Next, we're going to look at some different statements that could be made about a COVID-19 vaccine once it is ready and available to you. As we go through each, I want you to think about how convincing this is as a reason for you to get a COVID-19 vaccine once it is ready and available to you.

By getting a COVID-19 vaccine, I am helping keep myself healthy.

By getting a COVID-19 vaccine, I am helping keep my loved ones and my community healthy.

Getting a COVID-19 vaccine is important because it will help ensure my children and grandchildren can continue our culture and traditions.

Getting a COVID-19 vaccine will help get us one step closer to normal. (PROBE ON WHAT NORMAL MEANS AND LOOKS LIKE.)

I trust a COVID-19 vaccine will only be approved if it is safe and effective.

A few days of feeling flu-like symptoms is worth the benefit of being protected against COVID-19.
