SUBJECT Interim contact for Round 28 NLSY79

BLS requests OMB approval for interim contact of sample members for Round 28 of the NLSY79. We propose to send a hard-copy newsletter to members of both the NLSY79 main cohort and the NLSY79-Young Adult cohort. Attachments A and B provide these newsletters.

BLS will not ask for any responses to these newsletter and thus there is no increase to respondent burden.

If you have any questions about this request, please contact Alison Aughinbaugh by telephone at 202-691-7520 or by e-mail at aughinbaugh.alison@bls.gov.
