Minor Revisions to the Collection Instrument

SSA is making the following revisions:

- **Change #1:** We are revising the PRA statement on this form.

Justification #1: We are revising the PRA statement to reflect our current boilerplate language. The current language, which dates back to the last reprint of the form, is now outdated.

- **Change #2:** We are removing language referring to Item 12A on the SSA-3820 form in Item 2A on page 1.

Justification #2: We are removing this reference as it refers to an outdated and superseded form. We corrected the language, which now refers to the correct, current version of Form SSA-3820.
