any subgrants and subcontracts exceeding \$100,000.

l. When connected to the USDA, APHIS network, comply with the security guidelines as outlined in the USDA Cyber Security Manual Series 3500; including USDA Departmental Manual (DM) 3515, "Privacy Requirements", and USDA DM 3525, "USDA Internet Use and E-Mail Security". The Cooperator will not download any material (i.e., pictures, movies, or music files) bearing a copyright nor access any material defined as inappropriate in these regulations and directives. The Cooperator agrees that any of its personnel that are given access to the APHIS network, any systems on the APHIS network, or any personnel using APHIS owned computer equipment will take any APHIS required security and privacy training.

m. Work with the APHIS to ensure compliance with National Institute of Standards and Technology (NIST) system requirements and APHIS' Certification and Accreditation (C&A) standards. Specifically, the Cooperator will comply with NIST SP 800 – 37, "Guide for the Security Certification and Accreditation of Federal Information Systems"; NIST SP 800 – 53, "Recommended Security Controls for Federal Information Systems"; APHIS C&A Manual including APHIS C&A Templates; and any other relevant NIST and APHIS guides. Refer to the NIST website at <http://csrc.nist.gov/publications/nistpubs/index.html> to obtain copies of the NIST C&A publications.

n. When transmit frequency determining devices (transmitters) are owned by the Federal Government, the Federal Government will have responsibility for frequency support (frequency authorizations for fixed locations). If Grantee-owned devices are provided, it will be the Grantee's responsibility to obtain frequency support by application to the Federal Communications Commission for use of government frequencies, or to obtain non government frequencies. All radio equipment will be maintained to original factory technical specifications. Mobile radio equipment removed from service will be kept at a central location with notification made to the designated Federal official. Notification of any changes, relocation, or removal of base stations or repeater stations in the system will be made to the APHIS Radio Communications Manager at Lakewood, Colorado, who will be available for technical guidance and, if needed, make periodic trips to monitor the system.

o. Maintain an inventory control system of property purchased by the **Grantee** in whole or in part with Federal funds as required in the Section entitled "Equipment" of 7 CFR 3019.34. Cooperators shall conduct a physical inventory at least every two years and make available, as requested, the required records for review by APHIS. A copy of the reconciled final inventory report will be provided to APHIS as stated in Article 10 of this Agreement.

p. Provide an annual inventory report of any Federally-owned or Federally-leased equipment on loan to the Cooperator.

q. When the Federal share of total project costs as reflected in the **Financial Plan** is over \$100,000 and a cumulative transfer among direct cost categories is in excess of ten percent of the current approved total budget, the **Grantee** will request written prior approval for the budget revision. The **Grantee** will submit a revised SF-424A, Budget Information, and detailed **Financial Plan** under a cover letter to the APHIS awarding official containing a narrative justification for the proposed revision. Transfers of funds among programs, functions, or activities as indicated in Section B of the SF-424A is prohibited.

r. Comply with the requirements for coordination, development, and use of geospatial data as mandated in OMB Circular A-16, "Coordination of Geographic Information and Related Spatial Data Activities".

t. Pursuant to 31 USC 3706 and 7 CFR, Part 3, Subpart B, any funds paid to a cooperator in excess of the amount to which the cooperator is finally determined to be entitled under the terms and conditions of the award constitute a debt to the Federal Government. If not paid within a reasonable period after the demand for payment, the Federal awarding agency may reduce the debt by:

- (1) Making an administrative offset against other requests for reimbursements.
- (2) Withhold advance payments otherwise due to the Cooperator
- (3) Taking other action permitted by statute.

Except as otherwise provided by law, the Federal awarding agency shall charge interest on an overdue debt in accordance with 4 CFR, Chapter II "Federal Claims Collection Standards" and 31 USC, Chapter 37.

u. Any information furnished to APHIS under this Agreement is subject to the Freedom of Information Act (5 USC 552).

v. As a condition of this grant or cooperative agreement, the recipient assures and certifies that it is in compliance with and will comply in the course of the agreement with all applicable laws, regulations, Executive Orders and other generally applicable requirements, including those set out in 7 CFR 3015.205(b), which hereby are incorporated in this agreement by reference, and such other statutory provisions as are specifically set forth herein.

Actual costs incurred for unemployment insurance or equitable contributions made to a self-insured unemployment fund are allowable. APHIS does not allow payment of costs incurred for unemployment claims.

ARTICLE 7 – CONGRESSIONAL RESTRICTION

Under 41 USC 22, no member of or delegate to Congress shall be admitted to any share or part of this Agreement or to any benefit to arise therefrom.

ARTICLE 8 – APPLICABLE REGULATIONS

As a condition of this award, the Grantee agrees to comply and require subrecipients to comply with the requirements contained in the United States Department of Agriculture's "Uniform Federal Assistance Regulations", 7 CFR 3015; "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments", 7 CFR 3016; and/or "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations", 7 CFR 3019; in addition to "Governmentwide Debarment and Suspension (Non-Procurement)", 7 CFR 3017; "Governmentwide Requirements for Drug-Free Workplace", 7 CFR 3021; "New Restrictions on Lobbying", 7 CFR 3018; and Office of Management and Budget regulations governing "Controlling Paperwork Burdens on the Public", 5 CFR 1320.

ARTICLE 9 – TITLE TO EQUIPMENT

APHIS reserves the right to transfer title to any equipment purchased partially or fully by the **Grantee** under this **Agreement** with Federal funds within 120 days after receipt of the final inventory which is due 90 days after the end of the Federal support of the project for which it was acquired. Upon transfer of title, the **Cooperator** will be entitled to compensation equal to its percentage of participation in the purchase of the equipment in the year purchased, applied to the fair market value in the year title is transferred.

ARTICLE 10 – PATENTS AND INVENTIONS

The **Grantee** has the explicit duty of notifying APHIS' authorized representative, in writing, prior to the time of application for any patent or invention which is paid for in any manner or any percentage of funds provided by APHIS. This duty is not limited to the period during the **Agreement**, but may arise at any time during or subsequent to the **Agreement**. APHIS reserves to itself a royalty-free, nonexclusive, and irrevocable right to use and authorize others to use the product or invention produced under this **Agreement** for Government purposes. APHIS also retains the ability to force utilization of the patented invention by designating licenses in any field of use where the patentee has failed to act with reasonable diligence.

Any royalties or equivalent income earned during the effective period of this **Agreement** on copyrighted material derived under this **Agreement** shall be considered program income and treated under the provisions of 7 CFR 3019.24(b)(3) as applicable.

ARTICLE 12 – PUBLICATIONS AND AUDIOVISUALS

The final draft of any funded publication or audiovisual must be submitted by the **Grantee** to APHIS' authorized representative prior to final printing, editing or release of the product so that APHIS can make a determination as to whether APHIS' participation in the project will be acknowledged. APHIS, furthermore, may require that the **Grantee** modify or purge any acknowledgment of its support for activities conducted under this **Agreement** as a result of its review of a final draft. If APHIS has not responded within 30 days of receipt of the draft, the **Grantee** will be free to proceed with publication without an acknowledgment. In the event that APHIS elects not to acknowledge the product, the **Grantee** agrees not to attribute sponsorship by APHIS by any means including, but not limited to, publications, interviews, new releases, etc.

When an acknowledgment is desired by APHIS, unless otherwise instructed by APHIS, the statement shall read: "This material was made possible, in part, by a **Grante Agreement** from the United States Department of Agriculture's Animal and Plant Health Inspection Service (APHIS). It may not necessarily express APHIS' views."

Additionally, any other acknowledgment, including use of the APHIS Logo, by the **Grantee** of APHIS support shall have the express written permission of APHIS signatory to this Agreement, which shall be requested through the APHIS representative designated under this Agreement.

ARTICLE 13 – BUY AMERICAN ACT

In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds made available under the Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act for the current Federal fiscal year, it is the sense of the Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products.

The SF-424 must be accompanied by a justification explaining the reason for program delays, the program impact without the extension, and the anticipated completion date. During the extension period, financial and progress reports will continue with the same frequency as provided in the original funding period. As stated in 7 CFR 3019.25, requests for extension purely to obligate funds will be denied by APHIS. All extensions must be approved, in writing, by APHIS prior to the expiration of the original funding period.
