**AGENCY:** Defense Acquisition University, DoD.

**ACTION:** Notice of a Modified System of Records.

**SUMMARY:** The Office of the Secretary of Defense proposes to modify a system of records entitled “Defense Acquisition University Student Files, “DSMC 02”. DEPARTMENT OF DEFENSE  
Office of the Secretary of Defense  
Narrative Statement on a Modified System of Records  
Under the Privacy Act of 1974

1. System and number: Defense Acquisition University Student Files, DSMC 02.

2. Nature of proposed modifications for the system: The DSM supports institutional acquisition training missions for the Department of Defense, in accordance with 10 U.S.C. 133, Under Secretary of Defense for Acquisition and Sustainment; and DoD Directive 5000.57, Defense Acquisition University. The DSM provides administrative and academic capabilities and functions related to student registrations, account requests, courses attempted, and completed, and graduation notifications to DoD training systems. The DSM includes multiple environments associated with the Defense Acquisition University (DAU) Learning Management Systems (LMSs). Respondents are university applicants and instructors who willingly provide personal information to take courses administered by the DAU or access DAU training, knowledge sharing and collaboration systems. This alteration is combining three systems of records notices, DSMC 02, Defense Acquisition Student Files, DAU 07, Acquisition Community Connection (ACC) Member Records, and DAU 08, Defense Acquisition University Student Information System (SIS).

3. Authority for the maintenance of the system: 10 U.S.C. 133, Under Secretary of Defense for Acquisition and Sustainment; DoD Instruction 5000.57, Defense Acquisition University (DAU); and E.O. 9397 (SSN), as amended.

4.
