8a: SSuN Gonorrhea Patient Interview

Suggested Introductory Script – Patient Verbal (Informal) Consent – GC Interview

HELLO, My name is _____ and I am calling for the _____ health department about your recent doctor's appointment with _____ (mention name & date of patient's visit to reporting provider/facility).

[Interviewer must assure that they are speaking to the appropriate person by confirming date of birth, date of doctor visit, etc. Local DIS protocols should be followed with respect to initial patient contact and confirmation of patient identity]

We are gathering information about people recently diagnosed with (gonorrhea/chlamydia) in _____ (name of city/state) to help make sure that the best care is available and to help prevent the spread of (gonorrhea/chlamydia) in the future. This project is being conducted by the _____ (health department) with funding from and in collaboration with the U.S. Centers for Disease Control and Prevention.

Your name was randomly chosen from among all of the people recently diagnosed and reported to the health department. I would like to ask some questions about your experience at your recent doctor's visit and about your recent health behaviors related to your diagnosis. These questions should only take about 10 minutes and any information you give me will be kept strictly confidential.

You do not have to answer any question you do not want to, and you can end the interview at any time. Your name will not be shared with anyone and all of the information we gather will be combined with others so that no one individual can ever be identified. Is this a good time for you and would you be willing to help with this important project?

[If patient agrees, go to Module 1, Question 14]

[If patient refuses] We're sorry you don't want to participate but thank you very much for your time anyway!

[If patient agrees but states that it is not a good time:]

When would be a good time to call you back? _____

Is this the best telephone number to use for you? _____

[If patient states that they wish to call the interviewer back, provide your name HD affiliation and phone number; ask the patient to confirm approximately when they will call]

Thank you, I look forward to hearing from you on _____ (day) at _____ (time).

Interviewer Use Only: Was verbal consent obtained for interview?
