REMINDER

Dear Parent(s):

Your child's school is taking part in a national survey of health behaviors.

On [DATE], I emailed a permission form to all parents of students in my class, asking that you review the form and let me know your decision to allow your child to participate. As yet, I have not heard back from you.

A second copy of the permission form and fact sheet is attached. Please read the form, check the appropriate box, sign the form, and return it to me within three days. If you are unable to print/scan the form, you may also email me your decision.

Thank you.
