COMMODITY FUTURES TRADING COMMISSION

FORM FBOT

FOREIGN BOARD OF TRADE APPLICATION FOR REGISTRATION (IN ORDER TO PERMIT DIRECT ACCESS TO MEMBERS AND OTHER PARTICIPANTS)

APPLICATION INSTRUCTIONS

DEFINITIONS

1. Unless the context requires otherwise, all terms used in this application have the same meaning as in the Commodity Exchange Act, as amended (CEA or Act),¹ and in the regulations of the Commodity Futures Trading Commission (Commission or CFTC).²
2. For the purposes of this Form FBOT, the term “applicant” refers to the foreign board of trade applying for registration pursuant to CEA section 4(b) and part 48 of Commission Regulations. The term “clearing organization” refers to the clearing organization that will be clearing trades executed on the trading system of such foreign board of trade.

GENERAL INSTRUCTIONS

1. A Form FBOT (including exhibits) shall be completed by any foreign board of trade applying for registration with the Commission pursuant to CEA section 4(b) and part 48 of Commission Regulations.
2. Form FBOT (including exhibits and any supplement thereto) (collectively, the “application” or “application for registration”) must be filed electronically with the Secretary of the Commission at FBOTapplications@cftc.gov. Applicants may prepare their own Form FBOT, but must follow the format prescribed herein.
3. The name of any individual listed in Form FBOT shall be provided in full (Last Name, First Name and Middle Name or Initial).
4. Form FBOT must be signed by the Chief Executive Officer (or the functional equivalent) of the foreign board of trade who must possess the authority to bind the foreign board of trade.
5. If this Form FBOT is being filed as a new application for registration, all applicable items on the Form FBOT must be answered in full. Non-applicable items should be indicated by marking “none” or “N/A.”
6. Submission of a complete Form FBOT (including all information, documentation and exhibits requested therein, and any required supplement) is mandatory and must be received by the

² 17 CFR chapter I.

Commission before it will begin to process a foreign board of trade's application for registration. The information provided with a Form FBOT (including exhibits and any supplement thereto) will be used to determine whether the Commission should approve or deny registration to an applicant. Pursuant to its regulations, the Commission may determine that information and/or documentation in addition to that requested in Form FBOT is required from the applicant in order to process the application for registration or to determine whether registration is appropriate.

7. Pursuant to Commission regulations, an applicant or its clearing organization must identify with particularity any information in the application (including, but not limited to, any information contained in this Form FBOT), that will be the subject of a request for confidential treatment and must provide support for any request for confidential treatment pursuant to the procedures set forth Commission regulation 145.9.³ Except in cases where confidential treatment is granted by the Commission pursuant to the Freedom of Information Act and Commission regulations, information supplied in the Form FBOT (including exhibits and any supplement thereto) will be included routinely in the public files of the Commission and will be available for inspection and comment by any interested person.
8. A Form FBOT that is not prepared and executed in compliance with applicable requirements and instructions may be returned as not acceptable for filing.⁴ Acceptance of a Form FBOT by the Commission, however, shall not constitute a finding that the Form FBOT has been filed as required or that the information submitted is verified to be true, current, or complete.
9. In addition to this Form FBOT, the clearing organization associated with the foreign board of trade must complete and submit Supplement S-1 to the Form FBOT in accordance with the instructions thereto.

UPDATING INFORMATION ON THE FORM FBOT

Pursuant to the Commission's regulations, if any information or documentation contained in this Form FBOT (including exhibits or any supplement or amendment thereto) is or becomes inaccurate for any reason prior to the issuance of an Order of Registration, an amendment correcting such information must be filed promptly with the Commission. A registered foreign board of trade may also submit an amendment to this Form FBOT to correct information that has become inaccurate subsequent to the receipt of an Order of Registration.

³ 17 CFR § 145.9.

⁴ Applicants and their clearing organizations are encouraged to correspond with the Commission's Division of Market Oversight regarding any content, procedural, or formatting questions encountered in connection with the preparation of a Form FBOT, or any exhibits or supplement thereto, prior to formally submitting those documents to the Commission. When appropriate, potential applicants and clearing organizations, as applicable, may provide a complete draft Form FBOT (including exhibits and any required supplement) to the Commission's Division of Market Oversight to minimize the risk of having a submission returned or otherwise denied as not acceptable for filing. Review of draft submissions by any division of the Commission and any comments received by a division of the Commission are for consultation purposes only and do not bind the Commission. To obtain instructions for submitting drafts, please contact the Director of the Division of Market Oversight.

Attach, as **Exhibit A-5**, the following:

The national statutes, laws and regulations governing the activities of the foreign board of trade and its respective participants.

Attach, as **Exhibit A-6**, the following:

The current rules, regulations, guidelines and bylaws of the foreign board of trade.

Attach, as **Exhibit A-7**, the following:

Evidence of the authorization, licensure or registration of the foreign board of trade pursuant to the regulatory regime in its home country jurisdiction and a representation by its respective regulators that it is in good regulatory standing in the capacity in which it is authorized, licensed or registered.

Attach, as **Exhibit A-8**, the following document:

A summary of any disciplinary or enforcement actions or proceedings that have been brought against the foreign board of trade, or any of the senior officers thereof, in the past five years and the resolution of those actions or proceedings; and

Attach, as **Exhibit A-9**, the following document:

An undertaking by the chief executive officer(s) (or functional equivalent[s]) of the foreign board of trade to notify Commission staff promptly if any of the representations made in connection with or related to the foreign board of trade's application for registration cease to be true or correct, or become incomplete or misleading.

EXHIBIT B – MEMBERSHIP CRITERIA

Attach, as **Exhibit B**, the following, separately labeling each description:

(1) A description of the categories of membership and participation in the foreign board of trade and the access and trading privileges provided by the foreign board of trade. The description should include any restrictions applicable to members and other participants to which the foreign board of trade intends to grant direct access to its trading system from within the United States.

(2) A description of all requirements for each category of membership and participation on the trading system and the manner in which members and other participants are required to demonstrate their compliance with these requirements. The description should include, but not be limited to, the following:

(i) Professional Qualification. A description of the specific professional requirements, qualifications, and/or competencies required of members or other participants and/or their staff and a description of the process by which the clearing organization confirms compliance with such requirements.

(ii) Authorization, Licensure and Registration: A description of any regulatory and self-regulatory authorization, licensure or registration requirements that the foreign board of trade imposes upon, or enforces against, its members and other participants including, but not limited to any authorization, licensure or registration requirements imposed by the regulatory authorities in the home country jurisdiction(s) of the foreign board of trade. Please also include a description of the process by which the clearing organization confirms compliance with such requirements.

(iii) Financial Integrity. The following:

(A) A description of the financial resource requirements, standards, guides or thresholds required of members and other participants.

(B) A description of the manner in which the foreign board of trade evaluates the financial resources/holdings of its members or participants.

(C) A description of the process by which applicants demonstrate compliance with financial requirements for membership or participation including, as applicable:

(i) Working capital and collateral requirements, and

(ii) Risk management mechanisms for members allowing customers to place orders.

(iv) Fit and Proper Standards. A description of how the foreign board of trade ensures that potential members/other participants meet fit and proper standards.

EXHIBIT C – BOARD AND/OR COMMITTEE MEMBERSHIP

Attach, as **Exhibit C**, the following:

(1) A description of the requirements applicable to membership on the governing board and significant committees of the foreign board of trade.

(2) A description of the process by which the foreign board of trade ensures that potential governing board and committee members/other participants meet these standards.

(3) A description of the provisions to minimize and resolve conflicts of interest with respect to membership on the governing board and significant committees of the foreign board of trade.

(4) A description of the rules with respect to the disclosure of material non-public information obtained as a result of a member's or other participant's performance on the governing board or significant committee.

EXHIBIT D – THE AUTOMATED TRADING SYSTEM

Attach, as **Exhibit D-1**, a description of (or where appropriate, documentation addressing) the following, separately labeling each description:

(1) The order matching/execution system, including a complete description of all permitted ways in which members or other participants (or their customers) may connect to the trade matching/execution system and the related requirements (for example, authorization agreements),

(2) The architecture of the systems, including hardware and distribution network, as well as any pre- and post-trade risk-management controls that are made available to system users,

(3) The security features of the systems,

(4) The length of time such systems have been operating,

(5) Any significant system failures or interruptions,

- (6) the nature of any technical review of the order matching/execution system performed by the foreign board of trade, the home country regulator, or a third party,
- (7) Trading hours,
- (8) Types and duration of orders accepted,
- (9) Information that must be included on orders,
- (10) Trade confirmation and trade error procedures,
- (11) Anonymity of participants,
- (12) Trading system connectivity with clearing system,
- (13) Response time,
- (14) Ability to determine depth of market,
- (15) Market continuity provisions,
- (16) Reporting and recordkeeping requirements, and
- (17) Error trade policies.

Attach, as **Exhibit D-2**, a description of the manner in which the foreign board of trade assures the following with respect to the trading system, separately labeling each description:

- (1) Algorithm. The trade matching algorithm matches trades fairly and timely.
- (2) IOSCO Principles. The trading system complies with the Principles for the Oversight of Screen-Based Trading Systems for Derivative Products developed by the Technical Committee of the International Organization of Securities Commissions (IOSCO Principles). Provide a copy of any independent certification received or self-certification performed and identify any system deficiencies with respect to the IOSCO Principles.
- (3) Audit Trail.
 - (i) The audit trail timely captures all relevant data, including changes to orders.
 - (ii) Audit trail data is securely maintained and available for an adequate time period.
- (4) Public Data. Adequate and appropriate trade data is available to users and the public.
- (5) Reliability. The trading system has demonstrated reliability.
- (6) Secure Access. Access to the trading system is secure and protected.

(7) Emergency Provisions. There are adequate provisions for emergency operations and disaster recovery.

(8) Data Loss Prevention. Trading data is backed up to prevent loss of data.

(9) Contracts Available. Mechanisms are available to ensure that only those futures, option or swap contracts that have been identified to the Commission as part of the application or permitted to be made available for trading by direct access pursuant to the procedures set forth in § 48.10 are made available for trading by direct access from the United States.

(10) Predominance of the Centralized Market. Mechanisms are available that ensure a competitive, open, and efficient market and mechanism for executing transactions.

EXHIBIT E – THE TERMS AND CONDITIONS OF CONTRACTS PROPOSED TO BE MADE AVAILABLE IN THE UNITED STATES

Attach, as **Exhibit E-1**, a description of the terms and conditions of futures, option or swap contracts intended to be made available for direct access. With respect to each contract, indicate whether the contract is regulated or otherwise treated as a futures, option or swap contract in the regulatory regime(s) of the foreign board of trade's home country or countries.

As **Exhibit E-2**, demonstrate that the contracts are not prohibited from being traded by United States persons (*e.g.*, the contracts are not prohibited security futures or single stock contracts or narrow-based index contracts). For non-narrow based stock index futures contracts, demonstrate that the contracts have received Commission certification pursuant to the procedures set forth in § 30.13 and Appendix D to part 30 of this chapter.

As **Exhibit E-3**, demonstrate that the contracts are required to be cleared.

For **Exhibit E-4**, identify any contracts that are linked to a contract listed for trading on a United States-registered entity, as defined in section 1a(40) of the Act. A linked contract is a contract that settles against any price (including the daily or final settlement price) of one or more contracts listed for trading on such registered entity.

For **Exhibit E-5**, identify any contracts that share any other commonality with a contract listed for trading on a registered entity, *i.e.*, both the foreign board of trade's and the registered entity's contract settle to the price of the same third party-constructed index.

As **Exhibit E-6**, demonstrate that the contracts are not readily susceptible to manipulation. In addition, for each contract to be listed, describe each investigation, action, proceeding or case involving manipulation and involving such contract in the three years preceding the application date, whether initiated by the foreign board of trade, a regulatory or self-regulatory authority or agency or other government or prosecutorial agency. For each such action, proceeding or case, describe the alleged manipulative activity and the current status or resolution thereof.

EXHIBIT F – THE REGULATORY REGIME GOVERNING THE FOREIGN BOARD OF TRADE IN ITS HOME COUNTRY⁵ OR COUNTRIES

⁵ Where multiple foreign boards of trade subject to the same regulatory authority are applying for registration *at the same time*, a single Exhibit E-1 may be submitted as part of the application for all such foreign boards of trade either by one of the
