DEPARTMENT OF HOMELAND SECURITY FEDERAL EMERGENCY MANAGEMENT AGENCY NATIONAL FIRE ACADEMY

Executive Fire Officer Program Application for Admission

Dear Applicant:

The National Fire Academy's Executive Fire Officer Program is an intensive and demanding two-year cohort program that requires a commitment of both time and energy. The program includes two on-campus resident sessions. Each year of the program includes intersession work done through our mediated learning platform. In addition, a comprehensive applied research paper must also be developed while enrolled in the program.

Due to the limited number of available spaces within the program for each fiscal year, your application will become part of a competitive selection process whereby our admissions committee will select the most qualified applicants for the program. Attention to detail is important. Incomplete application packages will not be advanced or reviewed for consideration.

The information provided on the FEMA Form 119-25-5, along with information provided on the FEMA Form 119-25-1, will be the basis for selection. Both application forms, 119-25-5 and 119-25-1, must be received no later than close of business on May 15, xxxx. Applications received after this date will not be considered for the selection process.

We look forward to receiving your application.

Sincerely,

Tonya Hoover Superintendent

National Fire Academy
