3. I certify that the NSP participant is required to work _____ hours per week of clinical practice in this job.
4. I certify that the NSP participant will begin employment as an RN in this job at the following type of health care facility _
(check): Facility Type and Profit Status

Please select facility type from table below: Profit Status: ___ For Profit ___ Non Profit

<input type="checkbox"/> Ambulatory Surgical Center – An entity in a State that provides surgical services to individuals on an outpatient basis and is not owned or operated by a hospital.	<input type="checkbox"/> Critical Access Hospital (CAH) – A facility that is (a) located in a State that has established with the Centers for Medicare and Medicaid Services (CMS) a Medicare rural hospital flexibility program, (b) designated by the State as a CAH, (c) certified by the CMS as a CAH, and (d) in compliance with all applicable CAH conditions of participation.
<input type="checkbox"/> Certified Community Behavioral Health Clinic (CCBHC) - A clinic that is certified as a CCBHC by a State in accordance with criteria published by the HHS Secretary and with the requirements of the Protecting Access to Medicare Act of 2014. The criteria include requirements for staffing, availability and accessibility of services, care coordination, scope of services, quality and other reporting, and organizational authority. Certified Community Mental Health Centers (CMHCs) would also fall under this category. A CMHC is an entity that meets applicable licensing or certification requirements for CMHCs in the State in which it is located and provides (1) outpatient services, including specialized outpatient services for children, the elderly, individuals who are chronically mentally ill, and residents of its mental health service area who have been discharged from inpatient treatment at a mental health facility; (2) 24- hour-a-day emergency care services; (3) day treatment, or other partial hospitalization services, or psychosocial rehabilitation services; and (4) screening for patients being considered for admission to State mental health facilities to determine the appropriateness of such admission.	<input type="checkbox"/> Disproportionate Share Hospital (DSH) – A hospital that: 1) has a disproportionately large share of low-income patients; and 2) receives (a) an augmented payment from the State under Medicaid; or (b) a payment adjustment from Medicare. Hospital-based outpatient services are included under this definition.

<input type="checkbox"/> End Stage Renal Disease (ESRD) Dialysis Centers - An ESRD facility is an entity that provides outpatient maintenance dialysis services, or home dialysis training and support services, or both. ESRD facilities are classified in Section 1881 of the Social Security Act and codified in 42 CFR 413.174 as being either hospital-based or independent facilities.	<input type="checkbox"/> Federally Qualified Health Center (FQHC) – FQHCs include (1) nonprofit entities that receive a grant, or funding from a grant, under section 330 of the Public Health Service Act to provide primary health services and other related services to a population that is medically underserved; (2) FQHC “Look-Alikes” which are nonprofit entities that are certified by the Secretary as meeting the requirements for receiving a grant under section 330 of the Public Health Service Act but are not grantees; and (3) outpatient health programs or facilities operated by a tribe or tribal organization under the Indian Self-
<input type="checkbox"/> Free and Charitable Clinics - Free and Charitable Clinics are safety-net health care organizations that utilize a volunteer/staff model to provide a range of medical, dental, pharmacy, vision and/or behavioral health services to economically disadvantaged individuals. These clinics are 501(c)(3) tax-exempt organizations, or operate as a program component or affiliate of a 501(c)(3) organization.	Determination Act or by an urban Indian organization receiving funds under Title V of the Indian Health Care Improvement Act. FQHCs include Community Health Centers, Migrant Health Centers, Health Care for the Homeless Health Centers, and Public Housing Primary Care Health Centers.
<input type="checkbox"/> Home Health Agency – An organization certified under section 1861(o) of the Social Security Act that is primarily engaged in providing skilled nursing care and other therapeutic services.	<input type="checkbox"/> Hospice Program – An organization certified under section 1861(dd)(2) of the Social Security Act that provides 24-hour care and treatment services (as needed) to terminally ill individuals and bereavement counseling for their immediate family members. This care is provided in individuals’ homes, on an outpatient basis, and on a short-term inpatient basis, directly or under arrangements made by the agency or organization.
<input type="checkbox"/> Indian Health Service Health Center – A health care facility (whether operated directly by the Indian Health Service or operated by a tribe or tribal organization contractor or grantee under the Indian Self-Determination Act, as described in 42 Code of Federal Regulations (CFR) Part 136, Subparts C and H, or by an urban Indian organization receiving funds under Title V of the Indian Health Care Improvement Act) that is physically separated from a hospital, and which provides clinical treatment services on an outpatient basis to persons of Indian or Alaskan Native descent as described in 42 CFR Section 136.12.	<input type="checkbox"/> Native Hawaiian Health Center – An entity (a) which is organized under the laws of the State of Hawaii; (b) which provides or arranges for health care services through practitioners licensed by the State of Hawaii where licensure requirements are applicable; (c) which is a public or nonprofit private entity; and (d) in which Native Hawaiian health practitioners significantly participate in the planning, management, monitoring, and evaluation of health services. See the Native Hawaiian Health Care Act of 1988 (Public Law 100-579), as amended by Public Law 102-396.
<input type="checkbox"/> Nurse Managed Health Clinic/Center - An entity, as defined in 42 U.S.C. §254c-1a(a)(2), that utilizes a nurse-practice arrangement, managed by advanced practice nurses, that provides primary care or wellness services to underserved or vulnerable populations and that is associated with a school, college, university or department of nursing, federally qualified health center, or independent nonprofit health or social services agency.	<input type="checkbox"/> Urgent Care Center – Urgent care centers provide acute episodic care on a walk-in basis to assist patients with an illness or injury that does not appear to be limb or life-threatening and is either beyond the scope or availability of the typical primary care practice.
<input type="checkbox"/> Public Hospital – Any hospital that is owned by a government (Federal, state, or local), receives government funding, and is primarily engaged in providing the following care, by or under the supervision of physicians, to inpatients: (a) diagnostic and therapeutic services for medical diagnosis, treatment, and care of injured, disabled, or sick persons; or (b) rehabilitation of injured, disabled, or sick persons. U.S. Department of Veterans Affairs hospitals are also included under this definition. State psychiatric hospitals must use facility HPSAs to determine site eligibility - population and geographic HPSAs cannot be used.	<input type="checkbox"/> Private Hospital .- A hospital in a State that is a private nonprofit entity and is primarily engaged in providing the following care, by or under the supervision of physicians, to inpatients: (a) diagnostic and therapeutic services for medical diagnosis, treatment, and care of injured, disabled, or sick persons, or (b) rehabilitation of injured, disabled, or sick persons.
<input type="checkbox"/> Residential Nursing Home - An institution that is primarily engaged in providing, on a regular basis, health related care and service to individuals who because of their mental or physical condition require care and service (above the level of room and board) that can be made available to them only through institutional facilities. This category includes a “skilled nursing facility,” which is an institution (or distinct part of an institution), certified under section 1819(a) of the Social Security Act, that is primarily engaged in providing skill nursing care and related services to residents requiring medical, rehabilitation, or nursing care and is not primarily for the care and treatment of mental diseases; transitional facilities; assisted living; and group homes.	<input type="checkbox"/> Rural Health Clinic – An entity that the Centers for Medicare and Medicaid Services has certified as a rural health clinic under section 1861(aa)(2) of the Social Security Act. A rural health clinic provides outpatient services to a non-urban area with an insufficient number of health care practitioners.
<input type="checkbox"/> State or Local Public Health or Human Services Department – The State, county, parish or district entity in a State that is responsible for providing population focused health services which include health promotion, disease prevention and intervention services provided in clinics or other health care facilities that are operated by the Department.
