Dear [Participant Name],

Thank you for agreeing to participate in the Evaluation of Employment Coaching for TANF and Related Populations! When you signed up to be a part of the study in [MONTH] [YEAR] through [PROGRAM], you learned that we would contact you to take part in a follow-up survey. We are writing to invite you to participate in this survey now. This study is being conducted by researchers at Mathematica Policy Research and Abt Associates for the U.S. Department of Health and Human Services. By choosing to be a part of this study, you will help us learn how to provide better services to people like you.

When you complete the survey, you will be asked about topics such as the services you received, your employment, and your earnings. You can skip any questions you do not want to answer, but we hope that you will answer as many questions as possible. We will protect your answers and privacy to the fullest extent under the law. To help us protect your privacy, we have obtained a Certificate of Confidentiality from the National Institutes of Health.

If you complete the survey you will receive a gift card worth \$50 as a thank you for your participation. The gift card can be used anywhere that accepts credit or debit cards.

To learn how to complete the survey online, please see the insert included with this letter. The survey is meant for only you to complete, so please keep your log-in information somewhere safe.

If you have any questions, or would like to complete the survey over the phone, please call us toll-free at [TOLL-FREE NUMBER]. When you call, please ask for Casey Thomas, a survey representative at Mathematica. You can also send us an e-mail at [E-MAIL ADDRESS]. Thanks again for agreeing to be a part of the study. We look forward to hearing from you soon!

Sincerely,

Shawn E. Marsh
Survey Director

Dear [Participant Name],

We recently contacted you about the Evaluation of Employment Coaching for TANF and Related Populations, a study you joined in [MONTH] [YEAR] through [PROGRAM]. This is an important study and we'd like to take a moment to explain it to you in more detail.

- The study is being conducted by researchers at Mathematica Policy Research and Abt Associates for the U.S. Department of Health and Human Services.
- The purpose of the study is to learn whether services such as employment coaching help the people they serve.
- If you complete the survey you will receive a gift card worth \$50 as a thank you for your participation. The gift card can be used anywhere that accepts credit or debit cards.
- The survey will take about **45 minutes**. We will protect your answers and privacy to the fullest extent under the law. We won't use your name or any other identifying information when we report the results of our study.
- Even if you are not participating in coaching now or never did, you are a very important part of the study. We want to know how you're doing so we can learn how to improve services and programs for people like you.

This is your chance to make a difference. We cannot replace you! Please call us at [TOLL-FREE NUMBER] and ask for Casey Thomas, a survey representative at Mathematica. We can be reached seven days a week, during daytime and evening hours.

If you have any other questions, we'd be happy to talk with you about them. Just give us a call at [TOLL-FREE NUMBER]. We look forward to hearing from you!

Sincerely,

Dear [Participant Name],

Thank you for agreeing to participate in the study of MyGoals for Employment Success (MyGoals). When you signed up to be a part of the MyGoals study and went through the random assignment process in [MONTH] [YEAR], you learned that you may be contacted to take part in a follow-up survey. We are writing to invite you to participate in this survey now.

Researchers at MDRC and Mathematica Policy Research are working together to learn more about the effectiveness of employment programs. Mathematica is conducting the follow-up survey. By choosing to be a part of this survey, you will help us learn how to provide better services to people looking for employment.

To learn how to complete the survey online, please see the insert included with this letter. The survey is meant for only you to complete, so please keep your log-in information somewhere safe.

If you complete the survey within four weeks of the date of this letter, you will receive a gift card worth \$35 as a thank you for your participation. If you complete the survey after that time, you will receive a gift card worth \$25. The gift card can be used anywhere that accepts credit or debit cards.

When you complete the survey, you will be asked about topics such as the services you received, challenges to finding and keeping a job, your employment, and your earnings. You can skip any questions you do not want to answer, but we hope that you will answer as many questions as possible. MDRC and Mathematica will protect your answers and privacy to the fullest extent under the law.

To help us protect your privacy, we have obtained a Certificate of Confidentiality from the National Institutes of Health:

- With this Certificate, the researchers cannot be forced to disclose information that may identify you, even by a court subpoena, in any federal, state, or local civil, criminal, administrative, legislative, or other proceedings.
- The researchers will use the Certificate to resist any demands for information that would identify you.
- The Certificate of Confidentiality does not prevent us from disclosing information that would identify you as a participant in the research project if you tell us anything that suggests you could harm yourself, or hurt another person or child, or that someone is likely to harm you.
