

## National Industrial Security Program Security Cost Data Collection

OMB CONTROL NUMBER: 0704-0458  
OMB EXPIRATION DATE: XX/XX/XXXX

### AGENCY DISCLOSURE NOTICE

The public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Department of Defense, Washington Headquarters Services, Executive Services Directorate, Directives Division, 4800 Mark Center Drive, East Tower, Suite 03F09, Alexandria, VA 22350-3100, OMB Control Number 0704-0458. Respondents should be aware that notwithstanding any other provision of law, no person shall be subject to any penalty for failing to comply with a collection of information if it does not display a currently valid OMB control number.

PLEASE DO NOT RETURN YOUR SURVEY RESPONSES TO THE ABOVE ADDRESS. Responses should be submitted electronically via this data collection.

Please do not include any classified information.

There are 2 questions in this data collection.

**1: Please estimate your facility's current annual security labor\* cost in burdened, current year dollars.** (Please list your amount as a whole number. Example: 200000)

**\*Note:** Security labor is defined as personnel whose positions exist to support operations and staff in the implementation of government security requirements for the protection of classified information. Guards who are required as supplemental controls are included in security labor.

**2: Please select the estimated percentage that security labor dollars (your answer in #1 above) is of your facility's total security costs.** (Please round to the nearest percentage.)
