Dear Teacher:			
Students who were selected to participate but did not complete the survey and are eligible for a make-up are listed below. The list includes students who were coded as: A: Absent; ISS : In-School Suspension; SR: Student Refusal; and NFR: No Form Returned (for schools using active parental permission only). Students coded as NFR must have returned a signed parental permission form, with the "yes" box checked, to be surveyed as part of a make-up session. Students who initially refused to take the survey (SR) but <u>voluntarily</u> changed their mind and decide to participate, may be surveyed.			
You are asked to administer a make-up with all students listed in the table below. An adequate supply of survey materials is enclosed. When administering the survey, please follow the enclosed make-up survey administration script closely.			
When you have completed the make-ups, please place each student's sealed envelope containing his/her questionnaire in the white, business reply envelope marked MAKE-UPS, along with this form.			
Important: If a student, for all practical purposes, has ceased to come to class or attend school and you cannot conduct a make-up, mark a capital " D " next to his/her name. For any student(s) not completing a make-up survey, please note the reason (if known) next to the student's name below.
