

INSTRUCTIONS: Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to Department of Agriculture, Clearance Officer, OIRM, Room 404-W, Washington, DC 20250; and to the Paperwork Reduction Project (OMB #0551-0014), Office of Management and Budget, Washington, DC 20503.

OMB Approval No. 0551-0014

VALID DATES: OCT 1, 2018 - SEP 30, 2019

No: F9WARC101

SUBHEADINGS: 1701.13.10 AND 1701.14.10

Certificate for Quota Eligibility

This is to certify that the quantity of sugar indicated below is eligible to be entered into the United States from the country or area of Argentina, for the U.S. quota period October 1, 2018 - September 30, 2019. This certificate is subject to the terms and conditions set forth in 15 CFR Part 2011, and any amendments thereto. This certificate does not make eligible for entry into the United States the sugar described on this certificate if such sugar was shipped from Argentina to a country other than the United States, refined in such a country, and then transshipped to the United States.

Quantity: _____

but not more than 10,000 short tons.

Details of the shipment for which this certification is issued are:
