Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0648-0551. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are required to obtain or retain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the PRA Officer, National Marine Fisheries Service, 263 13th Ave South, St. Petersburg, FL 33701. The National Marine Fisheries Service requires this information for the conservation and management of marine fishery resources. The data reported will be used to develop, implement, and monitor fishery management activities for a variety of other uses. Responses to this collection are required to obtain or retain a fisheries permit under the Magnuson-Stevens Act. Information submitted will be submitted as confidential in accordance with NOAA Administrative Order 216-100, Protection of Confidential Fishery Statistics.
