**SUPPLEMENTARY INFORMATION:**

**I. Abstract**

This request is to seek clearance for the collection of routine information requested of individuals (including but not limited to federal employees, visitors, contractors, associates) who work with or around sources of ionizing radiation on the NIST campus.

The information is collected for the following purposes:

(1) NIST is required by 10 CFR 20.1502 to monitor individuals who may be exposed to ionizing radiation above specific levels. This form will be used to collect information associated with this monitoring and to determine the type of monitoring required.

(2) NIST is required by 10 CFR 20.2106 to maintain records of radiation exposure monitoring. This form will be used to ensure the exposure information collected is properly associated with the individual using unique identifiers. In addition, NIST must provide reports to the monitored individuals when requested and to the NRC annually. This form will be used to ensure the correct information is provided to the individual.

**II. Method of Collection**

The information will be collected in paper format and electronically as a pdf form.

**III. Data**
