Dear <Participant name>

You are receiving this letter because you have [withdrawn an application to participate/voluntarily terminated your participation] in the US Small Business Administration (SBA) All Small Mentor-Protégé Program (ASMPP). This program seeks to develop strong protégé firms through mentor-provided business development assistance, and to help them successfully compete for government contracts.

The SBA has hired a small business research organization, Optimal Solutions Group (Optimal), to conduct a study concerning the ASMPP. The goals of this study are to learn why mentors and protégés withdrew enrollment or terminated program participation and what could be done to improve program enrollment, participation, and outcomes. We want to hear your voice and learn about your experiences with the program. Your opinion and feedback are very important for the SBA's efforts to improve its services to America's small businesses.

Your participation in this study is completely voluntary and will last about 30 minutes. Your answers will be kept completely confidential. Your name will never be used in any report of this study, and your individual answers will not be reported to any SBA employee.

SBA (including its contractor) may not conduct this study unless it is currently approved by the Office of Management and Budget (OMB). The current OMB Approval Number for this study is 3245-XXXX, which expires on XXXXX. If you have any comments or concerns about the estimated 30 minutes to participate, please submit them to: Director, Records Management Division, Small Business Administration, 409 Third Street, SW, Washington DC 20416, or SBA Desk Officer, Office of Management and Budget, New Executive Office Building, Washington DC 20503.

If you have any questions or concerns about your participation in this study, please contact

- Daniel Gluck at Optimal at 301-306-1170 ext. 156, [ASMPP@optimalsolutionsgroup.com](mailto:ASMPP@optimalsolutionsgroup.com) or
