**(For Parents)**

**NOTICE** - Public reporting burden of this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: CDC/ATSDR Information Collection Review Office; 1600 Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-1185).

**Assurance of Confidentiality** - We take your privacy very seriously. All information that relates to or describes identifiable characteristics of individuals, a practice, or an establishment will be used only for statistical purposes. NCHS staff, contractors and agents will not disclose or release responses in identifiable form without the consent of the individual or establishment in accordance with section 308(d) of the Public Health Service Act (42 USC 242m(d)).

We would appreciate your evaluation of the Summer Camp, by completing a short questionnaire

The survey is voluntary and should take less than 10 minutes to complete. It has been designed so that no individually identifiable information will be released. Please be sure not to include any identifiable information pertaining to the survey. If you have any questions please contact us via email, at [nchsfeedbacksurvey@cdc.gov](mailto:nchsfeedbacksurvey@cdc.gov) .

We encourage you to complete the survey at your earliest convenience. The survey will be available online for one month, until XXXX (date will be entered here).

The findings of this survey will be used to help NCHS better serve you and the public.

We greatly appreciate your time and feedback. Thank you for providing valuable customer feedback to the National Center for Health Statistics (NCHS).
