SUPPLEMENTARY INFORMATION:

OMB Number: 3133-0094.

Title: Suspicious Activity Report, 12 CFR part 748.1.

Form: None.

Type of Review: Extension of a currently approved collection.

Abstract: The Financial Crimes Enforcement Network (FinCEN), Department of the Treasury, was granted broad authority to require suspicious transaction reporting under the Bank Secrecy Act (BSA) (31 U.S.C. 5318(g)). FinCEN joined with the bank regulators in adopting and requiring reports of suspicious transactions on a consolidated suspicious activity report (SARs) form. This simplified the process through which banks inform their regulators and law enforcement about suspected criminal activity. In 2011, FinCEN transitioned from industry specific paper forms to one electronically filed dynamic and interactive BSA-SAR for use by all filing institutions. Information about suspicious transactions conducted or attempted by, at, through, or otherwise involving credit unions are collected through FinCEN's BSA E-filing system by credit unions. A SAR is to be filed no later than 30 calendar days from the date of the initial detection of facts that may constitute a basis for filing a SAR. If no suspect can be identified, the period for filing a SAR is extended to 60 days. FinCEN and law enforcement agencies use the information on BSA-SARs and the supporting documentation retained by the banks for criminal investigation and prosecution purposes.

Affected Public: Private Sector: Not-for-profit institutions.

Estimated Total Annual Burden Hours: 191,019.

By Gerard Poliquin, Secretary of the Board, the National Credit Union Administration, on March 18, 2020.

Dated: March 18, 2020.
