Please make corrections to name, address and ZIP Code, if necessary.

We are conducting this survey in cooperation with the ND Wheat Commission to determine the different wheat varieties seeded in North Dakota. Please fill out this form as completely as you can for the farm you operate and return it in the enclosed envelope by June 14, 2018.

The information you provide will be used for statistical purposes only. Your responses will be kept confidential and any person who willfully discloses ANY identifiable information about you or your operation is subject to a jail term, a fine, or both. This survey is conducted in accordance with the Confidential Information Protection provisions of Title V, Subtitle A, Public Law 107-347 and other applicable Federal laws. For more information on how we protect your information please visit: <https://www.nass.usda.gov/confidentiality>. Response is **voluntary**.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number is 0535-0002. The time required to complete this information collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

INSTRUCTIONS

- Report by variety and crop the acreage seeded and to be seeded for 2018's wheat crop on the farm you operate.
- Report by crop the acreage seeded for the 2017's crop year on the land you operated during 2017.
- Varieties are listed in alphabetical order. If the variety you planted is not listed, enter the variety name under "Other", and report the acreage seeded and to be seeded.
- Please return the completed form in the enclosed envelope by June 14, 2018. Thank you.
