SUBJECT: USDA Ag Census Test Coming Soon
EMAIL BODY:

The United States Department of Agriculture's National Agricultural Statistics Service is about to test the content of the 2022 Census of Agriculture and your input is needed!

You have been selected to be part of a small group of producers to test the recently updated census questionnaire. In the next few weeks, you will receive a letter in the mail on how to complete the Census of Agriculture test online. We appreciate your time and assistance. Your participation is vital in our efforts to improve the upcoming census.

If you're not currently involved in agricultural activity, the online questionnaire will take you through a few quick questions then straight to the end. We will update our records accordingly.

The Census of Agriculture is ***Your Voice, Your Future, Your Opportunity***. To learn more about the Census of Agriculture and its importance to the agriculture industry, visit www.nass.usda.gov/AgCensus.

On behalf of USDA and NASS, I thank you for your timely response and dedication to U.S. agriculture.

Sincerely,
Hubert Hamer
Administrator, National Agricultural Statistics Service
