Product ordering

Public reporting burden of this collection of information is estimated to average 3 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; Attn: OMB-PRA (0920-New)

Order Survey

Consent form

You have requested to order health items from the study you are participating in. All the items you order will be mailed to you free of charge to an address of your preference. Additionally, we will request a contact number and an email address so that we can contact you regarding your order status as well as lab results. It is important to remember that if you order an at-home STI CareKit, study staff will attempt to contact you regarding your results using the contact information you provide in the order form.

If you have any questions, please contact the CareKit Team at Carekit@emory.edu or 404-435-4513. You can also contact the study coordinator at iSTAMP@emory.edu or 404-727-4340.

Ordering items is entirely your choice. You have a right to stop the process at any time.

If you agree to the above information and would like to proceed with ordering health items, please click the "I Agree" box below.
