We have a free and voluntary program called Ticket to Work that helps people who get disability benefits go to work. If you participate in this program, we may set aside review of your medical condition. Special rules may allow you to keep your Medicare or Medicaid and some or all of your disability benefits during your transition to work. Over time, you can replace your benefit payments with earnings from work. Please visit <https://choosework.ssa.gov> to find a list of service providers, including benefits and work incentives counselors, who can help you find, prepare for, and keep a job. For more information, contact the Ticket to Work Help Line at 1-866-968-7842 (TTY 1-866-833-2967).

If you are working and have substantial earnings, you may have the option to request that we withhold your cash benefits to avoid being overpaid while we review your earnings. Please contact us at 1-800-772-1213 or your local office to learn more about how to request we withhold your benefits.
