Introduction

This guide contains a comprehensive, up-to-date list of MCBS Showcards and Reference Cards. Over time, we may make changes to your Showcards and Reference Cards by updating the content, adding new cards, or eliminating existing cards.

You can use this guide to ensure that you are using the most up-to-date set of cards. To check if you are using the most recent versions, look at the date of the “Current Version” in the table on the following pages and compare it with the date on the bottom of your Showcards and Reference cards. If you’re missing updated versions of Showcards or Reference cards, notify your Field Manager, who will arrange to have them sent to you.

The Showcards are arranged in alphabetical order according to questionnaire section name. However, some Field Interviewers prefer to arrange the Showcard sections by the order in which the sections will appear during the interview.

This will give you all of your coverage in one plan. • A Medigap plan is not available.
MEDICAID	TRICARE/TRICARE FOR LIFE
