

IT Modernization: Earnings User Information

The Social Security Administration is looking to modernize SSA's wage reporting process and improve the user experience for people who file W-2s on behalf of a business or other organization. Would you be willing to be interviewed by SSA staff as a W-2 filer? Our goal is to ensure that we learn about your experiences with wage reporting and to improve the process for you in the future.

If you are interested in speaking with us for a 60-minute interview, please complete the screening questions below and we will contact you to set up an interview today or at your earliest convenience. We appreciate your interest in improving the W-2 filing process.
