## Case Study Interview Guide for DP18-1805 TTA Provider Partners

### Introduction

---

Thank you for agreeing to speak with me today. As you know, we are conducting a series of case studies with leadership and staff from programs funded under the *Provision of Technical Assistance and Training Activities to Assure Comprehensive Cancer Control Outcomes (DP18-1805)* cooperative agreement to learn more about programs' efforts to support and build capacity among CDC's National Comprehensive Cancer Control Programs (NCCCPs) through training and technical assistance (TTA). The purpose of this interview is to learn more about partnerships associated with the funded organization's TTA efforts under the DP18-1805 cooperative agreement.

Do you have any initial questions before we begin?

*[Pause to allow for questions].*

Great, I'm going to begin by reviewing the informed consent.

*[Read informed consent statement. If respondent gives verbal consent, proceed with the interview. If the respondent declines participation, thank the respondent and end the interview]*
