Introduction: NHHSP Applicant Information Screen User Guide

Goal: The goal of the NHHSP Applicant Information Screen User Guide is to provide guidance on entering NHHSP applicant information into BMISS.

Roles: NHHSP Analysts.

Preconditions:

- Applicant has applied to the NHHSP.
- Applicant is deemed eligible.

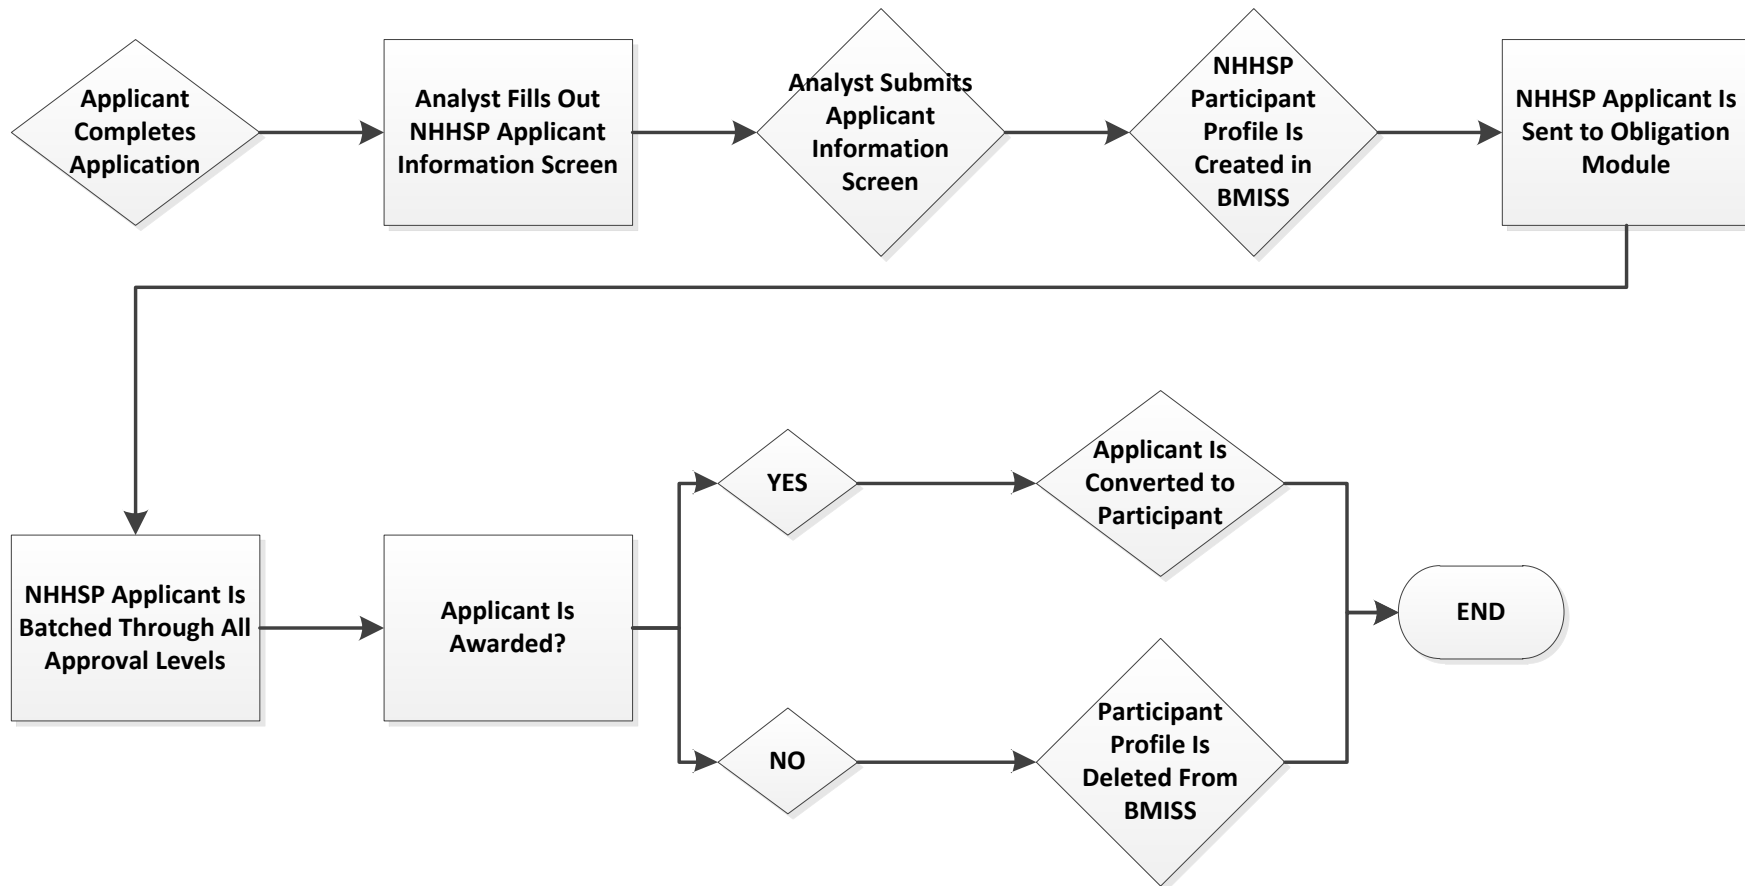

Postconditions:

- Applicant information has been saved in BMISS.
- Applicant is converted to Participant.

Section 1: NHHSP Applicant to Participant Process Flow

The process flow for NHHSP applicants is below.

NOTE: If the NHHSP Applicant is not awarded during obligation, in order for their participant profile to be deleted, the analyst will need to notify the BMISS Team.

Section 2: Navigate to NHHSP Screen

After an NHHSP applicant has submitted all application materials and has been deemed eligible for the NHHSP award, the NHHSP analyst will navigate to the Applicant Information Screen.

The screenshot shows a web browser window displaying the BMISS (Bureau of Clinician Recruitment and Service Management Information System) interface. The browser address bar shows the URL: <https://bmiss.hrsa.gov/intranet/index.seam?cid=5389>. The page header includes the HRSA logo and the text "Health Resources & Services Administration". Below the header, there is a navigation menu with tabs for "Tasks", "Participant", "Programs", "Sites & Schools", "User Administration", and "Reports". The "Programs" tab is selected, and a dropdown menu is visible, listing various programs: "Application Search", "FLRP", "NELRP", "NELRP-NF", "NHHSP", "NHSC LRP", "NHSC SP", "NSP", and "S2S LRP". The "NHHSP" option is highlighted, and a sub-menu is open, showing "Batch History", "Budget", "Create Batch", and "New Award". The "New Award" option is also highlighted. The main content area contains a "Welcome to BMISS!" message, a "News and Announcements" section, and a "BMIS Reference Materials" section with links to "Customer Service User Guides" and "S2S LRP User Guides".

Steps:

1. User navigates to BMISS via the link: <https://bmiss.hrsa.gov/intranet/index.seam>
2. User scrolls over the **Programs** tab and scrolls down to **NHHSP**.
3. User selects **New Award**.
4. System directs user to the NHHSP Applicant Information Screen.

Business Rules:

- User must have the NHHSP Reviewer role to navigate to the NHHSP Applicant Information Screen.

Section 3: Upload Required Supporting Documents

Once the analyst has navigated to the NHHSP Applicant Information Screen, the first section at the top of the page will request that the analyst upload the required supporting documents.

- User must select **Confirm Award** in order for the applicant information to be saved in BMISS.

Section 8: Creation of Participant Profile

Once all NHHSP Applicant information has been submitted and confirmed, a participant profile will automatically be created for the person based on the information that was entered. The user will be automatically taken to the person's participant profile page upon submission of the applicant information. The applicant will not have been awarded and converted to participant at this point, although their participant profile will have been created. The applicant will be ready for batching after submission of applicant information, and if for any reason they are not awarded during the batching process, their participant profile account will be deleted from BMISS.

Section 9: Resolving Issues

Please follow the instructions to resolve any problems a NHHSP Analyst might have:

1. For Technical Issues:

- When a **technical** issue is encountered, e.g. Analyst cannot upload the supporting documents, the issue should be logged in TTPro with a detailed description of the problem. At this point, the BMISS HyperCare Support Team would define and resolve the issue as well as notify the analyst of the resolution.

Logging Issues:

- When logging issues into TTPro:
 - Log issues as “Production Support” under *Version*.
 - Attach a screenshot to the issue (if applicable)
 - Include the following details in the *Summary* section:
 - The page that the issue was found on = *NHHSP Applicant Information Screen*
 - Applicant information: Full name, last four of SSN, email, phone number
 - The Web Browser the analyst was using
 - The frequency of the issue
