Survey Information

Mathematica Policy Research is conducting the Head Start Family and Child Experiences Survey 2019 (FACES 2019) for the Administration for Children and Families (ACF). ACF is part of the U.S. Department of Health and Human Services.

We are inviting you to complete a survey about you and your child, because he or she is in a Head Start program that is taking part in FACES. This study aims to learn more about families in Head Start and the services Head Start provides. By completing this survey, you will help Head Start serve all children and their families. The survey will take about 25 minutes to complete.

Your answers to this survey will be kept private to the extent permitted by law. No one from your child's Head Start program will see your answers. Using the login ID and password ensures that your answers will only be seen by the study team. The next page will tell you how to complete the survey.

Please click the button below to continue or close this webpage to exit the survey.

Survey Information

Mathematica Policy Research is conducting the Head Start Family and Child Experiences Survey 2019 (FACES 2019) under contract with the Administration for Children and Families (ACF) of the U. S. Department of Health and Human Services (DHHS).

To enhance the information we obtain by assessing the children and surveying their parents, we need for you to complete this brief questionnaire, The Teacher Child Report, about each of the children in the study who are from your class. The Teacher Child Report (TCR) asks you to report on the social skills, problem behaviors, and approaches to learning that you have observed in these children from your class.

Please be assured that all information you provide will be kept private to the extent permitted by law. Your participation in the study is voluntary and you may refuse to answer any questions you are not comfortable answering. Your answers will be completely private and will not be shared with parents or other staff in your center, or anybody else not working on this study. The survey will take about 10 minutes for each child.

Using the Login Identification Number and Password ensures that the information you provide to the study will be protected and will only be seen by selected members of the study team. The next page provides you with general instructions on how to complete the survey.
