Annual Notice of Changes for 2021

[Optional: insert member name]
[Optional: insert member address]

You are currently enrolled as a member of [insert 2020 plan name]. Next year, there will be some changes to the plan's costs and benefits. *This booklet tells about the changes.*

- **You have from October 15 until December 7 to make changes to your Medicare coverage for next year.**
-

What to do now

1. ASK: Which changes apply to you

- Check the changes to our benefits and costs to see if they affect you.
 - It's important to review your coverage now to make sure it will meet your needs next year.
 - Do the changes affect the services you use?
 - Look in Sections [insert section number] and [insert section number] for information about benefit and cost changes for our plan.
- Check the changes in the booklet to our prescription drug coverage to see if they affect you.
 - Will your drugs be covered?
 - Are your drugs in a different tier, with different cost sharing?
 - Do any of your drugs have new restrictions, such as needing approval from us before you fill your prescription?
 - Can you keep using the same pharmacies? Are there changes to the cost of using this pharmacy?
 - Review the 2021 Drug List and look in Section [insert section number] for information about changes to our drug coverage.

- Your drug costs may have risen since last year. Talk to your doctor about lower cost alternatives that may be available for you; this may save you in annual out-of-pocket costs throughout the year. To get additional information on drug prices visit [go.medicare.gov/drugprices](https://www.go.medicare.gov/drugprices). These dashboards highlight which manufacturers have been increasing their prices and also show other year-to-year drug price information. Keep in mind that your plan benefits will determine exactly how much your own drug costs may change.
- Check to see if your doctors and other providers will be in our network next year.
- Are your doctors, including specialists you see regularly, in our network?
 - What about the hospitals or other providers you use?
 - Look in Section *[insert section number]* for information about our Provider Directory.
- Think about your overall health care costs.
- How much will you spend out-of-pocket for the services and prescription drugs you use regularly?
 - How much will you spend on your premium and deductibles?
 - How do your total plan costs compare to other Medicare coverage options?
- Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- Check coverage and costs of plans in your area.
- Use the personalized search feature on the Medicare Plan Finder at www.medicare.gov/plan-compare website.
 - Review the list in the back of your Medicare & You handbook.
 - Look in Section *[edit section number as needed]* 4.2 to learn more about your choices.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you want to **keep** *[insert plan name]*, you don't need to do anything. You will stay in *[insert plan name]*.
- To change to a **different plan** that may better meet your needs, you can switch plans between October 15 and December 7.

4. ENROLL: To change plans, join a plan between **October 15** and **December 7, 2020**

- If you don't join another plan by **December 7, 2020**, you will stay in *[insert 2020 plan name]*. *[If the plan is being crosswalked, replace previous sentence with: If you don't join another plan by **December 7, 2020**, you will be enrolled in *[insert 2021 plan name]*.]*

- If you join another plan by **December 7, 2020**, your new coverage will start on **January 1, 2021**. You will be automatically disenrolled from your current plan.

SECTION 1 We Are Changing the Plan's Name

[Plans that are changing the plan name, as approved by CMS, include Section 1, using the section title above and the following text:

On January 1, 2021, our plan name will change from *[insert 2020 plan name]* to *[insert 2021 plan name]*.

[Insert language to inform members if they will receive new ID cards and how, as well as if the name change will impact any other member communication.]

SECTION 1 Unless You Choose Another Plan, You Will Be Automatically Enrolled in *[insert 2021 plan name]* in 2021

[[If the member is being enrolled into another plan due to a consolidation, include Section 1, using the section title above and the text below. It is additionally expected that, as applicable throughout the ANOC, every plan/sponsor that crosswalks a member from a non-renewed plan to a consolidated renewal plan will compare benefits and costs, including cost-sharing for drug tiers, from that member's previous plan to the consolidated plan.]

On January 1, 2021, *[insert MAO name]* *[insert DBA names in parentheses, as applicable, after listing required MAO names throughout this document]* will be combining *[insert 2020 plan name]* with one of our plans, *[insert 2021 plan name]*.

If you do nothing to change your Medicare coverage by December 7, 2020, we will automatically enroll you in our *[insert 2021 plan name]*. This means starting January 1, 2021, you will be getting your medical *[insert if applicable: and prescription drug]* coverage through *[insert 2021 plan name]*. If you want to, you can change to a different Medicare health plan. You can also switch to Original Medicare. If you want to change plans, you can do so between October 15 and December 7. If you are eligible for Extra Help, you may be able to change plans during other times.

The information in this document tells you about the differences between your current benefits in *[insert 2020 plan name]* and the benefits you will have on January 1, 2021 as a member of *[insert 2021 plan name]*.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

[Plans may add a row to this table to display changes in premiums for optional supplemental benefits.]

[Plans that include a Part B premium reduction benefit may insert a row to describe the change in the benefit.]

Cost	2020 (this year)	2021 (next year)
<p>Monthly premium</p> <p>[Plans that include a Part B premium reduction benefit may modify this row to describe the change in the benefit. If there are no changes from year to year, plans may indicate in the column that there is no change for the upcoming benefit year.]</p> <p>(You must also continue to pay your Medicare Part B premium.)</p>	<p>[Insert 2020 premium amount]</p>	<p>[Insert 2021 premium amount]</p>

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as “creditable coverage”) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 7 regarding “Extra Help” from Medicare.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

[Plans that include the costs of supplemental benefits (e.g., POS benefits) in the MOOP limit may revise this information as needed.]

To protect you, Medicare requires all health plans to limit how much you pay “out-of-pocket” during the year. This limit is called the “maximum out-of-pocket amount.” Once you reach this amount, you generally pay nothing for covered [insert if applicable: Part A and Part B] services for the rest of the year.

Cost	2020 (this year)	2021 (next year)
<p>Maximum out-of-pocket amount Your costs for covered medical services (such as copays [insert if plan has a deductible: and deductibles]) count toward your maximum out-of-pocket amount. [Plans with no premium and/or no Part D coverage may modify or delete the following sentence as needed] Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.</p> <p><i>[If there are no changes from year to year, plans may indicate in the column that there is no change for the upcoming benefit year.]</i></p>	<p>[Insert 2020 MOOP amount]</p>	<p>[Insert 2021 MOOP amount]</p> <p>Once you have paid [insert 2021 MOOP amount] out-of-pocket for covered [insert if applicable: Part A and Part B] services, you will pay nothing for your covered [insert if applicable: Part A and Part B] services for the rest of the calendar year.</p>

Section 2.3 – Changes to the Provider Network

[Plans with no provider network delete this section.]

[Insert applicable section: For a plan that has changes in its provider network] There are changes to our network of providers for next year. *[Insert if applicable: We included a copy of our Provider Directory in the envelope with this booklet.]* An updated Provider Directory is located on our website at *[insert URL]*. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **Please review the 2021 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.**

OR

[For a plan that will have a higher than normal number of providers either leaving and/or joining its network] Our network has changed more than usual for 2021. *[Insert if applicable: We included a copy of our Provider Directory in the envelope with this booklet.]* An updated Provider Directory is located on our website at *[insert URL]*. You may also call Member Services for updated provider information or to ask us to mail you a Provider Directory. **We strongly suggest that you review our current Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are still in our network.**

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers) that are part of your plan during the year. There are a number of reasons why your provider might leave your plan but if your doctor or specialist does leave your plan you have certain rights and protections summarized below:

- Even though our network of providers may change during the year, we must furnish you with uninterrupted access to qualified doctors and specialists.
- We will make a good faith effort to provide you with at least 30 days' notice that your provider is leaving our plan so that you have time to select a new provider.
- We will assist you in selecting a new qualified provider to continue managing your health care needs.
- If you are undergoing medical treatment you have the right to request, and we will work with you to ensure, that the medically necessary treatment you are receiving is not interrupted.
- If you believe we have not furnished you with a qualified provider to replace your previous provider or that your care is not being appropriately managed you have the right to file an appeal of our decision.
- If you find out your doctor or specialist is leaving your plan please contact us so we can assist you in finding a new provider to manage your care.

Section 2.4 – Changes to the Pharmacy Network

[MA-only plans delete Section 2.4]

Amounts you pay for your prescription drugs may depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered *only* if they are filled at one of our network pharmacies. *[Insert if applicable: Our network includes pharmacies with preferred cost-sharing, which may offer you lower cost-sharing than the standard cost-sharing offered by other network pharmacies for some drugs.]*

[Insert applicable section: For a plan that has changes in its pharmacy network] There are changes to our network of pharmacies for next year. *[Insert if applicable: We included a copy of our Pharmacy Directory in the envelope with this booklet.]* An updated Pharmacy Directory is located on our website at *[insert URL]*. You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **Please review the 2021 Pharmacy Directory to see which pharmacies are in our network.**

OR

[For a plan that will have a higher than normal number of pharmacies leaving its pharmacy network] Our network has changed more than usual for 2021. *[Insert if applicable: We included a copy of our Pharmacy Directory in the envelope with this booklet.]* An updated Pharmacy Directory is located on our website at *[insert URL]*. You may also call Member Services for updated provider information or to ask us to mail you a Pharmacy Directory. **We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.**

Section 2.5 – Changes to Benefits and Costs for Medical Services

[If there are no changes in benefits or in cost-sharing, revise heading to “There are no changes to your benefits or amounts you pay for medical services” and replace the rest of this section with: Our benefits and what you pay for these covered medical services will be exactly the same in 2021 as they are in 2020.]

We are changing our coverage for certain medical services next year. The information below describes these changes. For details about the coverage and costs for these services, see Chapter 4, *Medical Benefits Chart (what is covered and what you pay)*, in your *2021 Evidence of Coverage*.

[[The table must include: (1) all new benefits that will be added or 2020 benefits that will end for 2021, including any new optional supplemental benefits (plans must indicate these optional supplemental benefits are available for an extra premium); (2) new/changing limitations or restrictions, including prior authorization for CY2021 Part C benefits; and (3) all changes in cost-sharing for 2021 for covered medical services, including any changes to service category, out-of-pocket maximums, and cost-sharing for optional supplemental benefits (plans must indicate these optional supplemental benefits are available for an extra premium).]

[If using Medicare FFS amounts (e.g. Inpatient and SNF cost sharing) the plan must insert the 2020 Medicare amounts and must insert: “These are 2020 cost-sharing amounts and may change for 2021. [insert plan name] will provide updated rates as soon as they are released.” Member cost-sharing amounts may not be left blank.]]

[MA only plans delete Section 2.6 below]

Section 2.6 – Changes to Part D Prescription Drug Coverage

Changes to Our Drug List

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our Drug List is [insert: in this envelope] OR [insert: provided electronically]. [If including an abridged formulary, add the following language: The Drug List [insert: included in this envelope] OR [insert: provided electronically] includes many – *but not all* – of the drugs that we will cover next year. If you don’t see your drug on this list, it might still be covered. **You can get the complete Drug List** by calling Member Services (see the back cover) or visiting our website ([insert URL]).]

[Plans with no changes to covered drugs, tier assignment, or restrictions may replace the rest of this section with: We have not made any changes to our Drug List for next year. The drugs included on our Drug List will be the same in 2021 as in 2020. However, we are allowed to make changes to the Drug List from time to time throughout the year, with approval from Medicare or if a drug has been withdrawn from the market by either the FDA or a product manufacturer.]

[Plans that are not offering indication based formulary design should delete this section] Certain drugs may be covered for some medical conditions, but are considered non-formulary for other medical conditions. Drugs that are covered for only select medical conditions will be identified on our Drug List and in Medicare Plan Finder, along with the specific medical conditions that they cover.

We made changes to our Drug List, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug List to make sure your drugs will be covered next year and to see if there will be any restrictions.**

If you are affected by a change in drug coverage, you can:

- **Work with your doctor (or other prescriber) and ask the plan to make an exception** to cover the drug. *[Plans may omit the following sentence if they do not have an advance transition process for current members.]* **We encourage current members** to ask for an exception before next year.
 - To learn what you must do to ask for an exception, see Chapter 9 of your *Evidence of Coverage (What to do if you have a problem or complaint (coverage decisions, appeals, complaints))* or call Member Services.
- **Work with your doctor (or other prescriber) to find a different drug** that we cover. You can call Member Services to ask for a list of covered drugs that treat the same medical condition.

[Plans may omit this if all current members will be transitioned in advance for the following year.] In some situations, we are required to cover a temporary supply of a non-formulary drug in the first 90 days of the plan year or the first 90 days of membership to avoid a gap in therapy. (To learn more about when you can get a temporary supply and how to ask for one, see Chapter 5, Section 5.2 of the *Evidence of Coverage*.) During the time when you are getting a temporary supply of a drug, you should talk with your doctor to decide what to do when your temporary supply runs out. You can either switch to a different drug covered by the plan or ask the plan to make an exception for you and cover your current drug.]

[Plans may include additional information about processes for transitioning current members to formulary drugs when your formulary changes relative to the previous plan year.]

[Include language to explain whether current formulary exceptions will still be covered next year or a new one needs to be submitted.]

Most of the changes in the Drug List are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules.

[Plan sponsors implementing for the first time in 2021 the option to immediately replace brand name drugs with their new generic equivalents, that otherwise meet the requirements, should insert the following: Starting in 2021, we may immediately remove a brand name drug on our Drug List if, at the same time, we replace it with a new generic drug on the same or lower cost-sharing tier and with the same or fewer restrictions. Also, when adding the new generic drug, we may decide to keep the brand name drug on our Drug List, but immediately move it to a different cost-sharing tier or add new restrictions or both.

This means, for instance, if you are taking a brand name drug that is being replaced or moved to a higher cost-sharing tier, you will no longer always get notice of the change 30 days before we make it or get a month's supply of your brand name drug at a network pharmacy. If you are taking the brand name drug, you will still get information on the specific change we made, but it may arrive after the change is made.]

When we make these changes to the Drug List during the year, you can still work with your doctor (or other prescriber) and ask us to make an exception to cover the drug. We will also continue to update our online Drug List as scheduled and provide other required information to reflect drug changes. (To learn more about changes we may make to the Drug List, see Chapter 5, Section 6 of the Evidence of Coverage.)

Changes to Prescription Drug Costs

[Plans that enroll partial dual eligible beneficiaries should delete the following paragraph for QDWI beneficiaries.] Note: If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs [insert as applicable: may OR does] not apply to you.** [If not applicable, omit the following information about the LIS Rider] We [insert as appropriate: have included OR sent you] a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" and [if plan sends LIS Rider with ANOC, insert: didn't receive this insert with this packet,] [if plan sends LIS Rider separately from the ANOC, insert: haven't received this insert by [insert date],] please call Member Services and ask for the "LIS Rider."

There are four "drug payment stages." How much you pay for a Part D drug depends on which drug payment stage you are in. (You can look in Chapter 6, Section 2 of your *Evidence of Coverage* for more information about the stages.)

The information below shows the changes for next year to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage. To get information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in the *Evidence of Coverage*, which is located on our website at [insert URL]. [insert as applicable: You can also review the attached OR enclosed OR separately mailed *Evidence of Coverage* to see if other benefit or cost changes affect you.] You may also call Member Services to ask us to mail you an *Evidence of Coverage*.)

Changes to the Deductible Stage

Stage	2020 (this year)	2021 (next year)
<p>Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your <i>[insert as applicable: Part D OR brand name OR [insert tier name(s)]]</i> drugs until you have reached the yearly deductible.</p> <p><i>[Plans with no deductible, omit text above.]</i></p>	<p>The deductible is \$<i>[insert 2020 deductible]</i>.</p> <p><i>[Plans with no deductible replace the text above with: Because we have no deductible, this payment stage does not apply to you.]</i></p> <p><i>[Plans with tiers excluded from the deductible in 2020 and/or 2021 insert the following:]</i> During this stage, you pay <i>[insert cost-sharing amount that a member would pay in a tier(s) that is exempted from the deductible]</i> cost-sharing for drugs on <i>[insert name of tier(s) excluded from the deductible]</i> and the full cost of drugs on <i>[insert name of tier(s) where copayments apply]</i> until you have reached the yearly deductible.</p>	<p>The deductible is \$<i>[insert 2021 deductible]</i>.</p> <p><i>[Plans with no deductible replace the text above with: Because we have no deductible, this payment stage does not apply to you.]</i></p> <p><i>[Plans with tiers excluded from the deductible in 2020 and/or 2021 insert the following:]</i> During this stage, you pay <i>[insert cost-sharing amount that a member would pay in a tier(s) that is exempted from the deductible]</i> cost-sharing for drugs on <i>[insert name of tier(s) excluded from the deductible]</i> and the full cost of drugs on <i>[insert name of tier(s) where copayments apply]</i> until you have reached the yearly deductible.</p>

Changes to Your Cost-sharing in the Initial Coverage Stage

[Plans that are changing the cost-sharing from coinsurance to copayment or vice versa from 2020 to 2021 insert: For drugs on [insert name of tier(s)], your cost-sharing in the initial coverage stage is changing from [insert whichever is appropriate: copayment to coinsurance OR coinsurance to copayment.] Please see the following chart for the changes from 2020 to 2021.]

To learn how copayments and coinsurance work, look at Chapter 6, Section 1.2, *Types of out-of-pocket costs you may pay for covered drugs* in your *Evidence of Coverage*.

[Plans must list all drug tiers in the table below and show costs for a one-month supply filled at a network retail pharmacy. Plans that have pharmacies that provide preferred cost-sharing must provide information on both standard and preferred cost-sharing using the second alternate chart. Plans without drug tiers may revise the table as appropriate.]

Stage	2020 (this year)	2021 (next year)
<p>Stage 2: Initial Coverage Stage</p> <p><i>[Plans with no deductible delete the first sentence]</i> Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost. <i>[Plans that are changing the cost-sharing from a copayment to coinsurance or vice versa from 2020 to 2021 insert for each applicable tier: “For 2020 you paid [insert as appropriate “a \$[xx] copayment” OR “[xx]% coinsurance”] for drugs on [insert tier name]. For more information, see [insert as applicable: Chapter 8 OR Chapter 10], Section 2.3 of the *Evidence of Coverage*.

If you enrolled in a Medicare Advantage plan for January 1, 2021, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2021. For more information, see [insert as applicable: Chapter 8 OR Chapter 10], Section 2.2 of the *Evidence of Coverage*.
