#### CODIFICATION

The first sentence of this section is from section 1 of act June 3, 1878.

The words of this section reading "bona fide residents of the States of Colorado, Nevada, New Mexico, Arizona, Utah, Wyoming, North Dakota, South Dakota, Idaho, or Montana," read in the original section, "bona fide residents of the State of Colorado, or Nevada, or either of the Territories of New Mexico, Arizona, Utah, Wyoming, Dakota, Idaho, or Montana."

A proviso at the close of section 1 of act June 3, 1878, was combined with a similar proviso in act Jan. 11, 1921, to form the last sentence of this section.

Act of Jan. 11, 1921, is the source of the remainder of the section.

As originally enacted that act began with the following language: "Section 1 of an Act entitled 'An Act authorizing the citizens of Colorado, Nevada, and the Territories to fell and remove timber on the public domain for mining and domestic purposes,' approved June 3, 1878, chapter 150, page 88, volume 20, United States Statutes at Large, and section 8 of an Act entitled 'An Act to repeal timber-culture laws, and for other purposes,' approved March 3, 1891, as amended by an Act approved March 3, 1891, chapter 559, page 1093, volume 26, United States Statutes at Large, and the several Acts amendatory thereof, be, and the same are hereby, extended so that," etc.

This language was omitted as having been given effect by the combination of the remaining language of the act with section 1 of act June 3, 1878, to form this section, by section 612 of this title.

### **§605. Unlawful cutting on mineral lands; notice to Secretary**

It shall be the duty of such officer as the Secretary of the Interior may designate in whose district any mineral land may be situated to ascertain from time to time whether any timber is being cut or used upon any such lands, except for the purposes authorized by section 604 of this title, within such land district; and, if so, he shall immediately notify the Secretary of the Interior of that fact; and all necessary expenses incurred in making such proper examinations shall be paid for and allowed such officer in making up his next quarterly account.

(June 3, 1878, ch. 150, §2, 20 Stat. 88; 1946 Reorg. Plan No. 3, §403, eff. July 16, 1946, 11 F.R. 7876, 60 Stat. 1100.)

Plan No. 3 of 1950, §§1, 2, eff. May 24, 1950, 15 F.R. 3174, 64 Stat. 1262, set out in the Appendix to Title 5, Government Organization and Employees.

"Such officer as the Secretary of the Interior may designate" substituted in text for "the register and the receiver of any local land office", "Secretary of the Interior" for "Commissioner of the General Land Office", and "such officer" for "such register and receiver" on authority of Reorg. Plan No. 3 of 1946, set out in the Appendix to Title 5.

The Secretary of the Interior may make suitable rules and regulations to carry out the provisions of this section, and he may designate the sections or tracts of land where timber may be cut, and it shall not be lawful to cut or remove any timber except as may be prescribed by such rules and regulations, but this section shall not operate to repeal sections 604 to 606 of this title.

### **§618. Timber contract payment modification**

#### **(a) Statement of purpose, authorization, scope, qualifications, financial requirements, etc., for buy-out**

(1) Notwithstanding any other provisions of law, in order to retain jobs, to preserve free competition, to utilize the potential productive capacity of plants, to preserve small communities dependent on a single economic sector to assure an open and competitive market for future sales of Government timber, and to lessen the impact of unemployment, the Secretary of Agriculture for national forest lands and the Secretary of the Interior for public lands under their respective jurisdictions are authorized and directed to permit a requesting purchaser to return to the Government a volume of the purchaser's timber contracts as determined under paragraph (2) upon payment of a buy-out charge from such purchaser in an amount as determined under paragraph (3). The purchaser shall be released from further obligation to cut, remove, and pay for timber under such contract upon payment, or arrangement for payment as provided under paragraph (3)(E), of such buy-out charge

and completion of any obligation required pursuant to paragraph (4)(B). The Government does not hereby surrender any other claim against a purchaser which arose under a contract prior to effectuation of this release and not in connection with this release from obligation to cut, harvest and pay for timber.

(2)(A) To qualify for buy-out under this section, a timber sales contract must have been bid prior to January 1, 1982, for an original contract period of 10 years or less, and be held as of June 1, 1984: *Provided*, That any such contract that was defaulted after January 1, 1981 may qualify for buy-out under this section so long as (i) settlement for damages has not been reached between the purchaser and the United States; and (ii) the purchaser's loss on all of its qualifying timber sales contracts, as determined in paragraph (3)(A), is in excess of 50 per centum of the net book worth of the purchaser. A contract is qualified for buy-out notwithstanding the fact that it was reformed after October 1, 1983, pursuant to Bureau of Land Management Instructional Memorandum 83-743 or is included in a Forest Service multisale plan pursuant to the President's program of July 28, 1983.

(B) A purchaser holding more than twenty-seven million three hundred thousand board feet of net merchantable sawtimber as of January 1, 1982, in qualifying contracts as provided in subparagraph (A) shall be entitled to buy out up to 55 per centum of such timber volume up to a maximum of two hundred million board feet.

(C) A purchaser holding twenty-seven million three hundred thousand or less board feet of net merchantable sawtimber as of January 1, 1982, in qualifying contracts as provided in subparagraph (A) shall be entitled to buy out up to fifteen million board feet of such timber volume or one contract, whichever is greater in volume.

(D) So long as the volume limitation of two hundred million board feet is not exceeded, the percentage limitation of subparagraph (B) or the volume limitation of subparagraph (C) may be exceeded by a volume amount not to exceed the volume of the smallest volume contract bought out by the purchaser if the purchaser could not otherwise attain his percentage or volume entitlement.

(E) Timber returned to the Government pursuant to this subsection shall be available for resale by the Government upon payment, or arrangement for payment, of the buy-out charge and completion of obligations, if any, under paragraph (4)(B).

(3)(A) Sums collected by the appropriate Secretary in connection with the buy-out of contracts pursuant to this subsection shall be deposited in and paid from the Treasury in the same manner as moneys received from timber sales from such lands and shall be determined as follows: The purchaser's loss on any qualifying timber sales contracts shall be determined by the Forest Service or the Bureau of Land Management by subtracting the current delivered log value (as determined by such agency) from the delivered log cost based on the current contract return (as determined by such agency) of any such contracts. If such loss is—

(i) in excess of 100 per centum of the net book worth of the purchaser, the buy-out cost shall be \$10 per one thousand board feet of currently held volume bought out;

(ii) in excess of 50 per centum up to 100 per centum of the net book worth of the purchaser, the buy-out cost shall be 10 per centum of the contract overbid but at least \$10 per one thousand board feet of currently held volume bought out; or

(iii) up to 50 per centum or less of the net book worth of the purchaser, the buy-out cost shall be 15 per centum for the purchaser's first one hundred twenty-five million board feet, 20 per centum for additional board feet above one hundred twenty-five million up to one hundred fifty million, 25 per centum for additional board feet above one hundred fifty million up to one hundred seventy-five million, and 30 per centum for additional board feet above one hundred seventy-five million up to two hundred million, of the contract overbid but at least \$10 per one thousand board feet of currently held volume bought out.

(B) For purposes of this paragraph, the term "net book worth" does not include the value of any outstanding uncut Federal timber sales contracts.

(C) Net book worth shall be, subject to agency verification, as determined by an independent certified public accountant in accordance with generally accepted accounting standards for the timber industry.

(D) A purchaser may elect to pay the buy-out cost imposed by subparagraph (A)(iii) in lieu of utilizing loss and net book worth determinations.

(E) Where a purchaser is not able to obtain sufficient credit elsewhere to finance the buy-out charge at reasonable rates and terms, purchaser may, upon payment of 5 per centum of the buy-out charge, pay the remainder of the buy-out charge in equal quarterly payments over a period not to exceed 5 years at an interest rate adjusted with each payment equal to the average market yield of outstanding Treasury obligations with remaining years to maturity of five years payment must be secured by bond, deposited securities or other forms of security acceptable to the appropriate Secretary in an amount sufficient to cover the entire buy-out payment.

(F) For purposes of this paragraph, the term "contract overbid" is the difference between the advertised contract rate and the rate the purchaser bid.

(4)(A) Contracts returned pursuant to this subsection under which no harvest has begun shall be returned in full.

(B) Contracts returned to the appropriate Secretary pursuant to this subsection under which harvest has begun, shall be returned conditionally and shall not be considered as part of the outstanding volume of timber under contract for the purposes of this Act. The return shall become final after the purchaser has completed stages of contractual obligations for the units on which the harvest has begun, including work on roads, to logical stopping points as determined by the Secretary after consultation with the purchaser. All remaining unharvested units must be returned.

(C) The appropriate Secretary may reject return of a contract on which harvest has begun if he determines, in his discretion, that the remaining unharvested portion is substantially unrepresentative of the original sale as a whole in terms of species, logging methods, or other appropriate criteria, and that accepting the return of such contract would seriously disadvantage the Government.

(5)(A) Timber from returned or defaulted contracts shall be offered for resale in an orderly fashion as part of, and not in addition to, the normal congressionally authorized timber sales program, and in a manner which does not disrupt regional markets or artificially depress domestic timber prices. Timber from returned or defaulted contracts shall be given preference for resale in the Forest Service timber sales programs.

(B) Timber sales in Forest Service region 6 shall not exceed four billion three hundred million board feet of net merchantable sawtimber in fiscal year 1984.

(C) Beginning in fiscal year 1985 and continuing through fiscal year 1991 or the fiscal year in which timber contract extensions in region 6 granted under the President's program of July 28, 1983 (as constituted on October 16, 1984), are completed, whichever is later, the Secretary of Agriculture shall set, and periodically adjust as necessary, the maximum annual timber sale volume in region 6. Such maximum sale volume shall be set so as to achieve a volume of region 6 net merchantable sawtimber under contract at the end of each fiscal year which does not exceed twelve billion three hundred million board feet: *Provided, however,* That such maximum annual sale volume shall not exceed five billion two hundred million board feet of net merchantable sawtimber. The sale of timber within region 6 shall be made in such a manner as not to result in discriminatory treatment as between different forests in the region.

(6)(A) The Secretary of the Interior and the Secretary of Agriculture shall publish final rules for the implementation of this subsection in the Federal Register within ninety days after October 16, 1984.

(B) Such final rules shall require purchasers to submit buy-out requests to the appropriate Secretary within ninety days after the publication of such rules.

(7)(A) For purposes only of determining a purchaser's buy-out limitation under paragraph (2) and net worth in connection with buy-out cost under paragraph (3), concerns which are affiliates as defined under subparagraph (B) of this paragraph shall be treated as a single entity.

(B) Definition of affiliates: Concerns are affiliates of each other when either directly or indirectly, one concern controls or has the power to control the other, or a third party or parties controls or has the power to control both. In determining whether or not affiliation exists, consideration shall be given to all appropriate factors, including, but not limited to, common ownership, common management, and contractual relationships.

(C) Definition of purchaser: For the purposes of this Act, a purchaser is the holder of a contract to purchase timber from the Secretary of Agriculture or the Secretary of the Interior.

### **(b) Extension of time for performance of contracts; covered contracts; damages for default**

(1) Timber contracts bid prior to January 1, 1982, not bought out pursuant to subsection (a) and included in the President's program of July 28, 1983, shall not be subject to any further extension of

time for performance except as permitted under the President's program of July 28, 1983, as implemented by the Secretary of Agriculture and the Secretary of the Interior, providing for the extension of certain timber sale contracts and requiring the phased harvesting of such extended contracts, which program is hereby ratified except as modified by paragraph (2).

(2) Notwithstanding any other provision of law, timber contracts extended pursuant to the President's program of July 28, 1983, as implemented by the Secretary of Agriculture shall not be subject to inclusion of additional provisions for calculating damages for default.

**(c) Monitoring of bidding patterns on timber sale contracts; discouragement of bids; reporting requirements**

The Secretary of Agriculture and the Secretary of the Interior shall monitor bidding patterns on timber sale contracts and take action to discourage bidding at such a rate as would indicate that the bidder, if awarded the contract, would be unable to perform the obligations as required, or that the bid is otherwise for the purpose of speculation. Each Secretary shall include in the annual report to Congress information concerning actions taken under this subsection.

**(d) Cash down-payment and periodic payments for contracts; effective date**

Effective January 1, 1985, in any contract for the sale of timber from the National Forests, the Secretary of Agriculture shall require a cash down-payment at the time the contract is executed and periodic payments to be made over the remaining period of the contract.

**§619. Emergency stumpage rate redeterminations in Alaska**

**(b) Competitive effect of modification of contracts**

## §620. Findings and purposes

### (a) Findings

The Congress makes the following findings:

- (1) Timber is essential to the United States.
- (2) Forests, forest resources, and the forest environment are exhaustible natural resources that require efficient and effective conservation efforts.
- (3) In the interest of conserving those resources, the United States has set aside millions of acres of otherwise harvestable timberlands in the western United States, representing well over 100,000,000,000 board feet of otherwise harvestable timber.
- (4) In recent years, administrative, statutory, or judicial action has been taken to set aside an increased amount of otherwise harvestable timberlands for conservation purposes.
- (5) In the next few months and years, additional amounts of otherwise harvestable timberlands may be set aside for conservation purposes, pursuant to the Endangered Species Act of 1973 [16 U.S.C. 1531 et seq.], the National Forest Management Act of 1976, or other expected statutory, administrative, and judicial actions.
- (6) There is evidence of a shortfall in the supply of unprocessed timber in the western United States.
- (7) There is reason to believe that any shortfall which may already exist may worsen unless action is taken.
- (8) In conjunction with the broad conservation actions expected in the next few months and years, conservation action is necessary with respect to exports of unprocessed timber.

### (b) Purposes

The purposes of sections 620 to 620j of this title are—

- (1) to promote the conservation of forest resources in conjunction with State and Federal resources management plans, and other actions or decisions, affecting the use of forest resources;
- (2) to take action essential for the acquisition and distribution of forest resources or products in short supply in the western United States;
- (3) to take action necessary, to meet the goals of Article XI 2.(a) of the GATT 1994 (as defined in section 3501(1)(B) of title 19), to ensure sufficient supplies of certain forest resources or products which are essential to the United States;
- (4) to continue and refine the existing Federal policy of restricting the export of unprocessed timber harvested from Federal lands in the western United States; and
- (5) to effect measures aimed at meeting these objectives in conformity with the obligations of the United States under the WTO Agreement and the multilateral trade agreements (as such terms are defined in paragraphs (9) and (4), respectively, of section 3501 of title 19).

## **§620a. Restrictions on exports of unprocessed timber originating from Federal lands**

### **(a) Prohibition on export of unprocessed timber originating from Federal lands**

No person who acquires unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States may export such timber from the United States, or sell, trade, exchange, or otherwise convey such timber to any other person for the purpose of exporting such timber from the United States, unless such timber has been determined under subsection (b) to be surplus to the needs of timber manufacturing facilities in the United States.

### **(b) Surpluses**

#### **(1) Determinations by Secretary concerned**

The prohibition contained in subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from Federal lands which the Secretary concerned determines to be surplus to domestic manufacturing needs.

#### **(2) Procedures**

Any determination under paragraph (1) shall be made in regulations issued in accordance with section 553 of title 5. Any such determination shall be reviewed at least once in every 3-year period. The Secretary concerned shall publish notice of such review in the Federal Register, and shall give the public an opportunity to comment on such review.

(Pub. L. 101-382, title IV, §489, Aug. 20, 1990, 104 Stat. 715.)

## **§620b. Limitations on substitution of unprocessed Federal timber for unprocessed timber exported from private lands**

### **(a) Direct substitution**

(1) Except as provided in paragraph (3) and subsection (c), no person may purchase directly from any department or agency of the United States unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if—

(A) such unprocessed timber is to be used in substitution for exported unprocessed timber originating from private lands; or

(B) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands.

(2) Notwithstanding paragraph (1)—

(A) Federal timber purchased pursuant to a contract entered into between the purchaser and the Secretary concerned before the date on which regulations to carry out this subsection are issued under section 620f of this title shall be governed by the regulations of the Secretary concerned in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands;

(B) in the 1-year period beginning on August 20, 1990, any person who operates under a Cooperative Sustained Yield Unit Agreement, and who has an historic export quota shall be limited to entering into contracts under such a quota to a volume equal to not more than 66 percent of the person's historic export quota used during fiscal year 1989;

(C) a person referred to in subparagraph (B) shall reduce the person's remaining substitution volume by an equal amount each year thereafter such that no volume is substituted under such a quota in fiscal year 1995 or thereafter; and

(D) the 24-month period referred to in paragraph (1)(B) shall not apply to any person who—

(i) before August 20, 1990, has, under an historic export quota approved by the Secretary concerned, purchased unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States in substitution for exported unprocessed timber originating from private lands;

(ii) certifies to the Secretary concerned, within 3 months after August 20, 1990, that the person will, within 6 months after August 20, 1990, cease exporting unprocessed timber originating from private lands; and

(iii) ceases exports in accordance with such certification.

(3) **APPLICABILITY.**—In the case of the purchase by a person of unprocessed timber originating from Federal lands west of the 119th meridian in the State of Washington, paragraph (1) shall apply only if—

(A) the private lands referred to in paragraph (1) are owned by the person; or

(B) the person has the exclusive right to harvest timber from the private lands described in paragraph (1) during a period of more than 7 years, and may exercise that right at any time of the person's choosing.

### **(b) Indirect substitution**

#### **(1) In general**

Except as provided in paragraph (2), no person may, beginning 21 days after August 20, 1990, purchase from any other person unprocessed timber originating from Federal lands west of the 100th meridian in the contiguous 48 States if such person would be prohibited from purchasing such timber directly from a department or agency of the United States. Acquisitions of western red cedar which are domestically processed into finished products to be sold into domestic or international markets are exempt from the prohibition contained in this paragraph.

#### **(2) Exceptions**

(A) The Secretary of Agriculture shall, as soon as practicable but not later than 9 months after August 20, 1990, establish, by rule, a limited amount of unprocessed timber originating from

Federal lands described in subparagraph (B) which may be purchased by a person otherwise covered by the prohibition contained in paragraph (1). Such limit shall equal—

- (i) the amount of such timber acquired by such person, based on the higher of the applicant's actual timber purchasing receipts or the appropriate Federal agency's records, during fiscal years 1988, 1989, and 1990, divided by 3, or
- (ii) 15 million board feet,

whichever is less, except that such limit shall not exceed such person's proportionate share, with respect to all persons covered under this paragraph, of 50 million board feet.

(B) The Federal lands referred to in subparagraph (A) are Federal lands administered by the United States Forest Service Region 6 that are located north of the Columbia River from its mouth and east to its first intersection with the 119th meridian, and from that point north of the 46th parallel and east.

(C) Any person may sell, trade, or otherwise exchange with any other person the rights obtained under subparagraph (A), except that such rights may not be sold, traded, or otherwise exchanged to persons already in possession of such rights obtained under subparagraph (A).

(D) Federal timber purchased from Federal lands described in subparagraph (B) pursuant to a contract entered into between the purchaser and the Secretary of Agriculture before the date on which regulations to carry out this subsection are issued under section 620f of this title shall be governed by the regulations of the Secretary of Agriculture in effect before such date that restrict the substitution of unprocessed timber originating from Federal lands for exported timber originating from private lands.

### **(c) Sourcing areas**

#### **(1) In general**

The prohibitions contained in subsections (a) and (b) shall not apply with respect to the acquisition of unprocessed timber originating from Federal lands within a sourcing area west of the 100th meridian in the contiguous 48 States approved by the Secretary concerned under this subsection by a person who—

(A) in the previous 24 months, has not exported unprocessed timber originating from private lands within the sourcing area; and

(B) during the period in which such approval is in effect, does not export unprocessed timber originating from private lands within the sourcing area.

The Secretary concerned may waive the 24-month requirement set forth in subparagraph (A) for any person who, within 3 months after August 20, 1990, certifies that, within 6 months after August 20, 1990, such person will, for a period of not less than 3 years, cease exporting unprocessed timber originating from private lands within the sourcing area.

#### **(2) Requirements for application for sourcing areas for processing facilities located outside the northwestern private timber open market area**

The Secretaries concerned shall, not later than 3 months after August 20, 1990, prescribe procedures to be used by a person applying for approval of a sourcing area under paragraph (1). Such procedures shall require, at a minimum, the applicant to provide—

(A) information regarding the location of private lands (except private land located in the northwestern private timber open market area) from which such person has, within the previous year, harvested or otherwise acquired unprocessed timber which has been exported from the United States; and

(B) information regarding the location of each timber manufacturing facility owned or operated by such person within the proposed sourcing area boundaries at which the applicant proposes to process timber originating from Federal lands.

The prohibition contained in subsection (a) shall not apply to a person before the date which is 1 month after the procedures referred to in this paragraph are prescribed. With respect to any person who submits an application in accordance with such procedures by the end of the time period set forth in the preceding sentence, the prohibition contained in subsection (a) shall not apply to such

person before the date on which the Secretary concerned approves or disapproves such application.

**(3) Grant of approval for sourcing areas for processing facilities located outside of the northwestern private timber open market area**

**(A) In general**

For each applicant, the Secretary concerned shall, on the record and after an opportunity for a hearing, not later than 4 months after receipt of the application for a sourcing area, either approve or disapprove the application. The Secretary concerned may approve such application only if the Secretary determines that the area that is the subject of the application, in which the timber manufacturing facilities at which the applicant desires to process timber originating from Federal lands are located, is geographically and economically separate from any geographic area from which that person harvests for export any unprocessed timber originating from private lands.

**(B) For timber manufacturing facilities located in Idaho**

Except as provided in subparagraph (D), in making a determination referred to in subparagraph (A), the Secretary concerned shall consider the private timber export and the private and Federal timber sourcing patterns for the applicant's timber manufacturing facilities, as well as the private and Federal timber sourcing patterns for the timber manufacturing facilities of other persons in the same local vicinity of the applicant, and the relative similarity of such private and Federal timber sourcing patterns.

**(C) For timber manufacturing facilities located in States other than Idaho**

Except as provided in subparagraph (D), in making the determination referred to in subparagraph (A), the Secretary concerned shall consider the private timber export and the Federal timber sourcing patterns for the applicant's timber manufacturing facilities, as well as the Federal timber sourcing patterns for the timber manufacturing facilities of other persons in the same local vicinity of the applicant, and the relative similarity of such Federal timber sourcing patterns. Private timber sourcing patterns shall not be a factor in such determinations in States other than Idaho.

**(D) Area not included**

In deciding whether to approve or disapprove an application, the Secretary shall not—

- (i) consider land located in the northwestern private timber open market area; or
- (ii) condition approval of the application on the inclusion of any such land in the applicant's sourcing area, such land being includable in the sourcing area only to the extent requested by the applicant.

**(4) Denial of application for sourcing areas for processing facilities located outside the northwestern private timber open market area**

(A) Subject to subparagraph (B), and notwithstanding any other provision of law, in the 9-month period after receiving disapproval of an application submitted pursuant to this subsection, the applicant may purchase unprocessed timber originating from Federal lands in the area which is the subject of the application in an amount not to exceed 75 percent of the annual average of such person's purchases of unprocessed timber originating from Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application. In the subsequent 6-month period, such person may purchase not more than 25 percent of such annual average, after which time the prohibitions contained in subsection (a) shall fully apply.

(B) If a person referred to in subparagraph (A) certifies to the Secretary concerned, within 90 days after receiving disapproval of such application, that such person shall, within 15 months after such disapproval, cease the export of unprocessed timber originating from private lands from the geographic area determined by the Secretary for which the application would have been approved, such person may continue to purchase unprocessed timber originating from Federal lands in the area which is the subject of the application, without being subject to the restrictions of subparagraph (A), except that such purchases during that 15-month period may not exceed 125 percent of the annual average of such person's purchases of unprocessed timber originating from

Federal lands in the same area during the 5 full fiscal years immediately prior to submission of the application which was denied.

(C) Any person to whom subparagraph (B) applies may not, during the 15-month period after the person's application for sourcing area boundaries is denied, export unprocessed timber originating from private lands in the geographic area determined by the Secretary concerned for which the application would have been approved in amounts that exceed 125 percent of the annual average of such person's exports of unprocessed timber from such private lands during the 5 full fiscal years immediately prior to submission of the application.

**(5) Review of determinations for sourcing areas for processing facilities located outside the northwestern private timber open market area**

Determinations made under paragraph (3) shall be reviewed, in accordance with the procedures prescribed in sections 620 to 620j of this title, not less often than every 5 years.

**(6) Sourcing areas for processing facilities located in the northwestern private timber open market area**

**(A) Establishment**

In the northwestern private timber open market area—

(i) a sourcing area boundary shall be a circle around the processing facility of the sourcing area applicant or holder;

(ii) the radius of the circle—

(I) shall be the furthest distance that the sourcing area applicant or holder proposes to haul Federal timber for processing at the processing facility; and

(II) shall be determined solely by the sourcing area applicant or holder;

(iii) a sourcing area shall become effective on written notice to the Regional Forester for Region 6 of the Forest Service of the location of the boundary of the sourcing area;

(iv) the 24-month requirement in paragraph (1)(A) shall not apply;

(v) a sourcing area holder—

(I) may adjust the radius of the sourcing area not more frequently than once every 24 months; and

(II) shall provide written notice to the Regional Forester for Region 6 of the adjusted boundary of its sourcing area before using the adjusted sourcing area; and

(vi) a sourcing area holder that relinquishes a sourcing area may not reestablish a sourcing area for that processing facility before the date that is 24 months after the date on which the sourcing area was relinquished.

**(B) Transition**

With respect to a portion of a sourcing area established before November 14, 1997, that contains Federal timber under contract before November 14, 1997, and is outside the boundary of a new sourcing area established under subparagraph (A)—

(i) that portion shall continue to be a sourcing area only until unprocessed Federal timber from the portion is no longer in the possession of the sourcing area holder; and

(ii) unprocessed timber from private land in that portion shall be exportable immediately after unprocessed timber from Federal land in the portion is no longer in the possession of the sourcing area holder.

**(7) Relinquishment and termination of sourcing areas**

**(A) In general**

A sourcing area may be relinquished at any time.

**(B) Effective date**

A relinquishment of a sourcing area shall be effective as of the date on which written notice is provided by the sourcing area holder to the Regional Forester with jurisdiction over the sourcing area where the processing facility of the holder is located.

**(C) Exportability**

**(i) In general**

On relinquishment or termination of a sourcing area, unprocessed timber from private land within the former boundary of the relinquished or terminated sourcing area is exportable immediately after unprocessed timber from Federal land from within that area is no longer in the possession of the former sourcing area holder.

**(ii) No restriction**

The exportability of unprocessed timber from private land located outside of a sourcing area shall not be restricted or in any way affected by relinquishment or termination of a sourcing area.

**(d) Domestic transportation and processing of private timber**

Nothing in this section restricts or authorizes any restriction on the domestic transportation or processing of timber harvested from private land, except that the Secretary may prohibit processing facilities located in the State of Idaho that have sourcing areas from processing timber harvested from private land outside of the boundaries of those sourcing areas.

Except as provided in subsection (g), the Secretary of Commerce shall issue orders to prohibit the export from the United States of unprocessed timber originating from public lands, as provided in subsection (b).

**(b) Schedule for determination to prohibit export of unprocessed timber originating from State or other public lands**

**(1) States with annual sales of 400,000,000 board feet or less**

With respect to States with annual sales volumes of 400,000,000 board feet or less, the Secretary of Commerce shall issue an order referred to in subsection (a) to prohibit, notwithstanding any other provision of law, the export of unprocessed timber originating from public lands, effective June 1, 1993.

**(2) States with annual sales of greater than 400,000,000 board feet**

With respect to any State with an annual sales volume greater than 400,000,000 board feet, the Secretary of Commerce shall issue an order referred to in subsection (a) to prohibit, notwithstanding any other provision of law, the export of unprocessed timber originating from public lands, effective as of November 14, 1997.

**(3) Prohibition on substitution**

**(A) Prohibition**

Subject to subparagraph (B), each order of the Secretary of Commerce under paragraph (1) or (2) shall also prohibit, notwithstanding any other provision of law, any person from purchasing, directly or indirectly, unprocessed timber originating from public lands in a State if—

- (i) such unprocessed timber would be used in substitution for exported unprocessed timber originating from private lands in that State; or
- (ii) such person has, during the preceding 24-month period, exported unprocessed timber originating from private lands in that State.

**(B) Exemption**

The prohibitions referred to in subparagraph (A) shall not apply in a State on or after the date on which—

- (i) the Governor of that State provides the Secretary of Commerce with notification of a prior program under subparagraph (C) of subsection (d)(2),
- (ii) the Secretary of Commerce approves a program of that State under subparagraph (A) of subsection (d)(2), or
- (iii) regulations of the Secretary of Commerce issued under subsection (c) to carry out this section take effect,

whichever occurs first.

**(4) Report to Congress**

Not later than June 1, 1995, the Secretary of Commerce, in conjunction with the Secretaries of Agriculture and Interior, shall issue a report to the Congress on the effects of the reallocation, as a result of the enactment of sections 620 to 620j of this title, of public lands timber resources to the domestic timber processing sector, the ability of the domestic timber processing sector to meet domestic demand for forest products, the volume of transshipment of timber originating from public lands across State borders, the effectiveness of rules issued and administered by the Secretary of Commerce pursuant to sections 620 to 620j of this title and the effectiveness of State programs authorized under subsection (d), and trends in growth and productivity in the domestic timber processing sector.

**(c) Federal program**

**(1) Administration by the Secretary of Commerce**

**(A) In general**

Subject to subparagraph (B), the Secretary of Commerce shall, as soon as possible after July 1, 1993—

- (i) determine the species, grades, and geographic origin of unprocessed timber to be prohibited from export in each State that is subject to an order issued under subsection (a);
- (ii) administer the prohibitions consistent with sections 620 to 620j of this title;
- (iii) ensure that the species, grades, and geographic origin of unprocessed timber prohibited from export within each State is representative of the species, grades, and geographic origin of timber comprising the total timber sales program of the State; and
- (iv) issue such regulations as are necessary to carry out this section.

**(B) Exemption**

The actions and regulations of the Secretary under subparagraph (A) shall not apply with respect to a State that is administering and enforcing a program under subsection (d).

## **(2) Cooperation with other agencies**

The Secretary of Commerce is authorized to enter into agreements with Federal and State agencies with appropriate jurisdiction to assist the Secretary in carrying out sections 620 to 620j of this title.

## **(d) Authorized State programs**

### **(1) Authorization of new State programs**

Notwithstanding subsection (c), the Governor of any State may submit a program to the Secretary of Commerce for approval that—

(A) implements, with respect to unprocessed timber originating from public lands in that State, the prohibition on exports set forth in the Secretary's order under subsection (a); and

(B) ensures that the species, grades, and geographic origin of unprocessed timber prohibited from export within the State is representative of the species, grades, and geographic origin of timber comprising the total timber sales program of the State.

## **(2) Approval of State programs**

### **(A) Program approval**

Not later than 30 days after the submission of a program under paragraph (1), the Secretary of Commerce shall approve the program unless the Secretary finds that the program will result in the export of unprocessed timber from public lands in violation of sections 620 to 620j of this title and publishes that finding in the Federal Register.

### **(B) State program in lieu of Federal program**

If the Secretary of Commerce approves a program submitted under paragraph (1), the Governor of the State for which the program was submitted, or such other official of that State as the Governor may designate, may administer and enforce the program, which shall apply in that State in lieu of the regulations issued under subsection (c).

### **(C) Prior State programs**

Not later than 30 days after July 1, 1993, the Governor of any State that had, before May 4, 1993, issued regulations under this subsection as in effect before May 4, 1993, may provide the Secretary of Commerce with written notification that the State has a program that was in effect on May 3, 1993, and that meets the requirements of paragraph (1). Upon such notification, that State may administer and enforce that program in that State until the end of the 9-month period beginning on the date on which the Secretary of Commerce issues regulations under subsection (c), and that program shall, during the period in which it is so administered and enforced, apply in that State in lieu of the regulations issued under subsection (c). Such Governor may submit, with such notification, the program for approval by the Secretary under paragraph (1).

## **(e) Prior contracts**

Nothing in this section shall apply to—

(1) any contract for the purchase of unprocessed timber originating from public lands that was entered into before—

## **(f) Western red cedar**

Nothing in this section shall be construed to supersede section 4606(i) <sup>1</sup> of title 50.

## **(g) Presidential authority**

The President is authorized, after suitable notice and a public comment period of not less than 120 days, to suspend the provisions of this section if a panel of experts has reported to the Dispute Settlement Body of the World Trade Organization (as the term "World Trade Organization" is defined in section 3501(8) of title 19), or a ruling issued under the formal dispute settlement proceeding provided under any other trade agreement finds, that the provisions of this section are in violation of, or inconsistent with, United States obligations under that trade agreement.

**(h) Removal or modifications of State restrictions**

Based upon a determination that it is in the national economic interest, the President may remove or modify any prohibition on exports from public lands in a State if that State petitions the President to remove or modify such prohibition.

**(i) Effect of prior Federal law**

No provision of Federal law which imposes requirements with respect to the generation of revenue from State timberlands and was enacted before August 20, 1990, shall be construed to invalidate, supersede, or otherwise affect any action of a State or political subdivision of a State pursuant to sections 620 to 620j of this title.

**(j) Surplus timber**

The prohibitions on exports contained in orders of the Secretary of Commerce issued under subsection (a) shall not apply to specific quantities of grades and species of unprocessed timber originating from public lands which the Secretary concerned determines by rule to be surplus to the needs of timber manufacturing facilities in the United States. Any such determination may, by rule, be withdrawn by the Secretary concerned if the Secretary determines that the affected timber is no longer surplus to the needs of timber manufacturing facilities in the United States.

**(k) Suspension of prohibitions**

Notwithstanding any other provision of this section, beginning on January 1, 1998, and annually thereafter, if the President finds, upon review of the purposes and implementation of sections 620 to 620j of this title, that the prohibitions on exports required by subsection (a) no longer promote the purposes of sections 620 to 620j of this title, then the President may suspend such prohibitions, except that such suspension shall not take effect until 90 days after the President notifies the Congress of such finding.

**(l) Existing authority not affected**

Nothing in sections 620 to 620j of this title shall be construed to limit the authority of the President or the United States Trade Representative to take action authorized by law to respond appropriately to any measures taken by a foreign government in connection with sections 620 to 620j of this title.
