Why am I getting this letter?

Enclosed is your Current Agricultural Industrial Reports (CAIR) Survey. Please complete the questionnaire at your earliest convenience, via the Internet if possible, to avoid receiving follow-up contacts. Your information is important and crucial to U.S. economic policy. These reports help industries such as yours in analyzing markets, forecasting, and decision making. This survey is a census of the alcohol wet/dry milling and cotton industries. We ask that you provide information on consumption, production, or stocks.

How will the data be used?

The results of this survey will be kept confidential and will be available in aggregate form only, ensuring that no individual operation or producer can be identified, as required by federal law. We will publish the survey findings in the Grain Crushings and Cotton Systems reports, to be released Monday, June 01, 2020.

Thank you for participating and for your support of our programs and U.S. agriculture. If you have any questions, please feel free to email David Ward, the CAIR survey administrator, at david.o.ward@usda.gov or call our toll-free customer service number 1-888-424-7828.
