### **Privacy Notice for Collection of Information**

Sections 205(j) and 1631(a) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from conducting an onsite review and could result in a change in representative payee.

We will use the information to determine whether the representative payee needs guidance or if a change in representative payee is required. We may also share this information for the following purposes, called routine uses:

- To state protection and advocacy systems, that have a written agreement with Social Security Administration to conduct reviews of representative payees, for the purpose of conducting additional reviews that the protection and advocacy systems have reason to believe are warranted; and
- To agencies or entities with responsibility for investigating or addressing possible financial exploitation of, an immediate health or safety threat to, or other serious risk to the well-being of the beneficiary, for referral, when these issues are identified during a representative payee review.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

Additional information is available in our Privacy Act System of Records Notice (SORN) 60-0222, entitled Master Representative Payee File, as published in the Federal Register (FR) on November 2, 2018, at 83 FR 55228. A full listing of all of our SORNs is available on our website at [www.ssa.gov/privacy](http://www.ssa.gov/privacy).
