

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 1545-2256)

TITLE OF INFORMATION COLLECTION: Encouraging Balance Repayment

PURPOSE: Learn about the balance-related perceptions, attitudes, and behaviors of taxpayers that may affect balance repayment methods, timing, and methods of communication with IRS on balance-related matters—with the goal of helping IRS understand how best to motivate taxpayers to pay their overdue balances in a timely, efficient, and cost-effective manner.

This research is in support of content and design for the IRS Online Payment Agreement application and online account application.

The study will be conducted as up to 50 remote (phone/computer audio), one-on-one moderated interviews, lasting approximately one hour each. Participation is voluntary and anonymous, and no personally identifiable information will be collected.

DESCRIPTION OF RESPONDENTS: Individual taxpayers who have received a notice of a balance due, within the past three years. People who have already participated in an IRS research study are not eligible.
