

YELLOW RIBBON PROGRAM AGREEMENT

VA FORM 22-0839, OMB CONTROL 2900-0718

REVISION

NON-SUBSTANTIVE CHANGE

Purpose: The revisions made to this form are required to clarify the following:

Any non-VA financial support funding or partially funding students tuition and fees (such as merit based or other scholarships) or any school funding for a student unrelated to Yellow Ribbon Matching Contribution Agreement funds, may not be used for the purpose of reducing the Veteran or eligible individual's remaining Tuition and Fees costs, BEFORE the determination of yellow ribbon contributions.

Reference to, and explanation of, school participation in the Principles of Excellence Program is hereinafter removed from this form.

This action is considered a non-substantive change to the form, as it is not expected to increase current burden to complete. (In fact, removal of the Principles of Excellence page may decrease it.)
