

Attachment 5b. Performance Measures Reporting Tool (screenshots)

The screenshot shows the home page of the Asthma Community Health Branch Performance Measures Portal. The browser address bar shows the URL: https://cdcpartners.sharepoint.com/sites/NCEH/NCEH/DEHSP/ACHBPMP/SitePages/Performance%20Measures.aspx. The page features the CDC and ATSDR logos, a search bar, and a navigation menu with 'Home' selected. A large green banner at the top reads 'Asthma Community Health Branch Performance Measures Portal'. Below the banner is a tab labeled 'Asthma' and a table with the following headers: 'Grantee', 'Reporting Period', 'Status', and 'Grant'. The table is currently empty. Below the table, there is a section titled 'Need assistance?' with the text 'Click the relevant button below to send an email with your question.' and three buttons: 'Click here for Climate NOFO Help' (green), 'Click here for NGO NOFO Help' (blue), and 'Click here for Asthma NOFO Help' (dark blue).

The screenshot shows the 'AsthmaForm.aspx?formID=128' page. The browser address bar shows the URL: https://cdcpartners.sharepoint.com/sites/NCEH/NCEH/DEHSP/ACHBPMP/SitePages/AsthmaForm.aspx?formID=128. The page features the CDC and ATSDR logos, a search bar, and a navigation menu. A large green banner at the top reads 'Asthma Community Health Branch Performance Measures Portal'. Below the banner is a form titled 'Asthma Performance Measures'. The form includes the following fields: 'Organization Name' (Asthma Test), 'Announcement Number' (EH19-1902), 'Reporting Period' (Year 1 (9/1/2020 - 8/31/2021)), and 'Status' (In Progress). In the top right corner, it says 'Form Approved OMB No. 0920-0853 Exp. Date 05/31/2020'. Below the form, there is a list of performance measures with expandable sections: '+ Comprehensive Service Expansion in High Burden Areas', '+ Analysis and Use of Core Data Sets', '+ Use of Evaluation Findings', '+ Linking Activities and Outcomes', '+ Quality of Guidelines-Based Care', and '+ AS-ME Completion Rates and Improvement in Asthma Control among AS-ME Completers'.

CDC estimates the average public reporting burden for this collection of information as 150 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0853).
