General Comment

I THINK THE ACTIONS OF THE CDC ARE SO MINIMAL IN THIS AREA THAT ALL TAXPAYER FUNDING FOR THIS PROGRAM SHOULD BE SHUT DOWN. THE FACT IS THE SCHOOLS CAN AND DO TEACH ALL THESE SUBJECTS AND CAN INCLUDE ANY INFORMATION THE CDC HAS ON LINE FOR ALL AMERICANS TO KNOW ABOUT, INCLUDING PARENTS WHO CAN EXPLORE THIS INFORMATION WITH THEIR OWN KIDS. THE FACT IS TAXPAYERS DO NOT HAVE TO BE PAYING MILLIONS OF DOLLARS FOR SUCH A LIMITED PROGRAM. THE GRADE FOR THIS PROGRAM IS D MINUS. THERE ARE NO REPORTS SHOWING ANY SUCCESS FOR THIS PROGRAM WITH THE CHILDREN. THE TAXPAYER OF THIS NATION NEED TO HAVE DOWNSIZING OF INEFFECTIVE PROGRAMS. CDC WILL BE OCCUPIED AND SHOULD BE OCCUPIED BY CORONAVIRUS AND MEDICAL ISSUES LIKE THAT. AND THIS CDC IS SO SNEAKY THAT THEY KEEP ALL INFORMATION FROM THE PUBLIC ON THEIR PROGRAMS LIKE THE VACCINE PROGRAM THAT IS AS SNEAKY AS CAN BE WITH THE EMPLOYEES WHO PUSH VACCINES NEVER COMING OUT TO THE PUBLIC TO BE QUESTIONED BY WHAT THEY TRY TO PUSH ON THE AMERICAN PEOPLE. IT IS A PUSH TO MAKE MONEY FOR VACCINE PROFITEERS.
