thereon was given to the defendant in accordance with regulations prescribed pursuant to subsection (15).

(B) Any handler subject to an order issued under this section, or any officer, director, agent, or employee of such handler, who violates any provision of such order may be assessed a civil penalty by the Secretary not exceeding \$1,000 for each such violation. Each day during which such violation continues shall be deemed a separate violation, except that if the Secretary finds that a petition pursuant to paragraph (15) was filed and prosecuted by the handler in good faith and not for delay, no civil penalty may be assessed under this paragraph for such violations as occurred between the date on which the handler's petition was filed with the Secretary, and the date on which notice of the Secretary's ruling thereon was given to the handler in accordance with regulations prescribed pursuant to paragraph (15). The Secretary may issue an order assessing a civil penalty under this paragraph only after notice and an opportunity for an agency hearing on the record. Such order shall be treated as a final order reviewable in the district courts of the United States in any district in which the handler subject to the order is an inhabitant, or has the handler's principal place of business. The validity of such order may not be reviewed in an action to collect such civil penalty.

PETITION BY HANDLER AND REVIEW

(15)(A) Any handler subject to an order may file a written petition with the Secretary of Agriculture, stating that any such order or any provision of any such order or any obligation imposed in connection therewith is not in accordance with law and praying for a modification thereof or to be exempted therefrom. He shall thereupon be given an opportunity for a hearing upon such petition, in accordance with regulations made by the Secretary of Agriculture, with the approval of the President. After such hearing, the Secretary shall make a ruling upon the prayer of such petition which shall be final, if in accordance with law.

(B) The District Courts of the United States⁴⁵ in any district in which such handler is an inhabitant, or has his principal place of business, are hereby vested with jurisdiction in equity to review such ruling, provided a bill in equity for that purpose is filed within twenty days from the date of the entry of such ruling. Service of process in such proceedings may be had upon the Secretary by delivering to him a copy of the bill of complaint. If the court determines that such ruling is not in accordance with law, it shall remand such proceedings to the Secretary with directions either (1) to make such rulings as the court shall determine to be in accordance with law, or (2) to take such further proceedings as, in its opinion, the law requires. The pendency of proceedings instituted pursuant to this subsection (15) shall not impede, hinder, or delay the United States or the Secretary of Agriculture from obtaining relief pursuant to section 8a(6) of this title. Any proceedings brought pursuant to section 8a(6) of this title (except where brought by way of counterclaim in proceedings instituted pursuant to this subsection (15)) shall abate whenever a final decree has been rendered in proceedings between the same parties, and covering the same subject matter, instituted pursuant to this subsection (15).

TERMINATION OF ORDERS AND MARKETING AGREEMENTS

(16)⁴⁶ (A)(i) Except as provided in clause (ii), the Secretary of Agriculture shall, whenever he finds that any order issued under this section, or any provision thereof, obstructs or does not tend to effectuate the declared policy of this title, terminate or suspend the operation of such order or such provision thereof.

(ii) The Secretary may not terminate any order issued under this section for a commodity for which there is no Federal program established to support the price of such commodity unless the Secretary gives notice of, and a statement of the reasons relied upon by the Secretary for, the proposed termination of such order to the Committee on Agriculture, Nutrition, and Forestry of the Senate and the Committee on Agriculture of the House of Representatives not later than 60 days before the date such order will be terminated.

(B) The Secretary shall terminate any marketing agreement entered into under section 8b, or order issued under this section, at the end of the then current marketing period for such commodity, specified in such marketing agreement or order, whenever he finds that such termination is favored by a majority of the producers who, during a representative period determined by the Secretary, have been engaged in the production for market of the commodity specified in such marketing agreement or order, within the production area specified in such marketing agreement or order, or who, during such representative period, have been engaged in the production of such commodity for sale within the marketing area specified in such marketing agreement or order. *Provided*, That such majority have, during such representative period, produced for market more than 50 per centum of the volume of such commodity produced for market within the production area specified in such marketing agreement or order, or have, during such representative period, produced more than 50 per centum of the volume of such commodity sold in the marketing area specified in such marketing agreement or order, but such termination shall be effective only if announced on or before such date (prior to the end of the then current marketing period) as may be specified in such marketing agreement or order.

(C) Except as otherwise provided in this subsection with respect to the termination of an order issued under this section, the termination or suspension of any order or amendment thereto or provision thereof, shall not be considered an order within the meaning of this section.

PROVISIONS APPLICABLE TO AMENDMENTS

(17) The provisions of this section and section 8d, applicable to orders shall be applicable to amendments to orders: *Provided*, That notice of a hearing upon a proposed amendment to any order issued pursuant to section 8c, given not less than three days prior to the date fixed for such hearing, shall be deemed due notice thereof: *Provided further*, That if one-third or more of the producers as defined in a milk order apply in writing for a hearing on a proposed amendment of such order, the Secretary shall call such a hearing if the proposed amendment is one that may legally be made to such order. Subsection (12) of this section shall not be construed to permit any cooperative to act for its members in an application for a hearing under the foregoing proviso and nothing in such proviso shall be construed to preclude the Secretary from calling an amendment hearing as provided in subsection (3) of this section. The Secretary shall not be required to call a hearing on any proposed amendment to an order in response to an application for a hearing on such proposed

L. 99-198, 99 Stat. 1631, states: "The Secretary of Agriculture may not terminate any marketing order under section 8c(16) of the Agricultural Adjustment Act (7 U.S.C. 608c(16)), reenacted with amendments by the Agricultural Marketing Agreement Act of 1937, if such termination becomes effective before January 16, 1986."

amendment if the application requesting the hearing is received by the Secretary within ninety days after the date on which the Secretary has announced the decision on a previously proposed amendment to such order and the two proposed amendments are essentially the same.⁴⁷

MILK PRICES

(18) The Secretary of Agriculture, prior to prescribing any term in any marketing agreement or order, or amendment thereto, relating to milk or its products, if such term is to fix minimum prices to be paid to producers or associations of producers, or prior to modifying the price fixed in any such term, shall ascertain the parity prices of such commodities. The prices which it is declared to be the policy of Congress to establish in section 2 of this title shall, for the purposes of such agreement, order, or amendment, be adjusted to reflect the price of feeds, the available supplies of feeds, and other economic conditions which affect market supply and demand for milk or its products in the marketing area to which the contemplated marketing agreement, order, or amendment relates. Whenever the Secretary finds, upon the basis of the evidence adduced at the hearing required by section 8b or 8c, as the case may be, that the parity prices of such commodities are not reasonable in view of the price of feeds, the available supplies of feeds, and other economic conditions which affect market supply and demand for milk and its products in the marketing area to which the contemplated agreement, order or amendment relates, he shall fix such prices as he finds will reflect such factors, insure a sufficient quantity of pure and wholesome milk and be in the public interest. Thereafter, as the Secretary finds necessary on account of changed circumstances, he shall, after due notice and opportunity for hearing make adjustments in such prices.⁴⁸

PRODUCER REFERENDUM

(19) For the purpose of ascertaining whether the issuance of an order is approved or favored by producers or processors, as required under the applicable provisions of this title, the Secretary may conduct a referendum among producers or processors and in the case of an order other than an amendatory order shall do so. The requirements of approval or favor under any such provision shall be held to be complied with if, of the total number of producers or processors, or the total volume of production, as the case may be, represented in such referendum, the percentage approving or favoring is equal to or in excess of the percentage required under such provision. The terms and conditions of the proposed order shall be described by the Secretary in the ballot used in the conduct of the referendum. The nature, content, or extent of such description shall not be a basis for attacking the legality of the order or any action relating thereto. Nothing in this subsection shall be construed as limiting representation by cooperative associations as provided in subsection (12) of this section.⁴⁹ For the purpose of ascertaining whether the issuance of an order applicable to pears

RESTRICTIONS ON IMPORTED COMMODITIES

[SEC. 8e.⁵³ (a) Subject to the provisions of subsections (c) and (d) and notwithstanding any other provision of law, whenever a marketing order issued by the Secretary of Agriculture pursuant to section 8c of this Act contains any terms or conditions regulating the grade, size, quality, or maturity of tomatoes, raisins, olives (other than Spanish-style green olives), prunes, avocados, mangoes, limes, grapefruit, green peppers, Irish potatoes, cucumbers, oranges, onions, walnuts, dates, filberts, table grapes, eggplants, kiwifruit, nectarines, plums, pistachios, apples, or caneberries (including raspberries, blackberries, and loganberries) produced in the United States the importation into the United States of any such commodity, other than dates for processing, during the period of time such order is in effect shall be prohibited unless it complies with the grade, size, quality, and maturity provisions of such order or comparable restrictions promulgated hereunder: *Provided*, That this prohibition shall not apply to such commodities when shipped into continental United States from the Commonwealth of Puerto Rico or any Territory or possession of the United States where this Act has force and effect: *Provided further*, That whenever two or more such marketing orders regulating the same agricultural commodity produced in different areas of the United States are concurrently in effect, the importation into the United States of any such commodity, other than dates for processing, shall be prohibited unless it complies with the grade, size, quality, and maturity provisions of the order which, as determined by the Secretary of Agriculture, regulates the commodity produced in the area with which the imported commodity is in most direct competition. Such prohibition shall not become effective until after the giving of such notice as the Secretary of Agriculture determines reasonable, which shall not be less than three days. In determining the amount of notice that is reasonable in the case of tomatoes the Secretary of Agriculture shall give due consideration to the time required for their transportation and entry into the United States after picking. Whenever the Secretary of Agriculture finds that the application of the restrictions under a marketing order to an imported commodity is not practicable because of variations in characteristics between the domestic and imported commodity he shall establish with respect to the imported commodity, other than dates for processing, such grade, size, quality, and maturity restrictions by varieties, types, or other classifications as he finds will be equivalent or comparable to those imposed upon the domestic commodity under such order. The Secretary of Agriculture may promulgate such rules and regulations as he deems necessary, to carry out the provisions of this section. Any person who violates any provision of this section or of any rule, regulation, or order promulgated hereunder shall be subject to a forfeiture in the amount prescribed in section 8a(5) or, upon conviction, a penalty in the amount prescribed in section 8c(14) of the Act, or to both such forfeiture and penalty.

⁵² The original provisions of this section were repealed by section 302 of the Agricultural Act of 1948 (July 3, 1948, 62 Stat. 1258). The language shown below in brackets was substituted for the previous provisions by section 141 of the Agriculture Act of 1961 (August 8, 1961, 75 Stat. 345).

⁵³ See footnote 52. The words "raisins., olives (other than Spanish-style green olives), prunes" were added by Pub. L. 91-670, 84 Stat. 2047, January 11, 1971. The word "filberts" was added by Pub. L. 95-113, 91 Stat. 951, September 29, 1977. The words "table grapes" were added by Pub. L. 97-312, 96 Stat. 1461, Oct. 14, 1982. Pub. L. 101-624, 104 Stat. 3561, Nov. 28, 1990, added kiwifruit, nectarines, plums, pistachios, or apples; and added subsections (c) and (d), requiring advice and concurrence by the USTR prior to any import regulation being made effective. Pub. L. 107-171, Sec. 10601(b), 116 Stat. 511, May 13, 2002, added the words "caneberries (including raspberries, blackberries, and loganberries."

(b)(1) The Secretary may provide for a period of time (not to exceed 35 days) in addition to the period of time covered by a marketing order during which the marketing order requirements would be in effect for a particular commodity during any year if the Secretary determines that such additional period of time is necessary—

(A) to effectuate the purposes of this Act; and

(B) to prevent the circumvention of the grade, size, quality, or maturity standards of a seasonal marketing order applicable to a commodity produced in the United States by imports of such commodity.

(2) In making the determination required by paragraph (1), the Secretary, through notice and comment procedures, shall consider—

(A) to what extent, during the previous year, imports of a commodity that did not meet the requirements of a marketing order applicable to such commodity were marketed in the United States during the period that such marketing order requirements were in effect for available domestic commodities (or would have been marketed during such time if not for any additional period established by the Secretary);

(B) if the importation into the United States of such commodity did, or was likely to, circumvent the grade, size, quality or maturity standards of a seasonal marketing order applicable to such commodity produced in the United States; and

(C) the availability and price of commodities of the variety covered by the marketing order during any additional period the marketing order requirements are to be in effect.

(3) An additional period established by the Secretary in accordance with this subsection shall be—

(A) announced not later than 30 days before the date such additional period is to be in effect; and

(B) reviewed by the Secretary on request, through notice and comment procedures, at least every 3 years in order to determine if the additional period is still needed to prevent circumvention of the seasonal marketing order by imported commodities.

(4) For the purposes of carrying out this subsection, the Secretary is authorized to make such reasonable inspections as may be necessary.

(c) Prior to any import prohibition or regulation under this section being made effective with respect to any commodity—

(1) the Secretary of Agriculture shall notify the United States Trade Representative of such import prohibition or regulation; and

(2) the United States Trade Representative shall advise the Secretary of Agriculture, within 60 days of the notification under paragraph (1), to ensure that the application of the grade, size, quality, and maturity provisions of the relevant marketing order, or comparable restrictions, to imports is not inconsistent with United States international obligations under any trade agreement, including the General Agreement on Tariffs and Trade.

(d) The Secretary may proceed with the proposed prohibition or regulation if the Secretary receives the advice and concurrence of the United States Trade Representative within 60 days of the notification under subsection (c)(1). (7 U.S.C. 608e-1.)]

(k) Section 22 (relating to imports);

⁵⁶ Paragraph (j) added by section 2(i) of the Agricultural Act of 1937 (June 3, 1937, 50 Stat. 248).

Agricultural Adjustment Act of 1933—SEC. 22⁵⁷ (a) Whenever the Secretary of Agriculture has reason to believe that any article or articles are being or are practically certain to be imported into the United States under such conditions and in such quantities as to render or tend to render ineffective, or materially interfere with, any program or operation undertaken under this title or the Soil Conservation and Domestic Allotment Act, as amended, or section 32, Public Law Numbered 320, Seventy-fourth Congress, approved August 24, 1935, as amended, or any loan, purchase, or other program or operation undertaken by the Department of Agriculture, or any agency operating under its direction, with respect to any agricultural commodity or product thereof, or to reduce substantially the amount of any product processed in the United States from any agricultural commodity or product thereof with respect to which any such program or operation is being undertaken, he shall so advise the President, and, if the President agrees that there is reason for such belief, the President shall cause an immediate investigation to be made by the United States International Trade Commission, which shall give precedence to investigations under this section to determine such facts. Such investigation shall be made after due notice and opportunity for hearing to interested parties, and shall be conducted subject to such regulations as the President shall specify. (7 U.S.C. 624(a).)

(b) If, on the basis of such investigation and report to him of findings and recommendations made in connection therewith, the President finds the existence of such facts, he shall by proclamation impose such fees not in excess of 50 per centum ad valorem or such quantitative limitations on any article or articles which may be entered, or withdrawn from warehouse, for consumption as he finds and declares shown by such investigation to be necessary in order that the entry of such article or articles will not render or tend to render ineffective, or materially interfere with, any program or operation referred to in subsection (a) of this section, or reduce substantially the amount of any product processed in the United States from any such agricultural commodity or product thereof with respect to which any such program or operation is being undertaken: *Provided*, That no proclamation under this section shall impose any limitation on the total quantity of any article or articles which may be entered, or withdrawn from warehouse, for consumption which reduces such permissible total quantity to proportionately less than 50 per centum of the total quantity of such article or articles which was entered, or withdrawn from warehouse, for consumption during a representative period as determined by the President: *And provided further*, That in designating any article or articles, the President may describe them by physical qualities, value, use, or upon such other bases as he shall determine.

In any case where the Secretary of Agriculture determines and reports to the President with regard to any article or articles that a condition exists requiring emergency treatment, the President may take immediate action under this section without awaiting the recommendations of the Tariff Commission, such action to continue in effect pending the report and recommendations of the Tariff Commission and action thereon by the President.⁵⁸ (7 U.S.C. 624(b).)

(c) The fees and limitations imposed by the President by proclamation under this section and any revocation, suspension, or modification thereof, shall become effective on such date as shall be therein specified, and such fees shall be treated for administrative purposes and for the purposes of section 32 of Public Law Numbered 320, Seventy-fourth Congress,

⁵⁷ See also section 202(a) of the Agricultural Act of 1956, 70 Stat. 199. Section 22 was added by the Act of August 24, 1935 (49 Stat. 773). As originally enacted, action under this section could be taken only with respect to articles the importation of which was found to be adversely affecting programs or operations under the Agricultural Adjustment Act of 1933. Section 22 has been amended several times and was revised in its entirety by section 3 of the Agricultural Act of 1948 (62 Stat. 1247) and again by section 3 of the Act of June 28, 1950 (64 Stat. 261). Regulations governing investigations under this section are set forth in Executive Order 7233, dated November 23, 1935, and in 19 CFR 201, 204. Pub. (d) After investigation, report, finding, and declaration in the manner provided in the case of a proclamation issued pursuant to subsection (b) of this section, any proclamation or provision of such proclamation may be suspended or terminated by the President whenever he finds and proclaims that the circumstances requiring the proclamation or provision thereof no longer exist or may be modified by the President whenever he finds and proclaims that changed circumstances require such modification to carry out the purposes of this section. (7 U.S.C. 624(d).)

(e) Any decision of the President as to facts under this section shall be final. (7 U.S.C. 624(e).)

(c) **MILK COVERED BY PILOT PROGRAM.** —

⁵⁹ The provisions of subsection (f) were substituted for earlier provisions by section 8(b) of the Trade Agreements Extension Act of 1951, June 16, 1951, 65 Stat. 72, 75. Pub. L. 100-449, 102 Stat. 1868, Sept. 28, 1988, added the exemption for products of Canada. Sec. 301(a) of Pub. L. 100-449, 102 Stat. 1865, would allow temporary duty on any Canadian fresh fruit and vegetable entering the U.S. if the Secretary of Agriculture determines (1) for each of five consecutive workdays the import price of the Canadian fresh fruit or vegetable is below 90 percent of corresponding five-year average monthly import price for such fruit or vegetable, and (2) the U.S. planted acreage for the like fresh fruit or vegetable is no higher than the average planted acreage over the preceding five years, excluding years with highest and lowest acreage. (Any acreage increase attributed directly to a reduction in the acreage that was planted to wine grapes as of Oct. 4, 1987, is excluded.)

Section was generally amended by Sec. 401(a)(1) of Pub. L. 103-456, 108 Stat. 4957, Dec. 8, 1994. Sec. 401(a)(2) of Pub. L. 103-465, 108 Stat. 4957, Dec. 8, 1994, provided that: “The amendment made by paragraph (1) shall take effect on the date of entry into force of the WTO Agreement with respect to the United States, except that with respect to wheat, the amendment shall take effect on the later of such date or September 12, 1995.”

⁶⁰ Pub. L. 106-113, div. B, Sec. 1000(a)(8) (Sec. 3), Nov. 29, 1999, 113 Stat. 1536, 1501A-519, added new Sec. 23.

(2) RELATION TO CLASS I MILK.— To assist milk handlers in complying with the limitation in paragraph (1)(A) without having to segregate or otherwise individually track the source and disposition of milk, a milk handler may allocate milk receipts from producers, cooperatives, and other sources that are not subject to a forward contract to satisfy the handler's obligations with regard to Class I milk usage.

(d) DURATION.—The authority of the Secretary of Agriculture to carry out the pilot program shall terminate on December 31, 2004. No forward price contract entered into under the program may extend beyond that date.

(2) REPORT.— Not later than April 30, 2002, the Secretary shall submit to the Committee on Agriculture, Nutrition and Forestry of the Senate and the Committee on Agriculture of the House of Representatives a report containing the results of the study. (7 U.S.C. 627).
