

Public reporting burden for this collection of information is estimated to average 530 hours per response. For filers who have subsidiary organizations, as defined in Section X of these instructions, an additional public reporting burden is estimated to average 88 hours per response. These estimates include the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. Reporting of this information is mandatory and is required by the Labor-Management Reporting and Disclosure Act of 1959, as amended, for the purpose of public disclosure. As this is public information, there are no assurances of confidentiality. If you have any comments regarding this estimate or any other aspect of this information collection, including suggestions for reducing this burden, please send them to the U.S. Department of Labor, Office of Labor-Management Standards, Division of Interpretations and Standards, Room N-5609, 200 Constitution Avenue, NW, Washington, DC 20210.

INSTRUCTIONS FOR FORM LM-2 LABOR ORGANIZATION ANNUAL REPORT

GENERAL INSTRUCTIONS

I. WHO MUST FILE

Every labor organization subject to the Labor-Management Reporting and Disclosure Act, as amended (LMRDA), the Civil Service Reform Act (CSRA), or the Foreign Service Act (FSA) must file a financial report, Form LM-2, LM-3, or LM-4, each year with the Office of Labor-Management Standards (OLMS) of the U.S. Department of Labor. These laws cover labor organizations that represent employees who work in private industry, employees of the U.S. Postal Service, and most Federal government employees. Labor organizations that include or represent only state, county, or municipal government employees are not covered by these laws and, therefore, are not required to file. If you have a question about whether the labor organization is required to file, contact the nearest OLMS field office listed at the end of these instructions.

II. WHAT FORM TO FILE

Every labor organization subject to the LMRDA, CSRA, or FSA with total annual receipts of \$250,000 or more must file Form LM-2.

Labor organizations with total annual receipts of less than \$250,000 may file the simplified Form LM-3, if not in trusteeship as defined in Section IX (Labor Organization In Trusteeship) of these instructions. Labor organizations with total annual receipts of less than \$10,000 may file the

abbreviated annual report Form LM-4, if not in trusteeship.

The term "total annual receipts" means all financial receipts of the labor organization during its fiscal year, regardless of the source, including receipts of any special funds as described in Section VIII (Funds To Be Reported) or as described in Section X (Labor Organizations With Subsidiary Organizations). Receipts of an LMRDA section 3(l) trust in which the labor organization is interested (as described in Information Item 10) should not be included in the total annual receipts of the labor organization when determining which form to file, unless the 3(l) trust is a subsidiary organization of the union.

III. WHEN TO FILE

Form LM-2 must be filed within 90 days after the end of the labor organization's fiscal year (12-month reporting period). The law does not authorize the Department to grant an extension of time for filing reports. The penalties for delinquency are described in Section VI (Officer Responsibilities and Penalties) of these instructions.

If the labor organization went out of existence during its fiscal year, a terminal financial report must be filed within 30 days after the date it ceased to exist. See Section XII (Labor Organizations That Have Ceased to Exist) of these instructions for information on filing a terminal financial report.

IV. HOW TO FILE

Form LM-2 must be submitted electronically to the Department. Form LM-2 filers will be able to file reports in paper format only if they assert a temporary hardship exemption.

If you have difficulty navigating the software, or have questions about its functions and features, call the OLMS Help Desk at: (866) 401-1109. For questions concerning the reporting requirements, please send an e-mail to OLMS-Public@dol.gov or call (202) 693-0123.

TEMPORARY HARDSHIP EXEMPTION:

If a labor organization experiences unanticipated technical difficulties that prevent the timely preparation and submission of an electronic filing, the organization may assert a temporary hardship exemption to prepare and submit Form LM-2 in paper format by the required due date. An electronic format copy of the filed paper format document shall be submitted to the Department within ten business days after the required due date. Indicate in Item 3 (Amended, Hardship Exempted, or Terminal Report) that the labor organization is filing under the hardship exemption procedures. Unanticipated technical difficulties that may result in additional delays should be brought to the attention of the OLMS Division of Interpretations and Standards, which can be reached at the address below, by email at OLMS-Public@dol.gov, by phone at (202) 693-0123, or by fax at 202-693-1340.

Note: If either the paper filing or the electronic filing is not received in the timeframe specified above, the report will be considered delinquent.

V. PUBLIC DISCLOSURE

The LMRDA requires that the Department make labor organization financial reports available for inspection by the public. Reports may be viewed and downloaded from the OLMS Web site at www.unionreports.gov. Copies of reports and union constitutions and bylaws can also be ordered at the same Web site. Reports may also be examined and copies purchased at the OLMS Public Disclosure Room at the following address:

U.S. Department of Labor
Office of Labor-Management Standards

VI. OFFICER RESPONSIBILITIES AND PENALTIES

The president and treasurer or the corresponding principal officers of the labor organization required to sign Form LM-2 are personally responsible for its filing and accuracy. Under the LMRDA, officers are subject to criminal penalties for willful failure to file a required report and for false reporting. False reporting includes making any false statement or misrepresentation of a material fact while knowing it to be false, or for knowingly failing to disclose a material fact in a required report or in the information required to be contained in it or in any information required to be submitted with it.

The reporting labor organization and the officers required to sign Form LM-2 are also subject to civil prosecution for violations of the filing requirements. Section 210 of the LMRDA (29 U.S.C. 440) provides that "whenever it shall appear that any person has violated or is about to violate any of the provisions of this title, the Secretary may bring a civil action for such relief (including injunctions) as may be appropriate."

Under the CSRA and FSA and implementing regulations, false reporting and failure to report may result in administrative enforcement action and litigation. The officers responsible for signing Form LM-2 are also subject to criminal penalties for false reporting and perjury under Sections 1001 of Title 18 and 1746 of Title 28 of the United States Code.

VII. RECORDKEEPING

The officers required to file Form LM-2 are responsible for maintaining records that will provide in sufficient detail the information and data necessary to verify the accuracy and completeness of the report. The records must be kept for at least 5 years after the date the report is filed. Any record necessary to verify, explain or clarify the report must be retained, including, but not limited to, vouchers, worksheets, receipts, applicable resolutions, and any electronic documents, including recordkeeping software, used to complete, read, and file the report.

VIII. FUNDS TO BE REPORTED

The labor organization must report financial information on Form LM-2 for all funds of the labor organization. Include any special purpose funds or accounts, such as strike funds, vacation funds, and scholarship funds even if they are not part of the labor organization's general treasury.

All labor organization political action committee (PAC) funds are considered to be labor organization funds. However, to avoid duplicate reporting, PAC funds that are kept separate from your labor organization's treasury are not required to be included in your organization's Form LM-2 if publicly available reports on the PAC funds are filed with a Federal or state agency.

Your organization is required to report financial information about any "subsidiary organizations." Financial information about your organization and its subsidiary organizations may be combined on a single Form LM-2 or you may attach to your Form LM-2 report the regular annual report of the financial condition and operations of the subsidiary organization with a signed certification by an independent public accountant, as described in Section X (Labor Organizations With Subsidiary Organizations).

If combining the information concerning subsidiary organizations, be sure to include the requested information and amounts for the subsidiary organizations as well as for all other assets of your union in all items.

SPECIAL INSTRUCTIONS FOR CERTAIN ORGANIZATIONS

IX. LABOR ORGANIZATIONS IN TRUSTEESHIP

Any labor organization that has placed a subordinate labor organization in trusteeship is responsible for filing the subordinate's annual financial report. A trusteeship is defined in section 3(h) of the LMRDA (29 U.S.C. 402) as "any receivership, trusteeship, or other method of supervision or control whereby a labor organization suspends the autonomy otherwise available to a subordinate body under its constitution or bylaws."

Annual financial reports filed for any labor organization in trusteeship must be filed on Form LM-2. The report must be signed by the president and treasurer or corresponding principal officers of the labor organization that imposed the trusteeship. The trustees of the subordinate labor organization must also sign and date Form LM-2. To add signature blocks, click on the "Add Signature Block" button on the bottom of page 1.

X. LABOR ORGANIZATIONS WITH SUBSIDIARY ORGANIZATIONS

The labor organization must disclose assets, liabilities, receipts, and disbursements of a subsidiary organization.

Within the meaning of these instructions, a subsidiary organization is defined as any separate organization of which the ownership is wholly vested in the reporting labor organization or its officers or its membership, which is governed or controlled by the officers, employees, or members of the reporting labor organization, and which is wholly financed by the reporting labor organization. A subsidiary organization is considered to be wholly financed if the initial financing was provided by the reporting labor organization even if the subsidiary organization is currently wholly or partially self-sustaining. An example of a subsidiary organization is a building corporation which holds title to a building; the labor organization owns the building corporation, selects the officers, and finances the operation of the building corporation.

A labor organization is required to report financial information for each of its subsidiary organizations using one of the following methods:

Method (1) — Consolidate the financial information for the subsidiary organization and the labor organization on a single Form LM-2.

Method (2) —File, with the labor organization's Form LM-2, the regular annual report of the financial condition and operations of the subsidiary organization, accompanied by a statement signed by an independent public accountant certifying that the financial report presents fairly the financial condition and operations of the subsidiary organization and was prepared in accordance with generally accepted accounting principles.

Financial information reported separately for subsidiary organizations under method (2) must include the name of the subsidiary organization and the name and file number of the labor organization as shown on its Form LM-2. The financial report of the subsidiary organization must cover the same reporting period as that used by the reporting labor organization.

When method (2) is used and the subsidiary organization is an investment, the financial interest of the reporting labor organization in the subsidiary organization must be reported in Item 26 (Investments) and in Schedule 5 (Investments) of the labor organization's Form LM-2. When method (2) is used and the subsidiary organization is of a non-investment nature, the financial interest of the reporting labor organization in the subsidiary organization must be reported in Item 28 (Other Assets) and in Schedule 7 (Other Assets) of the labor organization's Form LM-2.

The same type of information required on Form LM-2 regarding disbursements to officers and employees and loans made by labor organizations must also be reported with respect to the subsidiary organization. In method (1) the information relating to the subsidiary organization must be combined with that of the labor organization and reported on the labor organization's Form LM-2 on Schedule 11 (All Officers and Disbursements to Officers) and Schedule 12 (Disbursements to Employees) and Statement A, Item 24 (Loans Receivable) and Schedule 2 (Loans Receivable) in the detail required by the instructions. If method (2) is used, an attachment must be submitted containing the information required by the instructions for Schedules 2, 11, and 12.

The information regarding loans made by the subsidiary organization must include in Schedule 2 (Loans Receivable) a listing of the names of each officer, employee, or member of the labor organization and each officer or employee of the subsidiary organization whose total loan indebtedness to the subsidiary organization, to the labor organization, or to both at any time during the reporting period exceeded \$250. However, if method (2) is used, the amount reported by the subsidiary organization should be only the amount owed to the subsidiary organization.

The annual financial report must also include on Schedule 11 (All Officers and Disbursements to Officers) all disbursements made by the subsidiary organization to or on behalf of its officers and officers of the labor organization. The report must also list on Schedule 12 (Disbursements to Employees) the name and position of the subsidiary organization's employees whose total gross salaries, allowances, and other disbursements from the subsidiary organization, the reporting labor organization, and any affiliates were more than \$10,000. However, if method (2) is used, only the disbursements of the subsidiary organization for its employees should be reported.

XI. COMPLETING FORM LM-2

INTRODUCTION

Most pages have a "Save & Calculate" button to total and transfer data to fields in various parts of the form. You may click on one or more of these buttons as you fill out the form at any time.

You may click on the "Validate Form" button at any time to check for errors. This action will generate an "Errors Page" listing any errors that will need to be corrected before you will be able to sign the form. Clicking on the signature lines will also perform the validation function.

INFORMATION ITEMS 1–9

Items 1, 2, and 4-8 are "pre-filled" items. These fields are filled in by the software based on information you entered when you accessed the form from our Web site. You cannot edit the information pre-filled in Items 1, 2, and 4-7.

1. FILE NUMBER — The software will enter the labor organization's 6-digit file number here and at the top of each page of Form LM-2. This is the number you entered when you downloaded Form LM-2. If the number is incorrect, you must download another copy of the form using the correct number. If the labor organization does not have the number on file and cannot obtain the number from prior reports filed with the Department, the number can be obtained from the OLMS Web site at www.unionreports.gov, or by contacting the nearest OLMS field office.

2. PERIOD COVERED — The software will enter the beginning and ending dates of the

period covered by this report. These are the dates you entered when you downloaded Form LM-2. If the dates are incorrect, you must download another form using the correct dates.

If the labor organization changed its fiscal year, the ending date in Item 2 should be the labor organization's new fiscal year ending date and the labor organization should indicate in Item 69 (Additional Information) that the report is for a period of less than 12 months because its fiscal year has changed. For example, if the labor organization's fiscal year ending date changes from June 30 to December 31, a report must be filed for the partial year from July 1 to December 31. Thereafter, the labor organization's annual report should cover a full 12-month period from January 1 to December 31.

3. AMENDED, HARDSHIP EXEMPTED, OR TERMINAL REPORT — Do not complete this item unless this report is an amended, hardship exempted, or terminal report. Select Item 3(a) if the labor organization is filing an amended report correcting a previously filed report. Select Item 3(b) if the labor organization is filing under the hardship exemption procedures defined in Section IV. Select Item 3(c) if the labor organization has gone out of business by disbanding, merging into another labor organization, or being merged and consolidated with one or more labor organizations to form a new labor organization, and this is the labor organization's terminal report. Be sure the date the labor organization ceased to exist is entered in Item 2 (Period Covered) after the word "Through." See Section XII (Labor Organizations That Have Ceased to Exist) of these instructions for more information on filing a terminal report.

4. AFFILIATION OR ORGANIZATION NAME — The software accesses this information from the OLMS database and will enter the name of the national or international labor organization that granted the labor organization a charter. "Affiliates," within the meaning of these instructions, are labor organizations chartered by the same parent body, governed by the same constitution and bylaws, or having the relationship of parent and subordinate. For example, a parent body is an affiliate of all of its subordinate bodies, and all subordinate bodies of the same parent body are affiliates of each other.

If the labor organization has not reported such an affiliation, the software will enter the name of the labor organization as currently identified in the labor organization's constitution and bylaws or other organizational documents.

This item cannot be edited by the filer. If the labor organization needs to change this information, contact OLMS at (202) 693-0123.

5. DESIGNATION — The software will enter the specific designation that is used to identify the labor organization, such as Local, Lodge, Branch, Joint Board, Joint Council, District Council, etc. This field cannot be edited by the filer.

6. DESIGNATION NUMBER — The software will enter the number or other identifier, if any, by which the labor organization is known. This field cannot be edited by the filer.

7. UNIT NAME — The software will enter any additional or alternate name by which the labor organization is known, such as "Chicago Area Local." This field cannot be edited by the filer.

8. MAILING ADDRESS — The software accesses the union's mailing address on record in the OLMS database and enters it in Item 8. The first and last name of the person, if any, to whom such mail should be sent and any building and room number should be included. These fields can be edited.

9. PLACE WHERE RECORDS ARE KEPT — If the records required to be kept by the labor organization to verify this report are kept at the address reported in Item 8 (Mailing Address), answer "Yes." If not, answer "No" and provide in Item 69 (Additional Information) the address where the labor organization's records are kept.

INFORMATION ITEMS 10–21

Answer Items 10 through 21 as instructed. Select the appropriate box for those questions requiring a "Yes" or "No" answer; do not leave both boxes blank. Enter a single "0" in the boxes for items requiring a number or dollar amount if there is nothing to report.

10. TRUSTS OR FUNDS — Answer "Yes" to Item 10, if the labor organization has an interest in a trust or other fund as defined in 29 U.S.C. 402(l). Provide in Item 69 (Additional

Information) the full name, address, and purpose of each trust or other fund. If a report has been filed for the trust or other fund under the Employee Retirement Income Security Act of 1974 (ERISA), report in Item 69 (Additional Information) the ERISA file number (Employer Identification Number — EIN) and plan number, if any.

A trust in which a labor organization is interested is defined in Section 3(l) of the LMRDA (29 U.S.C. 402(l)) as:

...a trust or other fund or organization (1) which was created or established by a labor organization, or one or more of the trustees or one or more members of the governing body of which is selected or appointed by a labor organization, and (2) a primary purpose of which is to provide benefits for the members of such labor organization or their beneficiaries.

The determination whether a particular entity is a trust in which a labor organization is interested will be based on the facts in each case.

11. POLITICAL ACTION COMMITTEE FUNDS AND SUBSIDIARY ORGANIZATIONS — If the labor organization answered “Yes” to Item 11(a), in reference to a political action committee, provide in Item 69 (Additional Information) the full name of each separate political action committee (PAC) and list the name of any government agency, such as the Federal Election Commission or a state agency, with which the PAC has filed a publicly available report, and the relevant file number of the PAC. (PAC funds kept separate from the labor organization’s treasury need not be included in the labor organization’s Form LM-2 if publicly available reports on the PAC funds are filed with a Federal or state agency.)

If the labor organization answered “Yes” to Item 11(b), in reference to a subsidiary organization, provide in Item 69 (Additional Information) the name, address, and purpose of each subsidiary organization. Indicate whether the information concerning its financial condition and operations is included in this Form LM-2 or in a separate report. See Section X of these instructions for information on reporting subsidiary organizations.

12. AUDIT OR REVIEW OF BOOKS AND RECORDS — If the labor organization answered “Yes” to Item 12, indicate in Item 69 (Additional Information) whether the audit or review was performed by an outside accountant or a parent body auditor/representative. If an outside accountant performed the audit or review, provide the name of the accountant or accounting firm. Report any audit or review by an outside accountant or a parent body auditor/representative in which the labor organization’s books and records were examined to verify their accuracy and validity. The term “audit or review” does not include providing assistance in developing a bookkeeping system, providing routine bookkeeping services, or merely compiling information from the labor organization’s books and records to prepare Form LM-2 or other financial reports. Also, do not answer “Yes” to Item 12 if an audit committee or trustees of the labor organization performed the audit or review.

13. LOSSES OR SHORTAGES — Answer “Yes” to Item 13 if the labor organization experienced a loss, shortage, or other discrepancy in its finances during the period covered. Describe the loss or shortage in detail in Item 69 (Additional Information), including such information as the amount of the loss or shortage of funds or a description of the property that was lost, how it was lost, and to what extent, if any, there has been an agreement to make restitution or any recovery by means of repayment, fidelity bond, insurance, or other means.

14. FIDELITY BOND — Enter the maximum amount recoverable for a loss caused by any officer, employee, or agent of the labor organization who handled the labor organization’s funds. Enter “0” if the labor organization was not covered by a fidelity bond during the reporting period.

NOTE: If a labor organization has property and annual financial receipts that exceeded \$5,000, each of the labor organization’s officers, employees, and agents who handles funds or other property of the labor organization must be bonded. The amount of the bond must be at least 10% of the value of the funds handled by the individual during the last reporting period, up to a maximum bond of \$500,000. The bond must be obtained from a surety company approved by the Secretary of the Treasury. If you have any

questions or need more information about bonding requirements, contact the nearest OLMS field office.

15. ACQUISITION OR DISPOSITION OF ASSETS — If the labor organization answered "Yes" to Item 15, describe in Item 69 (Additional Information) the manner in which the labor organization acquired or disposed of the asset(s), such as donating office furniture or equipment to charitable organizations, trading in assets, writing off a receivable, or giving away other tangible or intangible property of the labor organization. Include the type of asset, its value, and the identity of the recipient or donor, if any. Also report in Item 69 the cost or other basis at which any acquired assets were entered on the labor organization's books or the cost or other basis at which any assets disposed of were carried on the labor organization's books. For example, assets may be entered on the labor organization's books at cost and carried at that value; carried at cost less accumulated depreciation; or carried at scrap value or other nominal value because the assets were fully depreciated or were expensed when purchased (that is, the cost was charged to current expenses rather than entered on the books and periodically depreciated).

For assets that were traded in, enter in Item 69 the cost, book value, and trade-in allowance.

16. PLEDGED OR ENCUMBERED ASSETS — If the labor organization answered "Yes" to Item 16, identify in Item 69 (Additional Information) all of the labor organization's assets pledged or encumbered in any way (such as those pledged as collateral for a loan) at the end of the reporting period. Also report in Item 69 their fair market value, and provide details of transactions related to the encumbrance.

17. CONTINGENT LIABILITIES — If the labor organization answered "Yes" to Item 17, describe in Item 69 (Additional Information) the transactions or events resulting in the contingent liabilities and include the identity of the claimant or creditor. Contingent liabilities are potential obligations that may or may not develop into actual liabilities in the future. Examples of a contingent liability are a loan co-signed by the labor organization, or a pending lawsuit that could result in the labor organization being ordered to pay damages or make other payments.

A pending administrative or judicial action is considered a contingent liability that must be reported in Item 17 if, in the opinion of legal counsel, it is reasonably possible that the labor organization will be required to make some payment. Such administrative or judicial actions must be reported as contingent liabilities regardless of whether or not the possible losses would have a materially adverse effect on the labor organization's financial condition. List in Item 69 each administrative or judicial action, including the case number, court, and caption.

18. CHANGES IN CONSTITUTION AND BYLAWS OR PRACTICES AND PROCEDURES — If the labor organization answered "Yes" to Item 18 because the labor organization's constitution and bylaws were changed during the reporting period (other than rates of dues and fees), a dated copy of the new constitution and bylaws must be submitted to OLMS as an electronic attachment to the Form LM-2.

If the labor organization is governed by a uniform or model constitution and bylaws prescribed by the labor organization's parent national or international body, the labor organization's parent body may file the constitution and bylaws on the labor organization's behalf. If the parent body files a constitution and bylaws on the labor organization's behalf, answer "Yes" to Item 18 and state that fact in Item 69 (Additional Information). If the labor organization has any supplemental governing documents or has modified a model constitution and bylaws, the labor organization must file these documents.

If the labor organization answered "Yes" to Item 18 because the labor organization changed any of the practices/procedures listed below during the reporting period and the practices/procedures are not described in the labor organization's constitution or bylaws, the labor organization must file an amended Form LM-1 (Labor Organization Information Report) to update information on file with the Department:

- qualifications for or restrictions on membership;
- levying assessments;
- participating in insurance or other benefit plans;
- authorizing disbursement of labor organization funds;

- auditing financial transactions of the labor organization;
- calling regular and special meetings;
- authorizing bargaining demands;
- ratifying contract terms;
- authorizing strikes;
- disciplining or removing officers or agents for breaches of their trust;
- imposing fines and suspending or expelling members including the grounds for such action and any provision made for notice, hearing, judgment on the evidence, and appeal procedures;
- selecting officers and stewards and any representatives to other bodies composed of labor organizations' representatives;
- invoking procedures by which a member may protest a defect in the election of officers (including not only all procedures for initiating an election protest but also all procedures for subsequently appealing an adverse decision, e.g., procedures for appeals to superior or parent bodies, if any); and
- issuing work permits.

Information on obtaining Form LM-1 may be obtained from the OLMS Web site at www.olms.dol.gov or from any OLMS field office.

NOTE: Federal employee labor organizations subject solely to the Civil Service Reform Act or Foreign Service Act are not required to submit an amended Form LM-1 to describe revised or changed practices/procedures.

19. NEXT REGULAR ELECTION — Enter the month and year of the labor organization's next regular election of general officers (president, vice president, treasurer, secretary, etc.). Do not report the date of any interim election to fill vacancies.

20. NUMBER OF MEMBERS — After Schedule 13 is completed and the "Save & Calculate" button is clicked, the software will enter the total number of members into Item 20.

21. DUES AND FEES — Enter the dues and fees established by the labor organization. If more than one rate applies, enter the minimum and maximum rates. Enter "0" where appropriate.

Line (a): Enter the regular dues, fees or other periodic payments that a member must pay to be in good standing in the labor organization, including the calendar basis for the payment (per month, per year, etc.). Include only the dues or fees of regular members and not dues or fees of members with special rates, such as apprentices, retirees, or unemployed members.

Line (b) If individuals covered by your organization's collective bargaining agreement(s) pay "working" dues in addition to their regular dues, enter the amount or percent of "working" dues, including the basis for the payment (per hour, per month, etc.).

Line (c): Enter the initiation fees required from new members.

Line (d): Enter the fees other than dues required from transferred members. Such fees are those charged to persons applying for a transfer of membership to the labor organization from another labor organization with the same affiliation. Do not report fees charged to members transferring from one class of membership to another within the labor organization.

Line (e): If the labor organization issues work permits, enter the fees required and enter the calendar basis for the payment (per month, per year, etc.). Work permit fees are fees charged to nonmembers of the labor organization who work within its jurisdiction. Do not report as work permit fees those fees charged to nonmember applicants for membership pending acceptance of their membership application, or fees charged to persons applying for transfer of membership to the labor organization pending acceptance of their application for transfer.

An example of an indirect loan is a disbursement by the labor organization to an educational institution for the tuition expense of an officer, employee, or member that must be repaid to the labor organization by that individual. Be sure to report all loans that were made and repaid in full during the reporting period. Do not include investments in corporate bonds or mortgages purchased on a block basis through a bank or similar institution that must be reported in Schedule 5 (Investments Other Than U.S. Treasury Securities).

NOTE: Advances, including salary advances, are considered loans and must be reported in Schedule 2 (Loans Receivable). However, advances to officers and employees of the labor organization for travel expenses necessary for

conducting official business are not considered loans if the following conditions are met:

- The amount of an advance for a specific trip does not exceed the amount of expenses reasonably expected to be incurred for official travel in the near future, and the amount of the advance is fully repaid or fully accounted for by vouchers or paid receipts within 30 days after the completion or cancellation of the travel.
- The amount of a standing advance to an officer or employee who must frequently travel on official business does not unreasonably exceed the average monthly travel expenses for which the individual is separately reimbursed after submission of vouchers or paid receipts, and the individual does not exceed 60 days without engaging in official travel.

See the instructions for Schedules 7 (Other Assets), 11 (All Officers and Disbursements to Officers) and 12 (Disbursements to Employees) for reporting travel advances that meet these criteria.

An "indirect disbursement" to an officer is a payment made by the labor organization to another party for cash, property, goods, services, or other things of value received by or on behalf of the officer. "On behalf of the officer" refers to a payment received by a party other than the officer or the labor organization for the personal interest or benefit of the officer. Such payments include those made through a credit arrangement under which charges are made to the account of the labor organization and are paid by the labor organization. For example, when a union, through its credit arrangements, is billed directly and pays the hotel bills of an officer who, during his workweek, resides at a hotel in the city where the union headquarters is located away from his legal residence in another city, the payments must be reported as disbursements to the officer.

Column (A): Enter in (A) the last name, first name, and middle initial of each person who held office in the labor organization at any time during the reporting period. Include all the labor organization's officers whether or not any salary or other disbursements were made to them or on their behalf by the labor organization. "Officer" is defined in section 3(n) of the LMRDA (29 U.S.C. 402) as "any constitutional officer, any person authorized to perform the functions of president, vice president, secretary, treasurer, or other executive functions of a labor organization, and any member of its executive board or similar governing body."

period and was still in office at the end of the reporting period. If any officer was not elected at a regular election in accordance with the labor organization's constitution and bylaws or other governing documents on file with OLMS, explain the manner in which the officer was chosen in Item 69 (Additional Information).

Column (D): Enter the gross salary of each officer (before tax withholdings and other payroll deductions). Include disbursements for "lost time" or time devoted to union activities.

Column (E): Enter the total allowances made by direct and indirect disbursements to each officer on a daily, weekly, monthly, or other periodic basis. Do not include allowances paid on the basis of mileage or meals which must be reported in Column (F) or (G), as applicable.

Column (F): Enter all direct and indirect disbursements to each officer that were necessary for conducting official business of the labor organization, except salaries or allowances which must be reported in Columns (D) and (E), respectively.

Examples of disbursements to be reported in Column (F) include all expenses that were reimbursed directly to an officer, meal allowances and mileage allowances, expenses for officers' meals and entertainment, and various goods and services furnished to officers but charged to the labor organization. Such disbursements should be included in Column (F) only if they were necessary for conducting official business; otherwise, report them in Column (G). Also include in Column (F) travel advances that are not considered loans as explained in the instructions for Schedule 2 (Loans Receivable).

Do not report the following disbursements in Schedule 11:

- Reimbursements to an officer for the purchase of investments or fixed assets, such as reimbursing an officer for a file cabinet purchased for office use, which must be reported in Schedule 4 (Purchase of Investments and Fixed Assets) and explained in Item 69 (Additional Information);
- Indirect disbursements for temporary lodging (room rent charges only) or transportation by public carrier necessary for conducting official business while the officer is in travel status

away from his or her home and principal place of employment with the labor organization if payment is made by the labor organization directly to the provider or through a credit arrangement and these disbursements are reported in disbursement Schedules 15 through 19;

- Disbursements made by the labor organization to someone other than an officer as a result of transactions arranged by an officer in which property, goods, services, or other things of value were received by or on behalf of the labor organization rather than the officer, such as rental of offices and meeting rooms, purchase of office supplies, refreshments and other expenses of membership banquets or meetings, and food and refreshments for the entertainment of groups other than the officers and membership on official business;
- Office supplies, equipment, and facilities furnished to officers by the labor organization for use in conducting official business; and
- Maintenance and operating costs of the labor organization's assets, including buildings, office furniture, and office equipment; however, see "Special Rules for Automobiles" below.

Column (G): Enter all other direct and indirect disbursements to each officer. Include all disbursements for which cash, property, goods, services, or other things of value were received by or on behalf of each officer and were essentially for the personal benefit of the officer and not necessary for conducting official business of the labor organization.

Include in Column (G) all disbursements for transportation by public carrier between the officer's home and place of employment or for other transportation not involving the conduct of official business. Also, include the operating and maintenance costs of all the labor organization's assets (automobiles, etc.) furnished to officers essentially for the officers' personal use rather than for use in conducting official business.

Do not include in Column (G) loans to officers, which must be reported in Schedule 2 (Loans Receivable) or disbursements for benefits to officers, which must be reported in disbursement Schedule 20 (Benefits).

The software will also enter the totals for all officers listed in Columns (D) through (H) on the "Total Officers Disbursements" line.

Enter the total amount of withheld taxes, payroll deductions, and all other deductions on the "Less Deductions" line.

Click the "Save & Calculate" button at the top of the schedule and the software will subtract the "Less Deductions" line from the "Total Officers Disbursements" line and enter the difference on the "Net Disbursements" line.

Line (I): Enter the estimated percentage of time spent by the officer on activities that fall within Schedules 15 through 19 in the box next to that schedule. You may round to the nearest 10%. When the time reported by an individual in an activity is less than 5% of his or her total work time, the officer's best estimate to the nearest percentage should be reported rather than rounding to zero. The total must equal 100%. It is understood that these figures may be imprecise. For instance, the president of an intermediate body may spend four months working intensely on a multi-state contract negotiation, two months lobbying against a state referendum, two more months on a contentious organizing drive, and throughout these activities he had to keep up with his other duties as president. The president's good-faith estimate might be to report 50% on Schedule 15 – Representational Activities, 17% on Schedule 16 – Political Activities and Lobbying, 3% on Schedule 17 – Contributions, Gifts, and Grants, and 30% on Schedule 19 – Union Administration. The example is not intended to be a representation of a typical allocation of time but it should be used to help understand the rationale that should be employed when making these determinations.

Click the "Save & Calculate" button at the top of the schedule. Using these percentages, the software aggregates the amount of total disbursements (Column (H)) allocated to each schedule for every officer and enters the total on Line 3 of the Detailed Summary Page for Schedules 15-19.

SPECIAL RULES FOR AUTOMOBILES

Include in Column (G) of Schedule 11 that portion of the operating and maintenance costs of any automobile owned or leased by the labor organization to the extent that the use was for the personal benefit of the officer to whom it was assigned. This portion may be computed on the basis of the mileage driven on official business compared with the mileage for personal use. The portion not included in Column (G) must be reported in Column (F).

Alternatively, rather than allocating these operating and maintenance costs between Columns (F) and (G), if 50% or more of the officer's use of the vehicle was for official business, the labor organization may enter in Column (F) all disbursements relative to that vehicle with an explanation in Item 69 (Additional Information) indicating that the vehicle was also used part of the time for personal business. Likewise, if less than 50% of the officer's use of the vehicle was for official business, the labor organization may report all disbursements relative to the vehicle in Column (G) with an explanation in Item 69 indicating that the vehicle was also used part of the time on official business.

The amount of decrease in the market value of an automobile used over 50% for the personal benefit of an officer must also be reported in Item 69.

SCHEDULE 12 – DISBURSEMENTS TO EMPLOYEES

Report all direct and indirect disbursements to employees of the labor organization during the reporting period. Also report the percentage of time spent by each employee in the categories provided. If additional lines are required, click the Add More Disbursements to Employees button on the top of the schedule. The software adds lines to the schedule in increments of ten.

Include disbursements to individuals other than officers who receive lost time payments even if the labor organization does not otherwise consider them to be employees or does not make any other direct or indirect disbursements to them. The definitions of "direct disbursements" and "indirect disbursements" are

the same as the definitions stated above in Schedule 11.

If additional lines are required, click the "Add More Disbursements to Employees" button at the top of the schedule. The software will add lines to the schedule in increments of ten.

Column (A): Enter the last name, first name, and middle initial of each employee who during the reporting period received more than \$10,000 in gross salaries, allowances, and other direct and indirect disbursements from the labor organization (including any subsidiary organizations) or from any affiliates of the labor organization. ("Affiliates" means labor organizations chartered by the same parent body, governed by the same constitution and bylaws, or having the relation of parent and subordinate.) The labor organization's report, however, should not include disbursements made by affiliates but should include only the disbursements made by the labor organization.

Column (B): Enter the position each listed employee held in the labor organization (including any subsidiary organizations).

Column (C): Enter the name of any affiliate that paid any salaries, allowances, or expenses on behalf of a listed employee. If a subsidiary of the labor organization paid any salaries, allowances, or expenses on behalf of a listed employee, see Section X of these Instructions for information about reporting these disbursements.

Columns (D) through (G) and Line (I): To complete Columns (D) through (G) and Line (I), follow the instructions for Columns (D) through (G) and for Line (I) of Schedule 11.

Column (H): Click the "Save & Calculate" button at the top of the schedule and the software will add the amounts in Columns (D) through (G) on each line and enter the individual totals in Column (H).

Enter in Columns (D) through (G) on the "Total Received By All Other Employees Making \$10,000 Or Less," the totals of all gross salaries, allowances, and other disbursements for all employees of the labor organization not required to be listed above.

Click the "Save & Calculate" button and at the top of the schedule and the software will add the

amounts in Columns (D) through (G) on the "Total Received By All Other Employees Making \$10,000 or Less" line and enter the total in Column (H). The software will also enter the total of all amounts listed in Columns (D) through (H) on the "Total Employees Disbursements" line.

Enter the total amount of withheld taxes, payroll deductions, and all other deductions on the "Less Deductions" line.

Click the "Save & Calculate" button on the page the software will subtract the "Less Deductions" line from the "Total Employees Disbursements" line and enter the difference on the "Net Disbursements" line.

SCHEDULE 13 – MEMBERSHIP STATUS INFORMATION

Enter in Column (A) the categories of membership tracked by the reporting labor organization. Define each category of membership in Item 69 (Additional Information). The definition should include a description of the members covered by the category and indicate whether the members pay full dues.

In Column (B) enter the number of members for each of the membership categories listed in Column (A).

If additional lines are required, click the "Add More Membership Statuses" button at the top of the schedule. The software will add lines to the schedule in increments of ten.

Members (Total of all lines above) – Click the "Save & Calculate" button at the top of the schedule and the software will enter on this line the total number of all members reported in Column (B). The software will also enter the total number of members in your organization in Item 20 (Number of Members).

Agency Fee Payers Line – Enter the total number of agency fee payers in your organization. Agency fee paying nonmembers are those who make payments in lieu of dues to the reporting labor organization as a condition of employment under a union security provision in a collective bargaining agreement.

Total Members/Fee Payers Line – Click the "Save & Calculate" button at the top of the

schedule and the software will enter the total of all members of the labor organization and agency fee payers reported in Column (B). This total in Column (B) is not the total number of members of the labor organization reportable in Item 20.

Check the "Yes" box in Column (C) if the category of membership listed in Column (A) is generally eligible to vote in all union elections held by the labor organization. Describe in Item 69 (Additional Information) any voting restrictions that apply to a category in Column (A).

SCHEDULES 14 THROUGH 19

Schedules 14 through 19 provide detailed information on the financial operations of the labor organization in categories that reflect the services provided to union members. Receipts and disbursements are allocated to Schedules 14 through 19 and are either listed as individual entries or as aggregated entries. **Note that before completing the Detailed Summary Page for Schedules 14 through 19, you must complete the itemization pages as described below.**

Allocating Receipts

Each receipt of the labor organization must be allocated to one of the receipt items in Statement B. Some of these items have backup schedules that require more detailed information. If a receipt does not conform to one of the defined items in Statement B it must be included in Schedule 14 (Other Receipts) in which any "major" receipts during the reporting period must be separately identified. A "major" receipt includes: 1) any individual receipt of \$5,000 or more; or 2) total receipts from any single entity or individual that aggregate to \$5,000 or more during the reporting period. All other receipts in this schedule are aggregated. This process is discussed further below.

Allocating Disbursements

Each disbursement of the labor organization must be allocated to one of the disbursement items in Statement B. Some of these items have backup schedules that require more detailed information. Schedules 15 through 19 reflect various services provided to union members by the union in which all "major" disbursements during the reporting period in the various categories must be separately identified. A

"major" disbursement includes: 1) any individual disbursement of \$5,000 or more; or 2) total disbursements to any single entity or individual that aggregate to \$5,000 or more during the reporting period. All other disbursements in these schedules are aggregated.

All disbursements, other than those reported elsewhere in Statement B, must be allocated to Schedules 15 through 19, as appropriate.

Example 1: If the labor organization received a settlement of \$4,999 in a small claims lawsuit, the receipt would not be individually identified, as long as the settlement was the only receipt from the entity or individual during the reporting period. The receipt would be aggregated with other small receipts in Line 3 of Schedule 14 (Other Receipts) on the Detailed Summary Page as discussed below.

Example 2: If the labor organization made three payments of \$1,800 each to an office supplies vendor for office supplies used by employees engaged in contract negotiations during the reporting period, a single disbursement to the vendor of \$5,400 would be listed in Line 1 on an itemization page for that vendor for Schedule 15 (Representational Activities) as discussed below.

Example 3: If a union pays a total of \$5,500 to a printing company during the reporting year and determines that \$5,050 should be allocated to organizing costs, that amount must be identified in an itemization page for the printing company for Schedule 15 (Representational Activities). If the remaining \$450 paid to the same printer over the course of the year was attributable to charitable expenses, that amount will be reported in Line 5 of Schedule 17 (Contributions, Gifts, and Grants) on the Detailed Summary Page but the printer need not be identified as a recipient of any funds expended for Contributions, Gifts, and Grants, since the total paid to the printer during the reporting year for services related to Contributions, Gifts, and Grants did not exceed \$5,000.

Example 4: The labor organization has an ongoing contract with a law firm that provides a wide range of legal services. The labor organization makes a single payment of \$10,000 each month to the law firm. In a particular month the law firm spent 50% of its time on contract negotiation litigation and 50% advising the labor

organization regarding, and working for the enactment of, a new Federal law. The labor organization must allocate the payment for that month as two distinct disbursements of \$5,000 each to Schedule 15 (Representational Activities), and Schedule 16 (Political Activities and Lobbying).

Procedures for Completing Schedules 14 Through 19

Before completing the Detailed Summary Page for Schedules 14 through 19, complete an itemization page for each payer/payee for whom there is (1) an individual receipt/disbursement of \$5,000 or more or (2) total receipts/disbursements that aggregate to \$5,000 or more during the reporting period. Do not complete an itemization page for disbursements to officers or employees because these disbursements are reported in Lines 3 and 4 of the Detailed Summary Page.

Enter in Column (A) the full name and business address of the entity or individual from which the receipt was received or to which the disbursement was made. Do not abbreviate the name of the entity or individual. If you do not know and cannot reasonably attain the full address, the city and state are sufficient.

Enter in Column (B) the type of business or job classification of the entity or individual, such as printing company, office supplies vendor, lobbyist, think tank, marketing firm, legal counsel, etc.

If additional lines are needed to complete Columns (C) through (E) of the itemization page, click the "More Receipts For This Payer" for Schedule 14 or the "More Disbursements for This Payee" for Schedules 15 through 19 button in Column (A) of the itemization page. The software will add lines to the itemization page in increments of ten.

Enter in Column (C) the purpose of each individual receipt/disbursement for that payee/payer of \$5,000 or more, which means a brief statement or description of the reason the receipt/disbursement was made. Examples of adequate descriptions include the following: preparing organizing campaign pamphlets, staffing a help desk, opposition research, litigation regarding representation issues, litigation regarding a refusal to bargain charge,

grievance arbitration, get-out-the-vote, voter education, advocating or opposing legislation, job retraining, etc.

Enter in Column (D) the date that the receipt/disbursement was made. The format for the date must be mm/dd/yyyy. The date of receipt/disbursement for reporting purposes is the date the labor organization actually received or disbursed the money.

Enter in Column (E) the amount of the receipt/disbursement.

Click the "Save & Calculate" button at the top of the itemization page and the software will enter total of all itemized transactions for this payee/payer on the "Total of All Itemized Transaction with this Payee/Payer" line.

Enter the total of all non-itemized transactions for the payee/payer (that is, all individual transactions of less than \$5,000 each) on the "Total of All Non-Itemized Transactions with this Payee/Payer" line.

Click the "Save & Calculate" button at the top of the itemization page again and the software will enter the total of all transactions for this payee/payer, both itemized and non-itemized, on the "Total of All Transactions with this Payee/Payer for this Schedule" line.

Special Instructions for Reporting Credit Card Disbursements

Disbursements to credit card companies may not be reported as a single disbursement to the credit card company as the vendor. Instead, charges appearing on credit card bills paid during the reporting period must be allocated to the recipient of the payment by the credit card company according to the same process as described above.

The Department recognizes that filers will not always have the same access to information regarding credit card payments as with other transactions. Filers should report all of the information required in the itemization schedules that is available to the union.

For instance, in the case of a credit card transaction for which the receipt(s) and monthly statement(s) do not provide the full legal name of a payee and the union does not have access

to any other documents that would contain the information, the union should report the name as it appears on the receipt(s) and statement(s). Similarly, if the receipt(s) and statement(s) do not include a full street address, the union should report as much information as is available and no less than the city and state.

Once these transactions have been incorporated into the union's recordkeeping system they can be treated like any other transaction for purposes of assigning a description and purpose.

In instances when a credit card transaction is canceled and the charge is refunded in whole or part by entry of a credit on the credit card statement, the charge should be treated as a disbursement, and the credit should be treated as a receipt. In reporting a credit of \$5,000 or more as a receipt, Column (C) must indicate that the receipt was in refund of a disbursement, and must identify the disbursement by date and amount.

Special Procedures for Reporting Confidential Information

Filers may use the procedure described below to report the following types of information:

- Information that would identify individuals paid by the union to work in a non-union bargaining unit in order to assist the union in organizing employees, provided that such individuals are not employees of the union who receive more than \$10,000 in the aggregate in the reporting year from the union. Employees receiving more than \$10,000 must be reported on Schedule 12 – Disbursements to Employees;
- Information that would expose the reporting union's prospective organizing strategy. The union must be prepared to demonstrate that disclosure of the information would harm an organizing drive. Absent unusual circumstances, information about past organizing drives should not be treated as confidential;
- Information that would provide a tactical advantage to parties with whom the reporting union or an affiliated union is engaged or will be engaged in contract negotiations. The union must be prepared to demonstrate that disclosure of the information would harm a contract negotiation. Absent unusual

circumstances information about past contract negotiations should not be treated as confidential;

- Information pursuant to a settlement that is subject to a confidentiality agreement, or that the union is otherwise prohibited by law from disclosing; and,
- Information in those situations where disclosure would endanger the health or safety of an individual.

With respect to these specific types of information, if the reporting union can demonstrate that itemized disclosure of a specific major receipt or disbursement, or aggregated receipt or disbursement would be adverse to the union's legitimate interests, the union may include the receipt or disbursement in Line 3 of Summary Schedule 14 (Other Receipts) or in Line 5 of Summary Schedules 15 (Representational Activities) or 19 (Union Administration). In Item 69 (Additional Information) the union must identify each schedule from which any itemized receipts or disbursements were excluded because of an asserted legitimate interest in confidentiality based on one of the first three reasons listed above. No notation need be made for exclusion of information disclosure of which is prohibited by law or that would endanger the health or safety of an individual. The notation must describe the general types of information that were omitted from the schedule, but the name of the payer/payee, date, and amount of the transaction(s) is not required. This procedure may not be used for Schedules 16 through 18.

A union member, however, has the statutory right "to examine any books, records, and accounts necessary to verify" the union's financial report if the member can establish "just cause" for access to the information. 29 U.S.C. 431(c); 29 U.S.C. CFR 403.8 (2002). Any exclusion of itemized receipts or disbursements from Schedules 14, 15, or 19 for one of the first three reasons listed above would constitute a *per se* demonstration of "just cause" for purposes of this Act. Consequently, any union member (and the Department), upon request, has the right to review the undisclosed information that otherwise would have appeared in the applicable schedule if the union withholds the information in order to protect confidentiality interests. Exclusion of information disclosure of which is prohibited by law or that would

endanger the health or safety of an individual creates no *per se* demonstration of "just cause."

Procedures for Completing the Detailed Summary Page

The Detailed Summary Page is used to summarize Schedules 14 through 19.

For Summary Schedule 14 (Other Receipts) the software enters on Line 1 the total of all itemized receipts during the reporting period from named payers. This is the sum of the amounts entered on the "Total of All Itemized Transactions with this Payee/Payer" line on all itemization pages for Schedule 14.

The software enters on Line 2 the total of all non-itemized receipts from named payers. This is the sum of the amounts entered on the "Total of All Non-Itemized Transactions with this Payee/Payer" line in all itemization pages for Schedule 14.

Enter on Line 3 the total of all other receipts during the reporting period relating to the schedule. This is the total from your organization's books of all receipts during the reporting period relating to this schedule for payers who did not have a single receipt of \$5,000 or more or receipts that aggregated \$5,000 or more.

The software enters on Line 4 the total of Lines 1 through 3 and forwards this total to Item 48 of Statement B.

For Summary Schedules 15 –19, the software enters on Line 1 of each summary schedule the total of all itemized disbursements during the reporting period to named vendors. This is the sum of the amounts entered on the "Total of All Itemized Transactions with this Payee/Payer" line in all itemization pages for the schedule.

The software enters on Line 2 of each summary schedule the total of all non-itemized disbursements to named vendors. This is the sum of the amounts entered on the "Total of All Non-Itemized Transactions with this Payee/Payer" line in all itemization pages for the schedule.

The software enters on Line 3 the total of all disbursements to officers allocated to the schedule. This is the sum of the amounts that

correspond to the percentages entered on Line (I) of Schedule 11.

The software enters in Line 4 the total of all disbursements to employees allocated to the schedule. This is the sum of the amounts that correspond to the percentages entered on Line (I) of Schedule 12.

Enter on Line 5 the total of all other disbursements during the reporting period relating to the schedule. This is the total from your organization's books of all disbursements during the reporting period relating to this schedule for payees who did not have a single disbursement of \$5,000 or more or disbursements that aggregated \$5,000 or more.

The software enters on Line 6 the total of Lines 1 through 5 and forwards this total to the appropriate line item of Statement B.

For example, if in Schedule 15 (Representational Activities) a labor organization has \$200,000 in itemized disbursements of \$5,000 or more to vendors, \$35,000 in non-itemized disbursements of less than \$5,000 each to those vendors, \$100,000 in salary disbursements to officers, \$50,000 in salary disbursements to employees, and \$7,000 in disbursements to vendors who did not receive a major disbursement for representational activities, then the software will enter \$200,000 in Line 1, \$35,000 in Line 2, \$100,000 in Line 3, \$50,000 in Line 4, and the filer will enter \$7,000 in Line 5 of Schedule 15 on the Detailed Summary Page. The total of Lines 1 through 5 is \$392,000, which the software will enter in Line 6 of the summary schedule and Item 50 (Representational Activities) of Statement B.

SCHEDULE 14 – OTHER RECEIPTS

Report the labor organization's receipts from all sources during the reporting period, other than those that must be reported elsewhere in Statement B, such as reimbursements from officers and employees for excess expense payments or travel advances not reported as loans in Schedule 2 (Loans Receivable); receipts from fundraising activities such as raffles, bingo games, and dances; funds received from a parent body, other unions, or the public for strike fund assistance; and receipts from another labor organization that merged into the labor organization.

For all itemized receipts in this category:

Enter in Column (A) of an itemization page the full name and business address of the entity or individual from which the union received \$5,000 or more in Other Receipts during the reporting period. If additional lines are needed to complete Columns (C) through (E) for this Payer, click the "Add More Receipts for This Payer" button in Column (A) of the itemization page. The software will add lines to the itemization page in increments of ten.

Enter in Column (C) the purpose of each individual receipt of \$5,000 or more from the payer in sufficient detail to determine why the receipt cannot be allocated to another schedule.

Enter in Column (D) the date that each individual receipt of \$5,000 or more was received. The format for the date must be mm/dd/yyyy. The date of receipt for reporting purposes is the date the labor organization actually received the money.

Enter in Column (E) the amount of each individual receipt of \$5,000 or more.

Enter the total of all non-itemized receipts from this payer (that is, all individual receipts of less than \$5,000 each) on the "Total Non-Itemized Transactions with this Payee/Payer" line.

Also report the labor organization's direct and indirect disbursements to all entities and individuals during the reporting period associated with dealing with the executive and legislative branches of the Federal, state, and local governments and with independent agencies and staffs to advance the passage or defeat of existing or potential laws or the promulgation or any other action with respect to rules or regulations (including litigation expenses). It does not matter whether the lobbying attempt succeeds.

A political disbursement or contribution is one that is intended to influence the selection, nomination, election, or appointment of anyone to a Federal, state, or local executive, legislative or judicial public office, or office in a political organization, or the election of Presidential or Vice Presidential electors, and support for or opposition to ballot referenda. Do not include salary bonuses, severance payments, or payments for accrued vacation, which should be reported in Column (D) of Schedule 11 or 12.

Direct benefit disbursements are those made to officers, employees, members, and their beneficiaries from the labor organization’s funds. Indirect benefit disbursements are those made from the labor organization’s funds to a separate and independent entity, such as a trust or insurance company, which in turn and under certain conditions will pay benefits to the covered individuals. STATEMENT B RECEIPTS AND DISBURSEMENTS

Under Statement B, receipts must be recorded when money is actually received by the labor organization and disbursements must be recorded when money is actually paid out by the labor organization.

The purpose of Statement B is to report the flow of cash in and out of the labor organization during the reporting period. Transfers between separate bank accounts or between special funds of the labor organization, such as vacation or strike funds, do not represent the flow of cash in and out of the labor organization. Therefore, these transfers should not be reported as receipts and disbursements of the labor organization. For example, do not report a transfer of cash from the labor organization's

savings account to its checking account. Likewise, the use of funds reported in Item 22 (Cash) of Statement A to purchase certificates of deposit and the redemption of certificates of deposit should not be reported in Statement B.

Since Statement B reports all cash flowing in and out of the labor organization, "netting" is not permitted. "Netting" is the offsetting of receipts against disbursements and reporting only the balance (net) as either a receipt or disbursement. For example, if an officer received \$1,000 from the labor organization for convention expenses, used only \$800 and returned the remaining \$200, the \$1,000 disbursement must be reported in Schedule 11 (All Officers and Disbursements to Officers) and the appropriate disbursement Schedule 15 through 19, and the \$200 receipt must be reported in Schedule 14 (Other Receipts). It would be incorrect to report only an \$800 net disbursement to the officer.

Receipts and disbursements by an agent on behalf of the labor organization are considered receipts and disbursements of the labor organization and must be reported in the same detail as other receipts and disbursements. For example, if the labor organization owns a building managed by a rental agent, the agent's rental receipts and disbursements for expenses must be reported on the labor organization's Form LM-2. Also, if the labor organization's parent body or an intermediate body functions as an agent receiving and disbursing funds of the labor organization to third parties, these receipts and disbursements must be reported on the labor organization's Form LM-2. For example, if a parent body receives the labor organization's dues and makes disbursements from that money to pay the labor organization's bills (such as payments to an attorney for legal services), those receipts and disbursements must be reported on the labor organization's Form LM-2.

CASH RECEIPTS

36. DUES AND AGENCY FEES — Enter the total dues including regular dues, working dues, etc. received by the labor organization. Include dues received directly by the organization from members, dues received from employers through a checkoff arrangement, and dues transmitted to the organization by a parent body or other affiliate. Report the full dues received,

including any portion that will later be transmitted to an intermediate or parent body as per capita tax. Also report in Item 36 payments in lieu of dues received from any nonmember employees as a condition of employment under a union security provision in a collective bargaining agreement.

If an intermediate or parent body receives dues checkoff directly from an employer on behalf of the reporting organization, do not report in Item 36 the portion retained by that organization for per capita tax or other purposes, such as a special assessment. Any amounts retained by the intermediate body or parent body other than per capita tax must be explained in Item 69 (Additional Information). For example, if the intermediate body or parent body retained \$500 of the reporting organization's dues checkoff as payment for supplies purchased from that body by the reporting organization, this should be explained in Item 69, but the \$500 should not be reported as a receipt or disbursement on either organization's Form LM-2. If, however, the intermediate body or parent body disbursed part of the reporting organization's dues checkoff on that organization's behalf, this amount should be included in Item 36 and in the appropriate disbursement item on the reporting organization's Form LM-2. For example, if the intermediate body or parent body disbursed \$500 of the reporting organization's dues checkoff to an attorney who had provided lobbying services to the reporting organization, this amount should be reported in Item 36 and as a disbursement in Schedule 16 (Political Activities and Lobbying) of the reporting organization's Form LM-2.

Do not report in Item 36 dues that the reporting organization collected on behalf of other organizations for transmittal to them. For example, if the reporting organization received dues from a member of an affiliate who worked in the reporting organization's jurisdiction, the dues collected on the affiliate's behalf must be reported in Item 46.

capita tax portion of dues received through a checkoff arrangement whereby local dues are remitted directly to an intermediate or parent body by employers. Do not include dues collected on behalf of subordinate organizations for transmittal to them. For example, if a parent body received dues checkoff directly from an employer and returned the local's portion of the dues, the parent body must report the dues received on behalf of the local in Item 46 (On Behalf of Affiliates for Transmittal to Them).

38. FEES, FINES, ASSESSMENTS, WORK PERMITS — Enter the labor organization's receipts from fees, fines, assessments, and work permits. Receipts by the labor organization on behalf of affiliates for transmittal to them must be reported in Item 46 (On Behalf of Affiliates for Transmittal to Them).

When the receipts reported in Item 46 are transmitted, the disbursement must be reported in related Item 63 (To Affiliates of Funds Collected on Their Behalf).

47. FROM MEMBERS FOR DISBURSEMENT ON THEIR BEHALF — Enter the total receipts from members that are specifically designated by them for disbursement on their behalf; for example, contributions from members for transmittal by the labor organization to charities. XII. LABOR ORGANIZATIONS THAT HAVE CEASED TO EXIST

If a labor organization has gone out of existence as a reporting labor organization, the last president and treasurer or the officials responsible for winding up the affairs of the labor organization must file a terminal financial report for the period from the beginning of the fiscal year to the date of termination. A terminal financial report must be filed if the labor organization has gone out of business by disbanding, merging into another organization, or being merged and consolidated with one or more labor organizations to form a new labor organization. A terminal financial report is not required if the labor organization changed its affiliation but continues to function as a separate reporting labor organization.

The terminal financial report must be filed on Form LM-2 if the labor organization filed its previous annual report on Form LM-2 and must be submitted within 30 days after the date of termination.

To complete a terminal report on Form LM-2, follow the instructions in Section XI and, in addition:

- Enter the date the labor organization ceased to exist in Item 2 after the word "Through." The format for the date must be mm/dd/yyyy.
- Select Item 3(c) indicating that the labor organization ceased to exist during the reporting period and that this is the labor organization's terminal Form LM-2.
- Provide in Item 69 (Additional Information) a detailed statement of the reason the labor organization ceased to exist. Also report in Item 69 plans for the disposition of the labor organization's cash and other assets, if any (for example, transfer of cash and assets to the parent body). Provide the name and address of the person or organization that will retain the records of the terminated organization. If the labor organization merged with another labor organization, report that organization's name, address, and 6-digit file number.

Contact the nearest OLMS field office if you have questions about filing a terminal report.
