Introduction: S2S LRP Online Application User Guide

Purpose: The S2S LRP Online Application user guide serves as the main tool for the Customer Care Center to answer applicant questions regarding issues applicants have when calling for resolution. In addition to this user guide, the Customer Care Center Analysts must be familiar with the S2S LRP Application Program & Guidance, as some of the questions will be program based and are not discussed in this user guide. The primary intent for this user guide is to focus on the functionality developed for the S2S LRP Online Application.

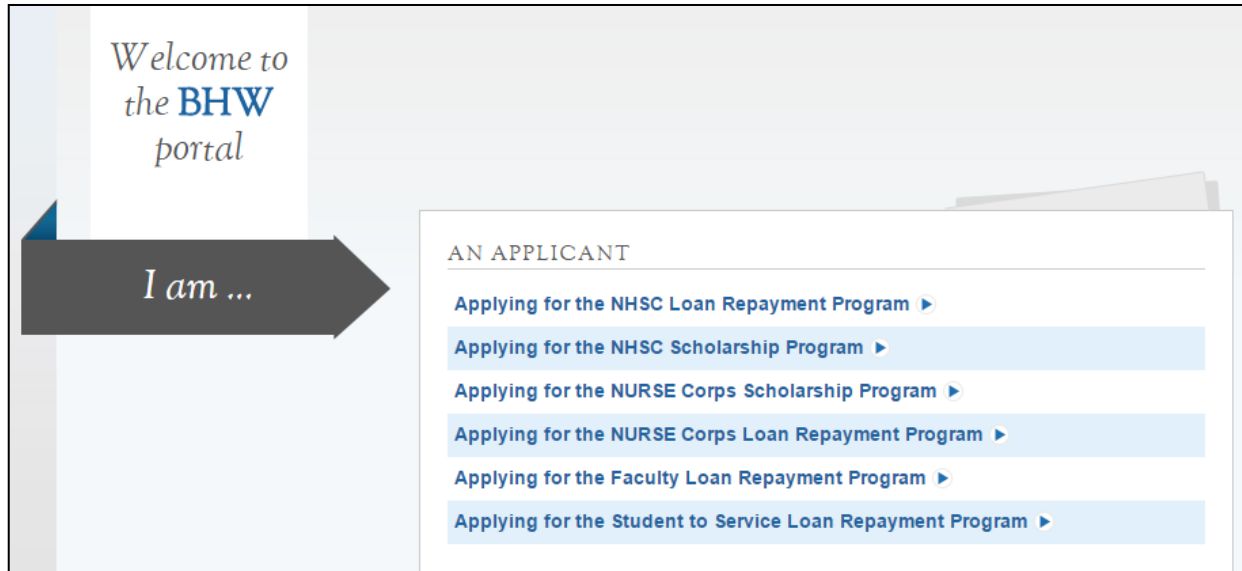

Roles: The application will be filled out by external users. The Customer Care Center Analysts need to understand the functionality to support external users should they encounter any problems with the application.

Precondition: Applicant has a question regarding the S2S LRP Online Application and contacts the Customer Care Center for help to resolve an issue.

Section 1: BHW Portal

National Health Service Corps Students to Service Loan Repayment Program

Welcome to the FY17 National Health Service Corps Students to Service Loan Repayment Program Online Application

Thank you for your interest in the National Health Service Corps (NHSC) Students to Service (S2S) Loan Repayment Program (LRP). Please be sure to carefully read the [2017 NHSC S2S LRP Application and Program Guidance \(APG\)](#) before starting the application. The NHSC S2S LRP application consists of two parts: the online application and required supporting documents.

All applicants must be in their last year of medical or dental school at an accredited school located in a State, the District of Columbia, or a U.S. territory:

- A school of allopathic medicine, pursuing an M.D. degree, accredited by the Liaison Committee on Medical Education (sponsored by the American Medical Association and the Association of American Medical Colleges), or
- A school of osteopathic medicine, pursuing a D.O. degree, accredited by the American Osteopathic Association Commission on Osteopathic College Accreditation; or
- A school of dentistry, pursuing a D.D.S or D.M.D degree, accredited by the American Dental Association, Commission on Dental Accreditation.

Medical Students must plan to match and complete an accredited primary care medical residency in an NHSC-approved specialty. The approved residencies and time period for each under the NHSC S2S LRP are:

Approved Residencies for Medical Students	Time Period
Family Practice	3 years
General Internal Medicine	3 years
General Pediatrics	3 years
Obstetrics-Gynecology	4 years
Internal Medicine/Family Practice	4 years
Internal Medicine/Pediatrics	4 years

The NHSC S2S LRP may approve, on a case-by-case basis, and consistent with the needs of the NHSC, additional residencies not listed above. Proof of participation in an NHSC-approved postgraduate training program will be required before any loan repayments will be disbursed.

Dental students are encouraged, but not required, to complete one accredited postgraduate training in an NHSC-approved specialty. The list of NHSC-approved postgraduate training programs, and the time period for each under the NHSC S2S LRP, are as follows:

Approved Postgraduate Training for Dental Students	Time Period

It is recommended that prior to beginning the online application you prepare all electronic copies of the required supporting documentation. All information provided in the supporting documents and online application must match exactly. Any disparities will cause your application to be deemed ineligible.

All of these documents can be uploaded online:

To expedite this process, you may import your federal student loan(s) from the U.S. Department of Education's National Student Loan Data System (NSLDS) directly into the online application. For loans imported from the NSLDS, no supporting documents are required.

To access your federal student loan(s) use the "Access your Loans" button below. You will be directed to the Department of Education's Federal Student Aid login page and required to log in using your Federal Student Aid ID (FSA ID). If you have any questions about your FSA ID, please visit: <https://www.nsls.ed.gov/npas/pub/faq.htm>

After successfully logging in to FSA, you will be automatically directed back to your application with your loans displayed below. Once your loans have been imported, please ensure all loans you wish to submit are listed. You may also select the 'Return to Source' button from the FSA ID Login screen at any time.

For additional loans that are not covered in the NSLDS and may be private education loans, you can still manually enter the loans along with supporting documents. Any loans that do not appear in your NSLDS account must be added to your application manually. If you attempt to add a loan that you believe is NOT a federal student loan(s), but receive an error message, please check the loan data and try again. It is possible that the loan is a duplicate to one that you have added electronically.

Important Note: If you experience any technical difficulties, please contact the Customer Care Center at 1-800-221-9393 (TTY: 1-877-897-9910) Monday through Friday (except federal holidays) from 8:00 a.m. to 8:00 p.m. ET or [email us](mailto:help@hrsa.gov). If you are unable to resolve your technical difficulties or concerns in time to submit your complete application prior to October 13, 2016, the application deadline, please enter your loans manually. The period for submitting applications will not be extended due to difficulties with submitting your loans.

To manually add loans click the "Need Help?" link to manually add loans you wish to submit for loan repayment.

When entering your loan information manually, you must enter loan information and supporting documentation for each servicing lender that you wish to be considered for repayment. The following documents will be required:

You have elected to add your qualifying education loans to your application manually. This method is required for adding ALL loans that are NOT federal student loan(s). If you have elected to add your federal student loan(s) using this method you must not attempt to add them using the electronic import method, or you will receive an error message and put you at risk of missing the application deadline.

Include all qualifying education loans, even if they exceed the maximum award amount. Please exclude letters, special characters (i.e. \$, %), and commas when entering outstanding loan balances and interest rates. If you have multiple loans with the same servicer/lender, you must enter each loan separately.

To add your loans successfully and to ensure that your loans have the best chance to qualify for repayment when reviewed, you must retrieve, scan and upload the current account statements from your loan servicers and the Aid Summary Report from your NSLDS online account (federal student loan(s)) or a disbursement report for any private loans, for each loan.

For each field completed below, the supporting documents must verify the information you have entered.

1. For Technical Issues:

Production Support Process:

- When a **technical** issue is encountered, e.g. Applicant cannot upload his/her Resume, the Customer Care Center should log the issue in the BMISS Issue Tracker. The S2S LRP Application BMISS HyperCare team will monitor the BMISS Issue Tracker to define and resolve the issue. Once the issue is resolved, the Hypercare team will notify the Customer Care Center Analyst of the resolution.

 - The Web Browser the applicant was using (e.g. Internet Explorer, Firefox, etc.)
 - The frequency of the issue (e.g. always, sometimes, etc.)

2. For Program Related Issues:

Division Support Process:

- If an applicant has a program question, the Customer Care Center will try to answer the problem by referring to the Application and Program Guidance. If the Customer Care Center is unable to answer the question then the Applicant's question and information are recorded and the Customer Care Center submits a ticket in the Escalation Management System (EMS). DNHSC analysts will answers the question and the Customer Care Center responds back to the Applicant.
